112. **SUICIDE PREVENTION IN SCHOOLS.**
As schools offer annual professional development for school staff related to preventing, intervening, and responding to suicide, the content shall include:

**01. Prevention:** school philosophy regarding school climate and the promotion of protective factors; data on suicide for the state; risk and protective factors for students; suicide myths and facts; and how to develop community partnerships.

**02. Intervention:** how to utilize safe and appropriate language and messaging when addressing students; warning signs of suicide ideation for students; local and school-based protocols for aiding a suicidal individual; local protocols for seeking help for self and students; identification of appropriate mental health services and community resources for referring students and their families; information about state statutes on responsibility, liability, and duty to warn; confidentiality issues; and the need to ask others directly if they are suicidal.

**03. Postvention:** evidence-based protocol for responding to a student/staff suicide.
