WHEREAS, the White House has recently reported that several Idaho counties are in the "Red Zone" for COVID-19 due to a high rate of new cases per 100,000 and a test positivity rate above 10 percent, including some of Idaho's most populous counties; and

WHEREAS, the COVID-19 pandemic has significantly decreased the availability of possible polling locations and willingness of poll workers to serve on Election Day; and

WHEREAS, I am informed by the Secretary of State that on average approximately 4,000 poll workers help carry out the general election and that the median age of those poll workers is 70 years old; and

WHEREAS, I am informed by the Secretary of State that over half of those who customarily serve as poll workers do not plan to do so for the 2020 general election; and

WHEREAS, I am informed by the Secretary of State that an unprecedented number of Idahoans will vote absentee in this year's general election, which will require those ballots to be processed and counted by the county clerks' offices while simultaneously preparing for and operate polling places for in person voting on Election Day; and

WHEREAS, there is an urgent need to address and ensure the privacy, integrity and security of Idaho's election process; and

WHEREAS, the existence of COVID-19 in Idaho and in the United States has significantly harmed Idaho's economy, caused the loss of many Idaho jobs, and caused our schools, universities, and other institutions to temporarily close; and

WHEREAS, the United States and the State of Idaho have enacted numerous laws and programs to help workers, professional educators, businesses, health care workers, patients, and citizens respond to and recover from the negative impacts caused by COVID-19; and

WHEREAS, safely reopening Idaho's economy is crucial to Idaho's recovery from the COVID-19 pandemic and will enable Idaho's workers to get back to work and Idaho's students to get back to school; and

WHEREAS, the COVID-19 pandemic has created unprecedented uncertainty as to liability due to the existence and spread of COVID-19 in Idaho; and

WHEREAS, small and large businesses, schools, colleges and universities, and religious, philanthropic and other non-profit institutions confront the risk of litigation accruing them of negligently exposing employees, customers, students, and worshippers to coronavirus. Health care workers face the threat of lawsuits arising from their efforts to fight the virus; and

WHEREAS, establishing temporary and consistent standards to govern liability for certain tort claims related to COVID-19 will help Idaho's economy recover in a safe and prudent manner and will encourage planning, care, and appropriate risk management by small and large businesses, schools, colleges and universities, religious, philanthropic and other non-profit institutions, and health care providers; and

WHEREAS, the standards set by this special session must be carefully tailored to the crisis caused by the COVID-19 pandemic and extend no further than necessary to meet this unique crisis. Those who do not act in good faith to respond safely to the COVID-19 pandemic should not be immune from liability; and

HOUSE RESOLUTION NO. 1
BY STATE AFFAIRS COMMITTEE
A HOUSE RESOLUTION
STATING FINDINGS OF THE HOUSE OF REPRESENTATIVES AND URGING THE GOVERNOR TO TAKE CERTAIN ACTIONS WITH RESPECT TO THE NOVEMBER 2020 ELECTION.

Be It Resolved by the House of Representatives of the State of Idaho:

WHEREAS, the Governor of the State of Idaho issued a proclamation on March 13, 2020, declaring a state of emergency due to the presence in Idaho of the contagious disease known as the novel coronavirus or COVID-19 that presents a risk to the public health and safety; and
WHEREAS, on March 25, 2020, Governor Little amended his previous proclamation to declare a state of extreme emergency; and
WHEREAS, on April 1, 2020, Governor Little amended his previous proclamations to address the dilemma of holding a primary and consolidated election during a pandemic, finding that many poll workers are older individuals considered at high risk for severe adverse health conditions or even death from COVID-19 and are therefore unwilling to serve any longer as poll workers; and
WHEREAS, the number of Idahoans testing positive for COVID-19 and the number of related deaths has greatly increased since Governor Little's April 1, 2020, proclamation, and the state of emergency has been extended several times by Governor Little and continues to this day; and
WHEREAS, on August 19, 2020, Governor Little issued a proclamation calling the Legislature into extraordinary session to address certain issues arising from the COVID-19 pandemic, noting that "citizen participation in elections by voting is essential to our republic"; and
WHEREAS, the provisions of Section 46-1008, Idaho Code, authorize the Governor to reallocate state resources to address an emergency; and
WHEREAS, the State of Idaho has received federal funding as a result of the state of emergency and declaration of disaster in Idaho, including CARES Act funding.

