DOCKET NO. 05-0000-2100

NOTICE OF OMNIBUS RULEMAKING – PROPOSED RULEMAKING

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 20-504(10), 20-504(12), 20-504(15), 20-520(1)(s), 20-532, 16-1901, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 05, rules of the Idaho Department of Juvenile Corrections:

IDAPA 05

- 05.01.02, *Rules and Standards for Secure Juvenile Detention Centers*;
- 05.01.03, *Rules of the Custody Review Board*;
- 05.01.04, *Uniform Standards for Juvenile Probation Services*; and
- 05.02.01, *Rules for Residential Treatment Providers*.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

a. Staff are regularly trained to identify, document, and appropriately respond to behavior that may indicate a risk of suicide; ()

b. The Provider utilizes medical or other staff trained by a mental health professional to review history, interview, and observe juvenile offenders new to the program in order to complete a suicide risk screening within two (2) hours of admission. The screening is done to identify any immediate threat of suicide or self-harm and the need for a suicide risk assessment; ()

c. The Provider utilizes a mental health professional to complete a suicide risk assessment on a juvenile offender who has been identified by staff as presenting a risk of suicide. A suicide risk assessment is a system of structured and documented observation, interview, and review of behavioral and mental health information. It comprises a thorough review of recent behavioral and mental health information and interviews of staff and the juvenile offender concerning the behavior that seems to present the threat of self-harm or suicide. A suicide risk assessment typically involves an assessment of the juvenile offender's determination to act on intentions of self-harm, a determination of the depth of planning for making the attempt, the availability of the items or situations necessary for the juvenile to act on that plan, and the lethality of the plan, as expressed; ()

- b. How to access medical services; ()
- c. How to file a grievance; ()
- d. How to report incidents of sexual abuse between juvenile offenders or between staff and juvenile offenders; and ()

141. DISCIPLINE OF JUVENILE OFFENDERS.

01. Written Policies and Procedures. All providers offering treatment services must have comprehensive written discipline policies and procedures, which are explained to all juvenile offenders, families, and staff. These policies must include positive responses for appropriate behavior. They must include a provision for written notice to the juvenile offender being disciplined, a mechanism for a fair and impartial hearing to include at least one staff member not involved in the disciplinary action, and a process for appeal. ()

02. Administration of Discipline. Discipline will be administered in a way to create a learning experience for the juvenile offender, and never in a way that degrades or humiliates the juvenile offender. Staff will make every effort to maintain control of juvenile offenders through positive methods. No juvenile offender will supervise nor carry out disciplinary actions over another juvenile offender. ()

a. Prior to and upon initiating a disciplinary action, careful attention should be given to ensure the disciplinary sanctions are proportionate with the nature and circumstances of the behavior and the program rules to determine the seriousness of the misbehavior and the appropriate type of discipline. ()

b. Disciplinary actions are not the same as the consequences that are spelled out as a part of a service implementation plan for the juvenile offender. A Provider must make every effort to resolve problems with the least amount of formal disciplinary activity possible. Efforts should be made first to instruct and counsel the juvenile offender. ()

c. Any restriction of a juvenile offender's participation in a program resulting from a formal disciplinary action must be reported in an incident report. ()

03. Prohibited Actions. The Provider is prohibited from using certain actions as disciplinary responses, as listed in the child care licensing rules of the Idaho Department of Health and Welfare. ()

The juvenile offender must be informed that the juvenile services coordinator may be included in the disciplinary process at the juvenile's choice. ()

142. GRIEVANCE PROCEDURES.

01. Written Procedures. The Provider must have a written grievance procedure for juvenile offenders, which includes the right to appeal disciplinary actions against them if a separate disciplinary grievance procedure is not available. It must be written in a clear and simple manner and allow juvenile offenders to make complaints without fear of retaliation. The grievance procedure must be explained to the juvenile offender by a staff member and such documented in the juvenile's file. ()

02. Grievance Process. ()

a. Grievance forms must be in a location accessible to juvenile offenders without having to request such a form from staff. Completed forms should be placed in a secure area and collected daily. ()

b. The provider must complete a review and discuss findings with the juvenile offender within three (3) business days of receipt of the grievance form. ()

c. If the juvenile offender lives independently, the Provider must have a process for the juvenile to submit grievance forms to the program director without having to request such a form from staff. ()

143. JUVENILE OFFENDER SAFETY.

Every juvenile offender has the fundamental right to feel safe. Residential treatment providers have the responsibility to ensure that a juvenile offender is safe while in their care. Every juvenile offender must be informed of procedures whereby a professional staff person can be contacted on a twenty-four (24) hour basis if the juvenile offender does not feel safe. The Provider's administration must make periodic contact with juvenile offenders in the program to determine if they feel safe and are comfortable when interacting with peers and staff. ()

