LEGISLATURE OF THE STATE OF IDAHO
Sixty-fifth Legislature Second Regular Session - 2020

IN THE SENATE

SENATE BILL NO. 1385

BY STATE AFFAIRS COMMITTEE

AN ACT
RELATING TO ABORTION; AMENDING CHAPTER 6, TITLE 18, IDAHO CODE, BY THE ADDITION OF A NEW SECTION 18-622, IDAHO CODE, TO PROVIDE AN EFFECTIVE DATE, TO PROVIDE FOR THE OFFENSE OF CRIMINAL ABORTION, TO PROVIDE PENALTIES, TO PROVIDE AFFIRMATIVE DEFENSES, AND TO PROVIDE EXCEPTIONS; AND PROVIDING SEVERABILITY.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Chapter 6, Title 18, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 18-622, Idaho Code, and to read as follows:

18-622. CRIMINAL ABORTION. (1) Notwithstanding any other provision of law, this section shall become effective thirty (30) days following the occurrence of either of the following circumstances:
(a) The issuance of the judgment in any decision of the United States supreme court that restores to the states their authority to prohibit abortion; or
(b) Adoption of an amendment to the United States constitution that restores to the states their authority to prohibit abortion.
(2) Every person who performs or attempts to perform an abortion as defined in this chapter commits the crime of criminal abortion. Criminal abortion shall be a felony punishable by a sentence of imprisonment of no less than two (2) years and no more than (5) years in prison. The professional license of any care health professional who performs or attempts to perform an abortion or who assists in performing or attempting to perform an abortion in violation of this subsection shall be suspended by the appropriate licensing board for a minimum of six (6) months upon a first offense and shall be permanently revoked upon a subsequent offense.
(3) It shall be an affirmative defense to prosecution under subsection (2) of this section and to any disciplinary action by an applicable licensing authority, which must be proven by a preponderance of the evidence, that:
(a)(i) The abortion was performed or attempted by a physician as defined in this chapter;
(ii) The physician determined, in his good faith medical judgment and based on the facts known to the physician at the time, that the abortion was necessary to prevent the death of the pregnant woman. No abortion shall be deemed necessary to prevent the death of the pregnant woman because the physician believes that the woman may or will take action to harm herself; and
(iii) The physician performed or attempted to perform the abortion in the manner that, in his good faith medical judgment and based on the facts known to the physician at the time, provided the best opportunity for the unborn child to survive, unless, in his good
faith medical judgment, termination of the pregnancy in that manner would have posed a greater risk of the death of the pregnant woman. No such greater risk shall be deemed to exist because the physician believes that the woman may or will take action to harm herself; or
(b)(i) The abortion was performed or attempted by a physician as defined in this chapter;
(ii) If the woman is not a minor or subject to a guardianship, then, prior to the performance of the abortion, the woman has reported the act of rape or incest to a law enforcement agency and provided a copy of such report to the physician who is to perform the abortion;
(iii) If the woman is a minor or subject to a guardianship, then, prior to the performance of the abortion, the woman or her parent or guardian has reported the act of rape or incest to a law enforcement agency or child protective services and a copy of such report has been provided to the physician who is to perform the abortion;
and
(iv) The physician who performed the abortion complied with the requirements of paragraph (a)(iii) of this subsection regarding the method of abortion.

(4) Medical treatment provided to a pregnant woman by a health care professional as defined in this chapter that results in the accidental death of, or unintentional injury to, the unborn child shall not be a violation of this section.

(5) Nothing in this section shall be construed to subject a pregnant woman on whom any abortion is performed or attempted to any criminal conviction and penalty.

SECTION 2. SEVERABILITY. The provisions of this act are hereby declared to be severable and if any provision of this act or the application of such provision to any person or circumstance is declared invalid for any reason, such declaration shall not affect the validity of the remaining portions of this act.
