

REVISED

STATEMENT OF PURPOSE

RS27217 / S1243

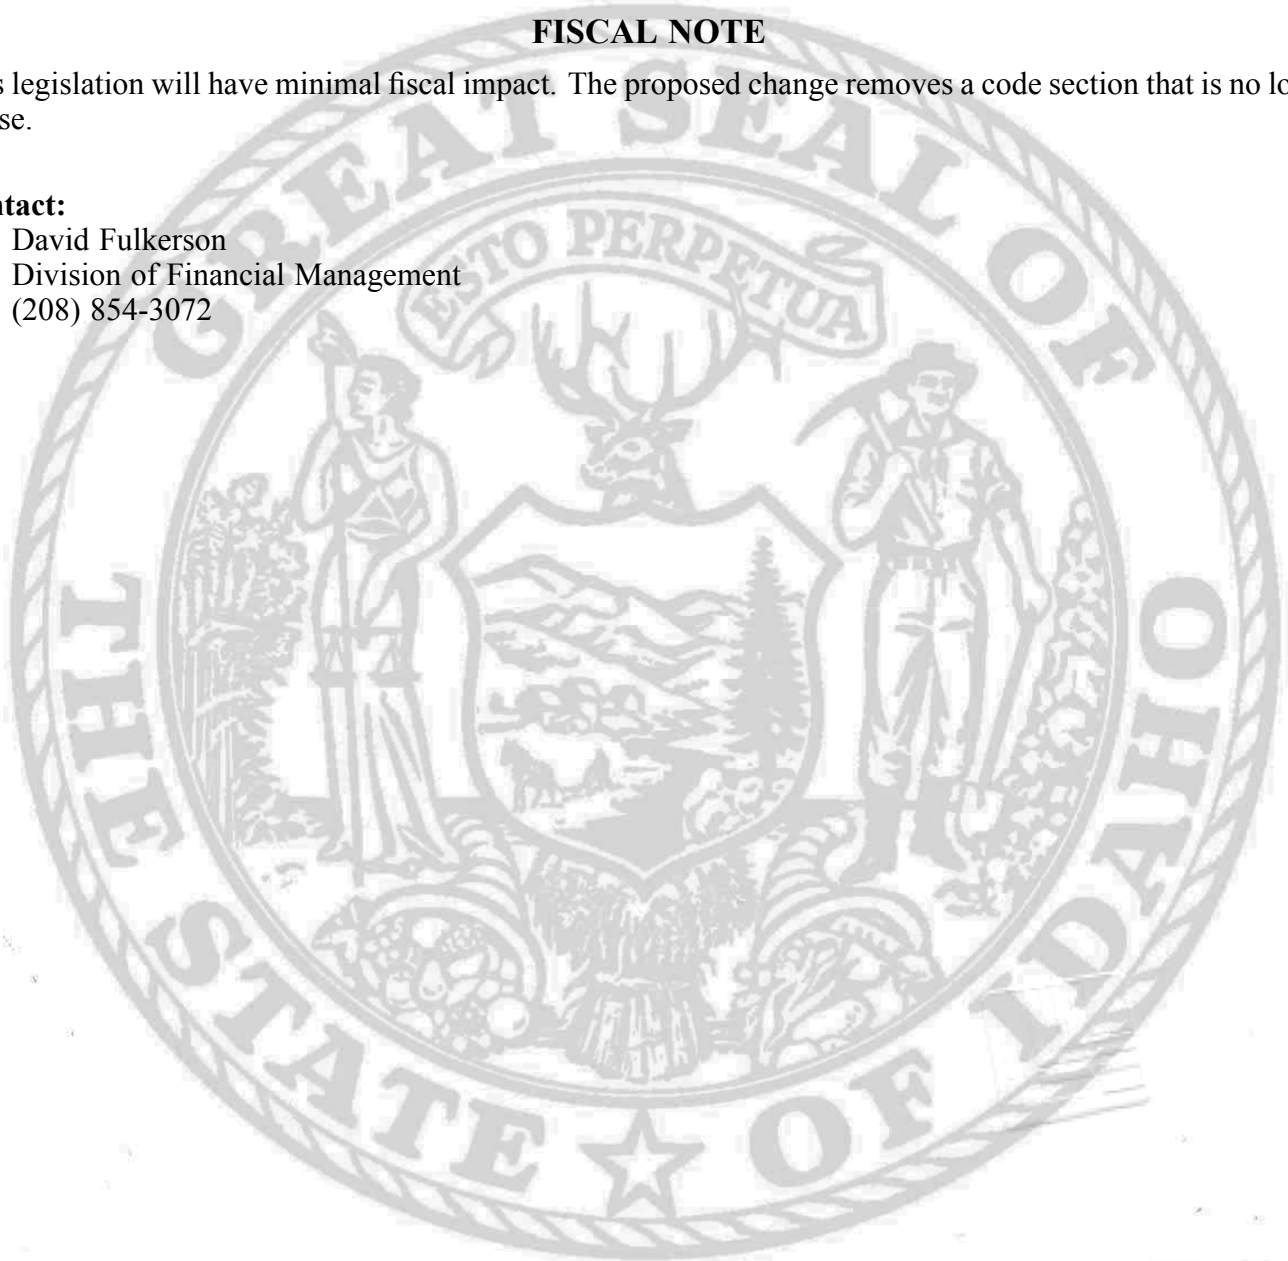

Section 67-3524, Idaho Code, established the equitable distribution of government overhead expenses for the State Controller's Office financial transactions and personnel/payroll processing. Section 67-3531, Idaho Code, also allows for this equitable distribution for government overhead expenses through the annual statewide indirect cost allocation plan, therefore 67-3524 is no longer required. This legislation would remove a duplicate code section that is no longer in use.

FISCAL NOTE

This legislation will have minimal fiscal impact. The proposed change removes a code section that is no longer in use.