144. SEARCHES FOR CONTRABAND.

01. Searches of Personal Items. Routine searches of personal items being introduced into the program or residence may be conducted by staff prior to the juvenile offender taking possession of their property, or when the juvenile offender is returning to the program or residence from an individual community pass. A clothed body search may be used when a juvenile offender is returning from a visit, outside appointment, or activity. ()

b. Clothed body searches must be conducted in the manner required in the rules of the Idaho Department of Health and Welfare under IDAPA 16.06.02, "Standards for Child Care Licensing." Clothed body searches of juvenile offenders will be conducted by staff of the same gender as the juvenile offender. Clothed body searches will be conducted using a pat down search outside the juvenile's clothing. The staff member must have had appropriate training in conducting clothed body searches. ()

04. Unclothed Body Searches. Unclothed body searches of juvenile offenders may only be conducted by a medical health professional and with prior written authorization from the program director or designee. Unclothed body searches must be conducted with an adult in the room, in addition to the medical health professional, who is of the same gender as the juvenile offender being searched. Unclothed body searches must be based upon a reasonable belief that the juvenile is concealing contraband or signs of abuse. Immediately after conducting an unclothed body search the provider must notify the department's regional superintendent and the Quality Improvement Services Bureau. The Provider must complete an incident report according to the requirements of Section 156. ()

05. Body Cavity Searches. Body cavity searches of juvenile offenders may only be conducted in a medical facility outside of the Provider, by a medical health professional and with prior written authorization from the program director or designee. Body cavity searches of juveniles will not be performed by staff, interns, or volunteers under any circumstances. Looking into a juvenile's mouth, ears, or nose does not constitute a body cavity search. Body cavity searches must be based upon a reasonable belief that the juvenile is concealing contraband. Immediately after conducting a body cavity search, the Provider must notify the department's regional superintendent and the Quality Improvement Services Bureau. The Provider must complete an incident report according to the requirements of Section 156. ()

06. Documentation of Searches. All searches must be documented in terms of reason for the search, who conducted the search, what areas were searched, and what type of contraband was found, if any. If a search yields contraband, the juvenile services coordinator must be notified and the incident reported according to Section 156. If necessary, the appropriate law enforcement agency should be notified. ()

07. Contraband Disposal. All contraband found in the possession of juvenile offenders, visitors, or staff must be confiscated by staff and secured under lock and key in an area inaccessible to juvenile offenders. Local law enforcement must be notified in the event illegal drugs, paraphernalia, or weapons are found. It is the responsibility of the program director, in consultation with the Department, to dispose of all contraband not confiscated by police. ()

145. RELIGIOUS SERVICES.

The Provider must ensure that attendance at religious services is voluntary. No juvenile offender is required to attend religious services, and no juvenile offender may be penalized for not attending nor given privileges for certain attendance. The Provider's staff schedule must not encourage or discourage participation in general or specific religious services or activities. ()

01. Voluntary Practice. All juvenile offenders must be provided the opportunity to voluntarily practice their respective religions in a manner and to the extent that will not compromise the safety, security, emotional, or physical well-being of the juvenile offenders in the program. ()

02. Attendance. Juvenile offenders may be permitted to attend religious services of their choice in the community, as long as community safety is ensured. ()

03. Transportation. Programs must, when reasonably possible, arrange transportation for those juvenile offenders who desire to take part in religious activities of their choice in the community. ()

04. Risk to Community. If the juvenile offender cannot attend religious services in the community because staff has determined that the juvenile is an escape risk, or otherwise presents a risk to the safety of the community, the Provider must make reasonable efforts to ensure that the juvenile offender has the opportunity to participate in religious services of the juvenile's choice at the program. ()

05. Visits. Juvenile offenders must be permitted to receive visits from representatives of their respective faiths. ()

146. DRUG SCREENS OF JUVENILE OFFENDERS.

Drug screens may be done randomly or on an as needed basis, at the Provider's expense, with the approval of the Provider's program director. A record must be kept of all drug screens and results with positive drug screenings immediately reported to the juvenile services coordinator. ()

147. – 149. (RESERVED)

150. EMPLOYMENT OF JUVENILE OFFENDERS.

01. Employment. If juvenile employment away from the program site is a part of the program, written policy and procedure must provide that program resources and staff time are devoted to helping employable juvenile offenders locate employment. Programs must ensure that each employment opportunity meets all legal and regulatory requirements for juvenile employment. The juvenile offender's employer must be consulted at least twice monthly by the Provider concerning the juvenile offender's work abilities and performance on the job site. Additionally, the Provider must perform checks on the job-site at least monthly to ensure the juvenile offender is working under acceptable conditions. Under no circumstances should staff or the families of staff benefit financially, or otherwise, from work done by juvenile offenders in the program. ()

