

STATEMENT OF PURPOSE

RS27581 / H0530

This Legislation would allow public governing boards to go into executive session with a legal adviser, real estate professional, or appraiser for the sole purpose of discussing minimal acceptable bid amounts for the sale of real property. Currently, these deliberations must take place in open meetings, preventing a competitive bid process.

FISCAL NOTE

Since the proposed change only relates to the location of the local public governing board's discussion there will be no fiscal impact on the State General Fund. The local public governing board may see an increase in the fiscal impact due to an increase in the need for both executive and open sessions. .
