TIME: 1:30 P.M.

PLACE: Room EW05

MEMBERS: Chairman Mendive, Vice Chairman Kingsley, Representatives Barbieri, Clow, Collins, Zollinger, Christensen, Wagoner, Wisniewski, Remington, Berch, Green, Necochea

**ABSENT/
EXCUSED:** Representative(s) Clow

GUESTS: Jerry Mason, Association of Idaho Cities; Jason Boal, Idaho APA; Jayme Sullivan, City of Boise; Rep. Nichols, District 11B

Chairman Mendive called the meeting to order at 1:31 p.m.

MOTION: **Rep. Green** made a motion to approve the minutes of January 22, 2020. **Motion carried by voice vote.**

H 450: **Rep. Wagoner** introduced **H 450** to the committee and explained the legislation allows local jurisdictions to determine whether rezone and annexation applications should go thru a recommendation hearing with a planning and zoning commission or to advance straight to the governing body for a final decision. He stated legislation is meant to streamline the process and eliminate confusion for property owners affected by the request. Committee members commented with concern that the bill limited citizen participation by allowing annexations and rezones to go straight to city council thereby cutting Planning and Zoning out of the process and shortening the process.

MOTION: **Rep. Zollinger** made a motion to send **H 450** to the floor with a **DO PASS** recommendation.

Jerry Mason, Association of Idaho Cities, spoke in opposition to the legislation.

Jason Boal, Idaho Chapter of the American Planners Association, stated his organization opposed the legislation.

Discussion on the motion was held. Committee members expressed concern about reducing opportunity for citizen involvement.

**ROLL CALL

Voting in favor** of the motion: **Reps. Zollinger, Wagoner and Wisniewski. Voting in opposition** to the motion: **Reps. Mendive, Kingsley, Barbieri, Collins, Christensen, Remington, Necochea, Berch and Green.**

H 489: **Rep. Zollinger** explained **H 489** repeals Idaho Code Section 50-222 and adds new simplified language into Section 50-222. The new code section provides protections for landowners by clarifying and changing procedures by which a city in the state of Idaho may annex privately owned property. The new sections require that land to be annexed is adjacent to or surrounded by the city, requires the city to notify each landowner of the intent to annex, requires the city to publish a written annexation plan and to provide for a public hearing, and required consent of at least two-thirds of the land owners by a written instrument executed by the landowner or the landowner's agent. The new codes section also provides for tax relief for landowners annexed into a city but not receiving city services and maintains the procedure for judicial review of annexation decisions.

Those testifying **in support** of the legislation were **Rep. Ehardt**, District 33A and **Rep. Nichols**, District 11.

Those testifying **in opposition** of the legislation were **Jerry Mason**, legal council for the Association of Idaho Cities; and **Jason Boal**, Idaho Chapter of the American Planners Association.

SUBSTITUTE MOTION: **Rep. Green** made a substitute motion to **HOLD H 489** in committee.

MOTION: **Rep. Collins** made a motion to approve the minutes of February 6, 2020; February 10, 2020 and February 18, 2020. **Motion carried by voice vote.**
S 1281: **Colby Cameron**, explained **S 1281** removes a list of 1919 Session Laws from Statute. Consistent with the Governor's efforts under the Red Tape Reduction Act, this bill seeks to eliminate inactive provisions of the law. **S 1281** repeals Section 73-120, Idaho Code. This section consists of local and special statutes passed in the 1919 session of the legislature that were not general laws and were not incorporated into code. The items listed in this section were never codified, repealing this section will therefore have no impact. Among the provisions included in this section was the establishment of a wagon road near Neal, Idaho.