02. Employment Opportunities. Every reasonable effort must be made to select employment opportunities that are consistent with the individual interests of the juvenile offender to be employed. Preference will be given to jobs that are related to prior training, work experience, or institutional training, and may be suitable for continuing post-release employment. ()

151. COMMUNITY SERVICES AND RESTITUTION.

01. Community Service. Juvenile offenders may have court-ordered community service hours. The Provider must obtain prior approval from the juvenile probation officer to complete any court-ordered community service hours while at the Provider. The Provider will document approved community service hours and report the accumulation of completed hours in the juvenile offender's progress report. ()

02. Court Ordered Restitution. The Provider must work with the juvenile probation officer and juvenile services coordinator to determine the amount of restitution owed. The Provider must create a plan for the juvenile offender to submit a portion of a juvenile offender's personal funds or earned income for the payment. When juvenile personal funds are available, the Provider will submit payment to the county until the restitution amount is satisfied. Documentation of the payment is provided to the juvenile services coordinator. ()

03. Restitution for Program Damages. Monetary restitution may only be sought through a court order when a juvenile offender has damaged or destroyed property, or has caused or attempted to cause injury to other juvenile offenders or staff. The Provider must not access the juvenile offender's personal funds for program damages. Restitution for damages must begin with a plan for repair by the juvenile offender. ()

These services must be clearly identified and described within the program description. ()

g. Juvenile offenders must always be aware of the status of their progress within the program and what remains to be done to complete the program. Providers must assure that the basic norms and expectations of the program, including any points, levels, or phases that are a fundamental part of a program, are clearly presented to the juvenile offender and that they are understood. 155. PLANNING FOR RELEASE OR TRANSFER.

01. Aftercare Planning. Programs must promote continuity in programming and services for juvenile offenders after they leave the program by assuring that essential information is forwarded to those agencies that may be providing services to the juvenile offenders, and working closely with Department staff throughout placement to plan for reintegration. ()

02. Approval. Reintegration, by release from Department custody or transfer, must not take place without the involvement of the Department's assigned juvenile services coordinator, and the written approval of the regional clinical supervisor and regional superintendent. ()

03. Department Concurrence. The Provider must arrange for the transportation and provide the supervision required for any usage of community recreational resources. No juvenile offender may be required to pay to participate in recreational activities made available through the program. ()

Each progress report should also detail the level of involvement of the parent or guardian in the juvenile's treatment. ()

08. Relapse Prevention Plan. Prior to completing the program, the Provider shall supply the juvenile with the relapse prevention plan form (DJC-271) provided by the Department. The plan must address areas of risk identified in the juvenile's service implementation plan, as well as interventions the juvenile will use to prevent future problems. While in treatment, the Provider will solicit feedback from the juvenile services coordinator every thirty (30) calendar days regarding the development of the juvenile's relapse prevention plan. The final relapse prevention plan is due to the juvenile services coordinator, or designee, no earlier than the date of the juvenile offender's reintegration staffing. ()

09. Final Progress Report. ()

222. INDIVIDUAL COMMUNITY PASSES.

Prior to granting any individual community pass to a juvenile offender, the Provider must contact the juvenile probation officer and the juvenile services coordinator, to ensure that neither the court nor the Department has placed restrictions on the juvenile offender's pass privileges. All requests for passes must be approved by the juvenile services coordinator. Any pass involving an overnight stay away from the facility, or involving special circumstances such as a sexual abuse victim in the home, requires a written plan detailing supervision and safety measures to be taken, an itinerary for the visit, transportation plan, and must be approved in writing five (5) business days in advance by the juvenile services coordinator. Each time a juvenile offender leaves on and returns from an individual community pass, the Provider must notify the juvenile correctional center in Nampa of this movement, promptly at the time that the juvenile offender leaves and returns. ()

01. Potential Risk to Public Safety. Individual passes for juvenile offenders assigned to residential facilities should be considered as an integral part of the service implementation plan. However, in all cases, the potential risk to public safety and adequacy of home supervision must be considered prior to allowing a juvenile offender to return home. It is also important that passes not interfere with the ongoing treatment and supervision needed by juvenile offenders. Providers must provide parents or guardians with clearly written guidelines for approved passes, which must be signed by parents or guardians indicating their understanding and willingness to comply with those guidelines. The Department's pass form may be used for this purpose. If the Department's form is not used, the form signed and agreed to by the individual assuming responsibility for supervision must contain at least the following information: ()

