

STATEMENT OF PURPOSE

RS27546C1 / S1350

The purpose of this legislation is to increase the information available to voters about statewide citizen initiatives. It proposes to add a fiscal impact statement to all statewide ballot initiatives, including a proposed, non-binding funding source. The statement will be prepared by the Division of Financial Management, an executive branch agency.

FISCAL NOTE

The Division of Financial Management could see a minimal increase in their workload preparing fiscal impact statements but anticipate the ability to do the work within their existing budget.
