S 1281: **Colby Cameron**, explained **S 1281** removes a list of 1919 Session Laws from Statute. Consistent with the Governor's efforts under the Red Tape Reduction Act, this bill seeks to eliminate inactive provisions of the law. **S 1281** repeals Section 73-120, Idaho Code. This section consists of local and special statutes passed in the 1919 session of the legislature that were not general laws and were not incorporated into code. The items listed in this section were never codified, repealing this section will therefore have no impact. Among the provisions included in this section was the establishment of a wagon road near Neal, Idaho.
MOTION: **Rep. Collins** made a motion to send **S 1281** to the floor with a **DO PASS** recommendation. **Motion carried by voice vote.** **Chairman Mendive** will sponsor the bill on the floor.