- iv. Possession of any kind of firearm or weapon; and ()
- v. Any violation of the terms of probation. ()
- h.** Specific stipulations about search and drug testing upon return, and the possible consequences for violation of any of the terms of the pass agreement. ()

02. Eligibility. A juvenile offender must be in placement a minimum of thirty (30) calendar days to be eligible for any pass. Any exceptions due to extenuating circumstances must be approved by the juvenile services coordinator. ()

03. Frequency. Frequency of passes must be consistent with the terms of the juvenile offender's service implementation plan and Provider's contract with the Department. ()

04. Documentation. Documentation of the exact date and time of the juvenile offender's departure from the program for a pass, and return, must be maintained along with complete information about the individual assuming physical custody, transportation, and supervision during the pass. ()

223. GROUP ACTIVITIES OFF FACILITY GROUNDS.

An activity plan and itinerary covering activities to be engaged in, when and where the group is going, how they will travel, how long they will stay, and why the activity is being planned must be submitted to the juvenile services coordinator at least five (5) business days prior to the activity. The activity plan must identify the specific risk elements associated with the activity and provide a safety plan for each of those risk elements. Routine, low risk activities within the local community adjacent to the facility do not require prior notice, and are to be conducted at the discretion of and under the responsibility of the Provider. ()

01. Recreational Activities. A pass authorizing the participation of juvenile offenders in outdoor recreational or work activities with an increased risk, such as overnight trips, must be signed by the juvenile services coordinator and juvenile probation officer prior to the activity. Any proposed activity that involves horseback riding, boating, rappelling, rock climbing, or higher risk activity must also have the prior approval, in writing, of the Department's regional superintendent. ()

02. Staff Requirements. ()

a. A basic first aid kit will be taken with the group. At least one (1) person certified in first aid and CPR must accompany the group. ()

b. Swimming, boating, or rafting will only be allowed when a staff in attendance has certification in rescue and water safety, or if a lifeguard is on duty. All juvenile offenders involved in boating or rafting activities must wear an approved personal flotation device. ()

c. A staff to juvenile offender ratio of one to six (1:6) will be adhered to as a minimum unless there is a reason to require more staff. The risk level of the activity, as well as any physical disabilities, high client irresponsibility, mental deficiencies, or inclusion of groups of juvenile offenders under age twelve (12), are some reasons to consider additional staff. ()

d. All participants will be recorded in the activity plan and identified as program clients, staff, or volunteers. The individual staff or volunteer satisfying the above first aid and CPR requirements must be identified in the plan. ()

e. There will be no consumption of alcoholic beverages or illicit drugs by staff or juvenile offenders, interns, or volunteers while engaged in any agency-sponsored trip or activity. ()

03. Consent Forms. Recreational activities identified as presenting a higher risk require prior written approval in accordance with Subsection 223.01 of these rules. Each juvenile offender must have prior written consent from a parent or guardian, if available, and the Department's regional superintendent, including: ()

a. Permission for the juvenile offender's participation; ()

b. Acknowledgment of planned activities; and ()

c. Permission for the Provider to seek or administer necessary medical attention in an emergency. ()

04. Activity Reports. At the conclusion of each overnight or high risk recreational activity pass, the Provider must document in the juvenile offender's file and include in the progress report, any significant positive or negative events that transpired while the juvenile offender was on pass. Any unusual occurrences must be reported to the juvenile services coordinator and documented on an incident report as identified in Subchapter A. A drug screening urinalysis may be conducted on each returning juvenile offender, at the expense of the Provider, and the results of that exam reported to the juvenile services coordinator. ()

224. EDUCATION SERVICES.

01. Appropriate Services. The Provider must ensure that each juvenile offender is given appropriate educational and vocational services that are consistent with the juvenile offender's abilities and needs, taking into consideration age, level of functioning, and any educational requirements specified by state or federal law. Providers must assure that educational services provided as a part of an overall program play an integral part in the process of reclaiming juvenile offenders to responsible roles in society. Educational services must strive to facilitate positive behavior change by helping juvenile offenders to develop abilities in academic, workplace, and technological areas; to restructure harmful or limiting cognitive patterns; and, to adopt appropriate social interactions skills. Educational services provided must use whatever combination of approaches and motivations that will best facilitate the learning process in conjunction with the service implementation plan. All educational services provided must meet all mandates of the Elementary Secondary Education Act (ESEA), the IDEA, the Family Educational Rights and Privacy Act (FERPA), and the Rehabilitation Act of 1973 (Section 504). ()

