

## STATEMENT OF PURPOSE

RS27602C1 / S1304

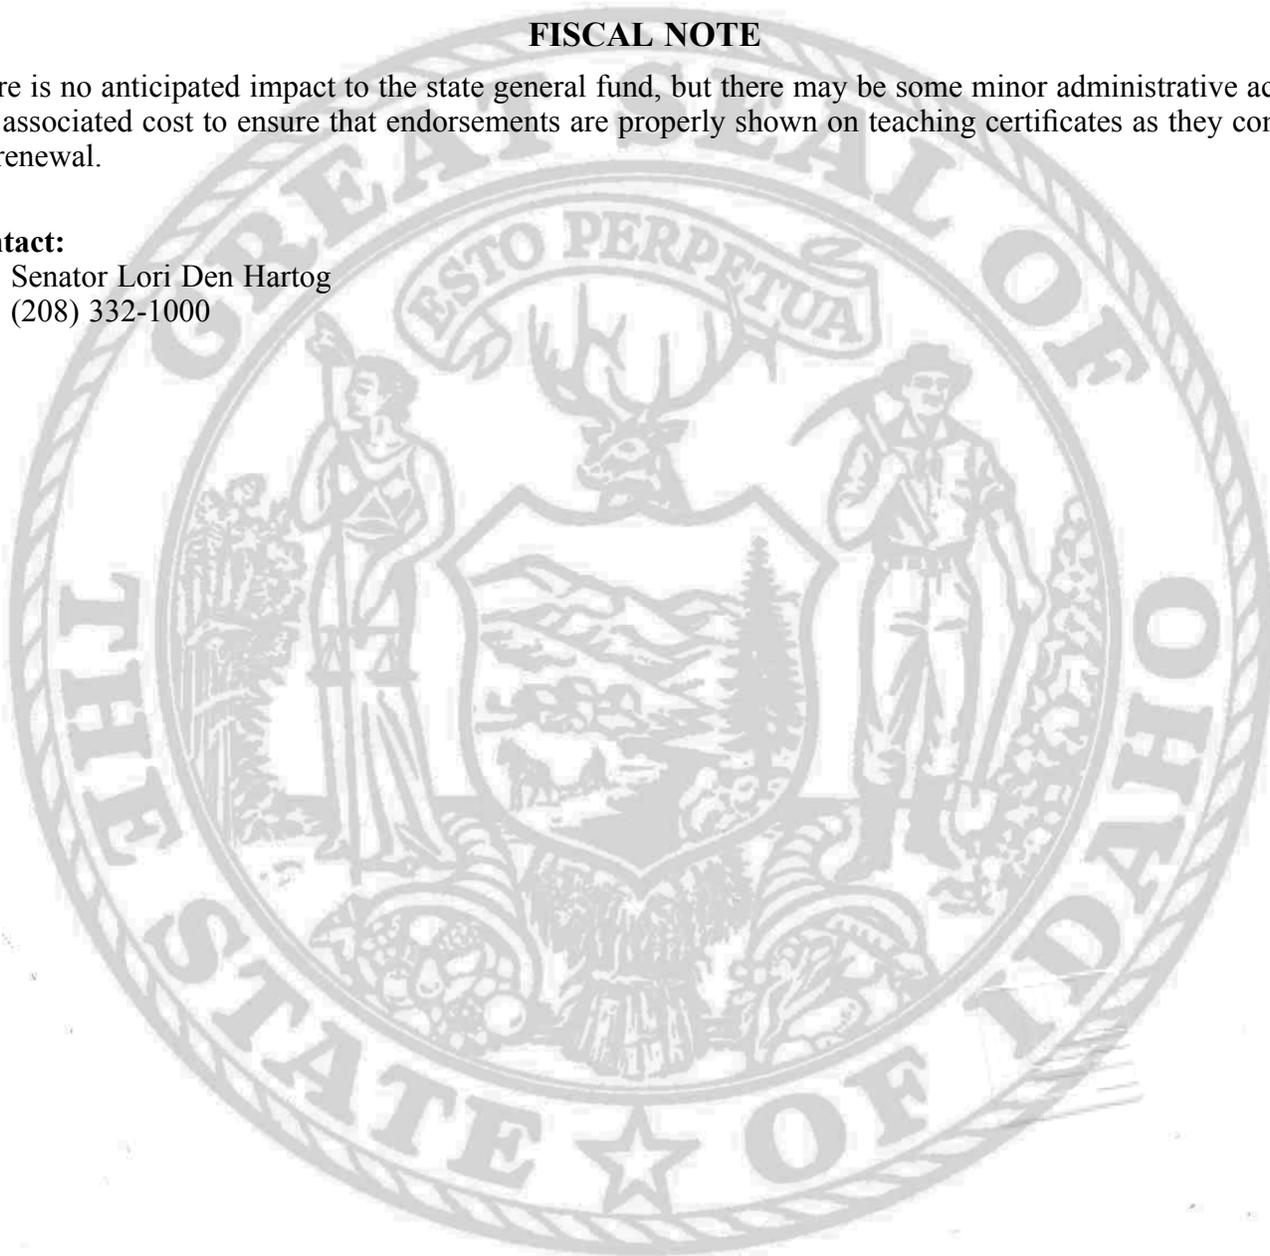

This legislation provides grandfather rights to educators who received specific endorsements on their teaching certificates when such endorsements may no longer exist within Idaho Code or Administrative Rule or were conferred by a different state. The purpose is to recognize the training and education attained by educators. This legislation is consistent with the efforts to provide reciprocity in licensing and certification requirements across state lines.

## FISCAL NOTE

There is no anticipated impact to the state general fund, but there may be some minor administrative activity and associated cost to ensure that endorsements are properly shown on teaching certificates as they come up for renewal.