NOW, THEREFORE, BE IT RESOLVED by the members of the House of Representatives, assembled in the First Extraordinary Session of the Sixty-fifth Idaho Legislature, that we urge the Governor of the State of Idaho to take all necessary steps to procure a sufficient number of poll workers for the November 2020 election, including working with the Secretary of State and county election officials to advertise for and train new poll workers and volunteers and, if necessary, activate the members of the National Guard to be trained and act as election poll workers across the State of Idaho.

BE IT FURTHER RESOLVED that we urge the Governor to consider applying CARES Act or other emergency federal funds toward providing bonuses or other additional incentives for attracting and recruiting new poll workers.

BE IT FURTHER RESOLVED that a copy of this resolution shall be transmitted to the Governor of the State of Idaho and to the Idaho Secretary of State.

HOUSE CONCURRENT RESOLUTION NO. 1
BY STATE AFFAIRS COMMITTEE
A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE AND DECLARING THE TERMINATION OF THE STATE OF DISASTER EMERGENCY IN IDAHO.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, on March 13, 2020, the Governor of the State of Idaho declared a state of emergency arising from the arrival in Idaho of the contagious disease known as novel coronavirus or COVID-19; and
WHEREAS, at that time, little was known of the methods of transmission and the effects of COVID-19, and the overriding concern was to contain the disease so as not to overwhelm the capacity and resources of the medical community in Idaho to treat afflicted patients; and
WHEREAS, as a result, the Governor caused a stay-home order to be issued in late March and early April and prepared a "Rebound Idaho" plan, a phased approach to opening the state back up; and
WHEREAS, over four months later, we now have a greater understanding of how to prevent the spread of this disease; and
WHEREAS, 43 of 44 counties have now progressed to Stage 4 of the Governor's Rebound Idaho plan to reopen the state, which is the final stage; and
WHEREAS, the Idaho Statesman reported on August 20, 2020, that the coronavirus positivity rate in Idaho has dropped for the fourth consecutive week; and
WHEREAS, the provisions of Section 46-1008, Idaho Code, state that "no state of disaster emergency may continue for longer than thirty (30) days unless the governor finds that it should be continued for another thirty (30) days or any part thereof" but does not provide for continual renewals; and
WHEREAS, even though the Governor has moved the handling of the COVID-19 response from a statewide to a local and regional approach, the Governor has continued to renew his declarations of a statewide emergency over the last four months, most recently in his Proclamation dated August 7, 2020; and
WHEREAS, in addition to devastating economic damage, the wide-scale shutdown has also caused extensive collateral harm to the physical and mental health of our citizens. Prolonged isolation has resulted in added mental health strain, increases in suicide rates, and depression from unemployment and a reduced standard of living. Delays in seeking medical diagnostic services and receiving needed treatments has also negatively affected the health of Idahoans; and
WHEREAS, an extraordinary session was called to address proposed voting centers and ballot handling issues due to the anticipated increased numbers of absentee ballots and to address
the "unprecedented uncertainty as to liability due to the existence and spread of COVID-19 in Idaho"; and

WHEREAS, the COVID-19 pandemic emergency disaster declaration has opened up the opportunity for the Legislature, in a special session, to change the election process and liability laws due to the Governor's proclamation claims on these topics; and

WHEREAS, the provisions of Section 46-1008, Idaho Code, state in part that "the legislature by concurrent resolution may terminate a state of disaster emergency at any time. Thereupon, the governor shall issue an executive order or proclamation ending the state of disaster emergency."