02. Mandatory Enrollment. Providers must ensure that all juvenile offenders involved in their programs who are of mandatory school age in the applicable state, or who have not yet obtained a General Educational Development (GED) or high school diploma, are enrolled in a school system or in a program approved and certified by the applicable state's Department of Education to provide both special education and other services. For those who have obtained a GED or high school diploma, an appropriate educational and vocational service must be provided in accordance with the service implementation plan. ()

03. Cooperative Relationships. Providers may provide educational services through a cooperative agreement with the local education agency or through an in-house educational program administered by the Provider. If a local education agency provides the services, it is expected that the Provider will have a written agreement with a local education agency that clearly defines the services that will be provided in the contract facility. The written agreement must include, at a minimum, all of the following: ()

a. Level of participation in reintegration planning for each juvenile offender; ()

b. That grades will be submitted to the Department within two (2) business days of transfer or release from Department custody; ()

c. Curriculum for special education services, if appropriate; ()

d. A plan for the provision of state required testing; and ()

e. Types of services that will be provided beyond the established limits of the regular school year for that school district. ()

04. Costs of Educational Services. If a local education agency agreement is developed, the Idaho Department of Education will flow education funds to the local education agency in a manner consistent with current legislative funding mandates. A copy of the memorandum of understanding between the Provider and the local education agency must be provided to the Department, and the source of funds to cover the costs for educational services clearly accounted for in the budget. If the Provider elects to provide the services in-house, the cost of educational services will be included in the daily contract rate. The Provider will not be eligible to receive educational funding through both of these sources. ()

05. Accreditation Requirements. Each Provider serving juvenile offenders, who have been committed to the Department, will have, or contract with, an education program that will meet the accreditation standards of a Department-approved accreditation agency or the applicable state's Department of Education. ()

06. Educational Assessment. Federal and state laws mandate that juvenile offenders be provided with an appropriate education. Providers are responsible for providing an educational track that will best serve the needs of each juvenile offender, as determined by the assessment provided by the Department through the observation and assessment process, or as determined by an assessment completed by a local school district. A copy of the relevant assessment and related current and valid education plan, as well as all supporting documentation for each juvenile offender, must be maintained in a separate file and be available to the Department and to the Idaho Department of Education. A copy of the IEP and all supporting documentation must be sent to the Department within ten (10) business days or less of its completion for inclusion in the juvenile offender's permanent school records that are maintained by the Department. ()

a. Providers are responsible for ongoing, yearly reassessment of each juvenile offender's progress within the education program as well as documenting and reporting that progress. This responsibility extends to completing a reassessment just prior to release from Department custody or transfer, and reporting academic gain both for individual juvenile offenders as well as composite data for the education program overall. ()

b. Consistent with statewide educational standards, Providers are responsible for assuring that each juvenile offender is tested in accordance with the applicable state's assessment schedule and all required measures. Any fees associated with the testing services are paid by the Provider. Results of testing must be submitted to the Department within ten (10) business days after the Provider's receipt of the scores. ()

07. GED Eligibility. Providers must assure that GED tests are administered to juvenile offenders meeting the criteria established in the administrative rules of the applicable state's Board of Education for school districts. All GED testing application fees will be paid by the Provider. Test results must be submitted to the Department within ten (10) business days after the receipt of the scores. ()

08. Special Education Services. ()

a. The Provider must ensure that the special educational needs of juvenile offenders are addressed. The Provider's in-house program or cooperating local education agency program must comply with Section 504 and the IDEA, as well as any other applicable state or federal laws. Under no circumstances will the Provider or its teaching staff make modifications in the juvenile offender's Section 504 or the IDEA educational program without conducting a Child Study Team meeting in consultation with the Department's educational coordinator, or designee. ()

b. Providers must make every reasonable effort and thoroughly document all efforts to contact parents or guardians of juvenile offenders identified as eligible for special education. If it is not possible to involve the natural parents or guardians, a surrogate parent must be appointed by the agency providing special educational services. This surrogate cannot be the director or other employee of an agency, institution, or community-based residential facility who is involved in providing care or education to a juvenile offender, or an employee of a state agency or agency volunteer, such as caseworker, social worker, or court-appointed special advocate who has been appointed by the

state to provide for the welfare of the student. A surrogate parent is used only for special educational requirements and has no other legal authority. ()

