BY HEALTH AND WELFARE COMMITTEE

AN ACT

1 RELATING TO HEALTH; AMENDING CHAPTER 45, TITLE 39, IDAHO CODE, BY THE ADDI-
2 TION OF A NEW SECTION 39-4516, IDAHO CODE, TO ESTABLISH PROVISIONS RE-
3 GARDING LIFE-SUSTAINING TREATMENT FOR UNEMANCIPATED MINORS.
4

5 Be It Enacted by the Legislature of the State of Idaho:

6 SECTION 1. That Chapter 45, Title 39, Idaho Code, be, and the same is
7 hereby amended by the addition thereto of a NEW SECTION, to be known and des-
8 ignated as Section 39-4516, Idaho Code, and to read as follows:

9 39-4516. LIFE-SUSTAINING TREATMENT FOR UNEMANCIPATED MINORS. (1)
10 This section shall be known and may be cited as "Simon's Law."

11 (2) As used in this section:

12 (a) "Order not to resuscitate" means a physician's order that resus-
13 citative measures shall not be provided to a person under a physician's
14 care in the event the person is found to have cardiopulmonary cessation.
15 "Order not to resuscitate" shall include but is not limited to physician
16 orders written as "do not resuscitate," "do not allow resuscitation,"
17 "do not allow resuscitative measures," "DNAR," "DNR," "allow natural
18 death," or "AND";

19 (b) "Reasonable medical judgment" means a medical judgment that would
20 be made by a reasonably prudent health care provider who is knowl-
21 edgeable about a patient's case and the treatment possibilities with
22 respect to the medical conditions involved; and

23 (c) "Unemancipated minor" means a minor who is not married or is not in
24 active military service.

25 (3) An order not to resuscitate, an order to withhold artificial
26 life-sustaining procedures, an order to withhold artificial nutrition and
27 hydration, and a similar physician's order shall not be instituted, either
28 orally or in writing, unless at least one (1) parent or legal guardian of
29 an unemancipated minor who is a patient or resident of a hospital or health
30 care facility under whose care the unemancipated minor has been admitted has
31 first been notified of the physician's intent to institute such an order,
32 and reasonable attempts have been made to notify any other parent or legal
33 guardian, provided such parent or guardian is reasonably available and has
34 custodial or visitation rights. Such notification must be provided both
35 orally and in writing to at least one (1) parent or legal guardian of the
36 unemancipated minor patient unless, in the physician's reasonable medical
37 judgment, the urgency of the decision requires reliance on only providing
38 the information orally. Such notification must also include informing the
39 parent or legal guardian of the forty-eight (48) hour provision in subsec-
40 tion (5) of this section. Unless the parent or legal guardian agrees with the
41 implementation of the following orders, an order not to resuscitate, an or-
42 der to withhold artificial life-sustaining procedures, an order to withhold

1 artificial nutrition and hydration, or a similar physician's order shall
2 not be instituted, either orally or in writing, until at least forty-eight
3 (48) hours after oral and written notice have been provided to at least one
4 (1) parent or legal guardian in accordance with this section. The provision
5 of such notification must be contemporaneously recorded in the patient's
6 medical record, specifying by whom and to whom the notification was given,
7 the date and time of its provision, and whether it was provided in writing as
8 well. When only one (1) parent or guardian has been notified, the nature of
9 reasonable attempts to inform another parent or guardian, or the reason why
10 such attempts were not made, must also be contemporaneously recorded in the
11 unemancipated minor patient's medical record.

12 (4) The requirements of subsection (3) of this section shall not ap-
13 ply after seventy-two (72) hours of diligent efforts have been made by the
14 health care provider, without success, to contact and notify at least one (1)
15 known parent or legal guardian of the unemancipated minor patient of the in-
16 tent to implement an order not to resuscitate, an order to withhold artifi-
17 cial life-sustaining procedures, an order to withhold artificial nutrition
18 and hydration, or a similar physician's order.

19 (5) Within forty-eight (48) hours of being notified of the intent to
20 institute an order not to resuscitate, an order to withhold artificial
21 life-sustaining procedures, an order to withhold artificial nutrition and
22 hydration, or a similar physician's order according to subsection (3) of
23 this section, a parent or legal guardian shall be entitled to request a
24 transfer of the unemancipated minor patient or resident to another facility
25 or discharge. If a transfer is requested by a parent or legal guardian, the
26 hospital or health care facility under whose care the unemancipated minor is
27 admitted must continue provision of artificial life-sustaining procedures
28 and life-sustaining artificial nutrition and hydration for a minimum of fif-
29 teen (15) days after the transfer request has been made known and make every
30 reasonable effort to assist the requesting parent or legal guardian in the
31 transfer process. The hospital or health care facility's duties and finan-
32 cial obligations regarding transfer shall be governed by existing state law,
33 applicable rules or regulations, hospital policy, and relevant third-party
34 payment contracts.

35 (6) If a transfer cannot be arranged and executed within fifteen (15)
36 days from the parent's or guardian's request to transfer, an order not to re-
37 suscitate, an order to withhold artificial life-sustaining procedures, an
38 order to withhold artificial nutrition and hydration, or a similar physi-
39 cian's order may be instituted.

40 (7) Nothing in this section shall be construed to limit the rights pur-
41 suant to section 39-4503, 39-4504, 39-4509, or 39-4510, Idaho Code.