09. Standards for Instructional Time. Providers must assure that the school day is consistent with at least the minimum standard established for high schools by a Department-approved accreditation agency. The length of the school day will further meet all requirements established by state and federal laws, regulations, and accreditation standards. Providers must provide an appropriate educational or vocational program for each juvenile offender for twelve (12) months of the year. At a minimum, this involves four (4) hours per day, five (5) days per week throughout the full calendar year. Juvenile offenders involved in any disciplinary process must not be denied their right to education and other related services. If security or other related concerns are present that may prohibit a juvenile offender's participation in educational programming, an education plan review will be completed and documented in an incident report. If the juvenile offender is eligible for services under the IDEA or Section 504, a Child Study Team will meet to make a determination as to whether or not the behavior is a result of the juvenile offender's handicap. All due process procedures will be followed according to the administrative rules for special education. ()

10. Educational Records and Confidentiality. ()

a. Educational records must be maintained by the Provider at all times in accordance with FERPA with, at a minimum, the following information included in the record: ()

i. Subjects taken; ()

ii. Grades by subject and explanation of the grading system; ()

iii. Units of credit with explanation; ()

iv. Attendance records; and ()

v. Any standardized test scores. ()

b. Reports of the juvenile offender's educational progress (report cards) must be provided to the Department within ten (10) business days after the end of the school's grading periods (midterm, semester, trimester, etc.). ()

c. Providers must ensure that juvenile offender educational files are consistently maintained to ensure compliance with FERPA. ()

d. The Provider will provide final withdrawal grades and credits within twenty-four (24) hours or next business day after the juvenile offender is released from Department custody or transferred. The Provider must notify the Department that the final grades have been entered into the software program. Working educational files must be returned to the Department within ten (10) business days of the juvenile offender's release from Department custody or transfer. ()

225. PROVISION OF MEDICAL SERVICES.

01. Medical Care. Each juvenile offender must be provided with medical, dental, optical, mental health, emergency or any other related health services while in the Provider's care. Each Provider must have access, on a twenty-four (24) hour basis, to a licensed general hospital, clinic or physician, psychiatrist, and dentist to provide juvenile offenders with professional and qualified physical or mental health services, including medications. Medical and mental health screenings must be provided within two (2) hours of a juvenile offender's admission to a program. Comprehensive and professional medical and mental health assessments must be provided by the Provider within thirty (30) calendar days of admission, unless these are provided by the Department. A copy of these assessments must be forwarded to the Department's regional R.N. ()

02. Medical Consent. As part of the admission process, the Provider must have a copy of the Department's Release of Information and Consent form signed by a juvenile offender's parent, guardian, or

committing authority. The consent form must be filed in the juvenile offender's medical file maintained by the Provider. ()

03. Emergency Medical Treatment. In cases of emergency medical treatment requiring signed authorization for juveniles in the custody of the Department, reasonable efforts must be made to obtain the consent of the parent or guardian. The signature of only one (1) parent or guardian is sufficient to form consent or authorization. Should the parent or guardian not be available or refuse to sign, the authorization may be signed by the Department's regional R.N., or designee. This does not restrict the Provider from taking action in life and death situations. ()

04. Reimbursement Sources. The Provider must utilize private insurance or Medicaid, if available, for funding medical, dental, optical, mental health, or related services, and pharmaceutical products for any juvenile offender. The Provider cannot seek reimbursement from private insurance or Medicaid for health services that are the fiscal responsibility of the Provider pursuant to its contract with the Department. Any health services not listed in these rules, other than emergency treatment, which was not approved in advance by the Department's regional R.N., or designee, will be at the expense of the Provider. ()

226. ADMISSION AND ANNUAL HEALTH SERVICES AND TREATMENT RECORDS.

01. Compliance with Child Care Licensing Rules. Admission and annual health services must be provided to juvenile offenders in accordance with the child-care licensing rules of the Idaho Department of Health and Welfare, unless otherwise provided in these rules. ()

02. Prior Approval. No prior approval or review from the Department's regional R.N. is required for admission and annual health services. Examples of admission and annual health services for which no prior approval or review is required are: ()

- b. Admission dental exams, including x-rays and cleanings (no panoramic x-rays or sealants); ()
- c. Admission eye exams and glasses, if needed; ()
- d. Annual physical exams, including STD exams and treatment; ()
- e. Annual dental exams with x-rays and cleanings (no panoramic x-rays or sealants); and ()
- f. Annual eye exams, if needed, and new glasses, only if needed. ()

03. Medical Records. Any time a juvenile offender receives treatment under this section or for any similar service, the Provider must retain the original medical record regarding treatment and immediately send a copy to the Department's regional R.N. ()

227. PRIVACY OF MEDICAL RECORDS AND INFORMATION.

01. Confidentiality. Confidentiality of personal health information of each juvenile offender must be maintained in accordance with the Privacy Regulations promulgated under HIPAA or, if more stringent, the laws of the applicable state. Compliance with these regulations is the responsibility of the Provider. Staff may be provided information about a juvenile offender's medical condition only when that knowledge is necessary for the performance of their job duties. ()

02. Privacy Officer. The Provider must appoint a privacy officer to oversee that the control and maintenance of all juvenile offender health and medical records is in compliance with the federal Privacy Regulations, 45 Code of Federal Regulations Sections 160 and 164. ()

03. Separate Records. All juvenile offender medical and health records must be kept in files that are

physically separated from other juvenile offender files and information, and under a system of security against unauthorized access. ()

228. NOTIFICATION OF CRITICAL HEALTH INCIDENTS.

The Provider must immediately report critical medical and mental health incidents according to Subchapter A of these rules. ()

229. INFECTIOUS DISEASES.

01. Policies. ()

a. The Provider must establish policies and procedures for serving juvenile offenders with infectious diseases such as tuberculosis, hepatitis, and HIV or AIDS. These policies and procedures should address the management of infectious diseases, provide an orientation for new staff and juvenile offenders concerning the diseases, and ongoing education for staff and juvenile offenders regarding these diseases. Policies and procedures should be updated as new information becomes available. Individual health information or counseling will be made available by a medical health professional for juvenile offenders diagnosed with an infectious disease. ()

b. The Provider must comply with the child-care licensing rules of the Idaho Department of Health and Welfare, or applicable state's licensing authority, regarding universal precautions. ()

02. HIV Testing. In accordance with law, a juvenile offender over age fourteen (14) may request to be tested for the presence of HIV. Any such juvenile offender requesting to be tested should be taken to a public health facility or, if available, a facility which accepts Medicaid reimbursement for administration of the test. ()

03. Examinations. Examinations must be performed by medical professionals on any juvenile offender for all symptomatic cases of infectious diseases such as tuberculosis, ova and parasites, infectious hepatitis, and sexually transmitted diseases. Juvenile offenders will be tested and, if indicated, treated. ()

04. Notifications. The Provider must notify the Department's regional R.N. within three (3) business days of any positive test results, treatment recommendations, and follow up care. ()

230. PREGNANCY.

01. Individual Medical Plan. Within the individual medical plan, specific goals and objectives will be developed when a pregnancy has been diagnosed. The plan must be based on the orders of the juvenile offender's licensed healthcare provider and include special care, location for delivery, a plan for infant care after delivery, regular medical check-ups, and special dietary and recreational needs. At no time may the infant remain in the Provider's facility. A copy of the individual medical plan will be sent to the Department's regional R.N. ()

02. Parenting Classes. Parenting classes must be an integral part of the individual medical plan for all pregnant female juvenile offenders. This service should also be offered as a priority to male juvenile offenders in Department custody who are already fathers or whose spouse or girlfriend is expecting a child. ()

03. Medicaid Reimbursement. Medical services relating to pregnancy must be provided by a licensed healthcare provider and facility accepting Medicaid reimbursement, unless medical expenses are paid by the juvenile offender's family. ()

231. REFUSAL OF TREATMENT.

Refusal of medications or treatment recommended by a physician for three (3) consecutive days requires immediate notification to the Department's regional R.N. according to Subchapter A of these rules. ()

01. Refusal of Recommended Treatment by Physician. If a juvenile offender chooses to refuse treatment or medication recommended by a physician, the juvenile offender must sign a detailed statement refusing this care. A Provider staff member must witness the juvenile offender's signature. This refusal form will be filed in the juvenile offender's medical record and a copy sent to the Department's regional R.N. within twenty-four (24) hours. ()

02. Where Refusal Poses Significant Risk. If a juvenile offender refuses a treatment or medication for a condition that poses a significant risk of death or permanent physical impairment, the Provider must ensure the juvenile receives immediate medical attention. The Provider will notify the Department's regional R.N. by phone as soon as possible. ()

232. USE OF MEDICATIONS.

01. Written Policy. The Provider must have written policies and procedures governing the use and administration of medication to juvenile offenders that conform to all applicable laws and regulations including, but not limited to, those of the Idaho Department of Health and Welfare or the applicable state's licensing authority. ()

The Provider shall cooperate with the Department's review, and provide access to the facility and all juvenile records for juveniles in Department custody, as deemed necessary by the Department. However, in order to more fully assess the operation of the program, aggregate data and information for all juveniles must be made available, upon request. ()

02. Site Visit. If the juvenile offender is living independently, the juvenile services coordinator, or designee, shall conduct site visits of the residence prior to occupancy. ()

304. CLOTHING AND PERSONAL ITEMS.

The Provider must ensure that the juvenile offender has sufficient clothing. The Provider shall not require the juvenile offender to purchase clothing with the juvenile's personal funds unless the purchase is above and beyond the basic requirements of the Provider. Any clothing purchased with the juvenile offender's personal funds must be

documented. The Provider will ensure the juvenile is provided education and resources needed for proper care and cleaning of clothing in the juvenile offender's possession. All clothing and incidentals become the property of the juvenile offender upon release. ()

305. FOOD SERVICE.

The Provider must ensure that the juvenile has sufficient food at all times. The Provider may not require the juvenile offender to purchase food with the juvenile's personal funds unless the purchase is above and beyond the basic requirements of the Provider. iii. Access to juvenile offender personal funds is limited to the Program Director, or designee. ()

c. Upon the juvenile offender's personal funds exceeding one hundred (100) dollars, the reintegration Provider will assist the juvenile offender in opening an account in the juvenile's name at a public banking institution. Supported living Providers are required to deposit all personal funds collected for the juvenile offender in a public banking institution in an account in the juvenile's name. ()

d. The Provider must ensure that the juvenile offender saves at least thirty percent (30%) of income to be used at program completion for purchasing the resources for independent living and employment. ()

If a juvenile offender is transferred to another program, the balance of the juvenile offender's locally secured funds must be given or mailed to the Department's fiscal services within ten (10) business days and documented on the Provider Juvenile Check-Out Form (DJC-180) supplied by the Department, and on the final progress report. ()

307. JUVENILE OFFENDER MAIL.

01. Restrictions. Juvenile offenders must be allowed to send and receive letters from approved persons, which may include persons in other programs or institutions, unless specifically prohibited by the Department or by court order. All other restrictions of mail must be discussed with the community treatment team, approved in writing by the juvenile services coordinator, and documented in the juvenile offender's service implementation plan. There must be no general restrictions on the number of letters written, the length of any letter, or the language in which a letter may be written. Juvenile offenders will be provided with sufficient stationery, envelopes, and postage for all legal and official correspondence. ()

02. Reading of Letters. Routine reading of letters by staff is prohibited. The Department or court may determine that reading of a juvenile offender's mail is in the best interest of the juvenile offender, and is necessary to maintain security, order, or program integrity. However, such reading of mail must be documented and, unless court ordered, must be specifically justified and approved by the juvenile services coordinator. ()

03. Privileged Mail. Under no circumstances shall a juvenile offender's privileged mail be read. ()

308. VISITATION.

01. Visitation Policy. The Provider must develop a written policy governing visitation, which protects the safety of visitors, staff, and juvenile offenders. This policy may restrict visitation to the residence of visitors below an established age or provide for higher levels of supervision in circumstances where safety of visitors, staff, and juvenile offenders may be at risk. The Provider must provide a copy of the visitation policy to each juvenile offender, his parent or guardian, and the juvenile services coordinator. In all cases, the Provider will work with the juvenile services coordinator and juvenile probation officer to identify and approve potential visitors in accordance with the Provider's criteria. ()

02. Visitor Admission. If there is reason to believe a visitor is under the influence of alcohol or drugs or possesses illegal contraband, admission into the residence must be denied. Visitors who bring in items that are unauthorized, but not illegal, must either be denied admission into the program or residence or have these items taken and locked in an area inaccessible to the juvenile offenders during the visit. These items will be returned to the visitors upon their exit from the program or residence. All visitors denied access to the program or residence, and the reason for their denial, must be documented. ()

309. GUIDELINES FOR SPECIFIC SERVICES.

310. CASE MANAGEMENT REPORTING REQUIREMENTS.

Each juvenile offender's progress or lack of progress must be clearly documented and be related to documented behavior. Recommendations for release from Department custody or transfer should be substantiated by a documented pattern of behavioral change over a period of time. Recommendations for transfer to a higher level of custody must be substantiated by a documented lack of progress over time, or by a serious or violent incident, which threatens the safety of others or the stability of the overall program. ()

01. Service Implementation Plan. Within ten (10) business days of the juvenile offender's admission into the program, a written service implementation plan must be developed. A written progress report must be submitted to the juvenile services coordinator and any designees at least every month, and include current bank statements and reconciled monthly budget. The progress report should focus on areas of positive change in behavior and attitudes, as well as on the factors required for a successful program completion (progress in community protection, competency development, and accountability). Each progress report should also note any changes or further development of the service implementation plan and should detail the level of involvement of the parent or guardian in the juvenile's treatment. ()

07. Relapse Prevention Plan. The Provider will receive a working copy of the juvenile offender's relapse prevention plan from the Department. The Provider must work with the juvenile to continue developing the relapse prevention plan provided, as the juvenile experiences increased exposure to the community.