NOW, THEREFORE, BE IT RESOLVED by the members of the First Extraordinary Session of the Sixty-fifth Idaho Legislature, the House of Representatives and the Senate concurring therein, that there is no longer a need for a statewide emergency declaration, and the state of disaster emergency in Idaho is declared to be terminated as of the date of passage of this concurrent resolution.

BE IT FURTHER RESOLVED that a copy of this concurrent resolution shall be transmitted immediately upon passage to the Governor of the State of Idaho.

HR 1 and HCR 1 were introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.

8TH ORDER

SCOTT BEDKE, Speaker

ATTEST:
CARRIE MAULIN, Chief Clerk
purposes of the state to the legislature, I am enclosing a copy of my State of the State and Budget Address.

Sincerely,
/s/ Brad Little
Governor

The letter was ordered filed in the office of the Chief Clerk. The Governors State of the State and Budget Address is below:

* * * *

My fellow Idahoans, in the 245-year history of this great country of ours, Americans have been through triumphs and trials.

The dark events at the U.S. Capitol last week disturbed us. The violent acts of some overshadowed the peaceful acts of many. Former President George W. Bush aptly described the events as fitting of a "banana republic, not our democratic republic." The riots tarnished the shining values America stands for.

This is not who we are.

Hostility and violence are not an expression of your rights; they are a violation of everyone else's.

While we should be celebrating the openness of our government, a fence is being erected around the U.S. Capitol. I mourn the loss of life and the loss of access and what it means for future generations of Americans.

But I believe we the people have the power to form a more perfect union. How?

By condemning the upheaval, not defending or denying it.

By refusing to be intimidated by those who seek to destroy our country.

By redoubling our commitment to peaceful assembly and civil discourse - not just in the halls of the Capitol but in all areas of our lives.

In Idaho, we'll celebrate the centennial of our statehouse this year, a building known as "the Capitol of Light." What an appropriate time to let the light of democracy shine - today and for one hundred more years and beyond.

The openness of our political process in Idaho is demonstrated in the openness of this building. Let's keep it that way.

In preparing this speech, I looked back on my State of the State address last year.

I began by saying, "What a year!" We had just wrapped up a year of historic regulatory reforms, investments in education, and other shared achievements.

I think it's appropriate to repeat that remark again this year.

One year ago, a global pandemic was not on our radar. We've come a long way in our fight against the enemy virus, and with the arrival of a safe vaccine just a few weeks ago, the end of the battle is in sight. We're in the home stretch, and together we will finish strong.

I want to thank my wife and our First Lady, Teresa, for her unrelenting support for Idahoans during a very challenging year.
Teresa, you are a source of peace and strength for me and for the people of Idaho. I am proud of you and our entire family.

I also want to thank the Idaho Legislature for your work during the special session. Unlike many states, Idaho proactively addressed the safety and security of the general election and protected businesses, schools, and churches responsibly operating during the pandemic.

Sadly, we have lost over 1,500 of our fellow Idahoans to a new, dangerous, and deadly disease.

Thousands of Idahoans of all ages and health conditions have been hospitalized. Many friends and neighbors lost time at work and face long-term health problems. To the mothers and fathers, children, siblings, grandparents, and veterans impacted, our hearts are with you. Please join me in a moment of silence to remember our fellow Idahoans who lost their lives to COVID-19.

Throughout the pandemic, the women and men in scrubs have been nothing short of heroic. Idaho's nurses, doctors, and health care workers put their own safety on the line, pulling extra shifts to care for the influx of COVID-19 patients in our hospitals.

Idaho's hospitals continue to do an excellent job of sharing resources and shifting operations to prevent a crisis. They have also shared the reality of COVID-19. They are telling the stories of COVID-19 patients - the stories of people whose organs are shutting down from an aggressive disease; the stories of young, healthy people who ended up on life support; the stories of veterans who fought enemies overseas only to suffer from a new invisible enemy here in their community. They are telling the stories of exhausted doctors and nurses caring for patients who cannot be with their families.

The COVID-19 reality is heart breaking.

To Idaho's hospitals and health care workers, thank you.

The pandemic turned our work lives, social lives, and home lives upside down. It pushed our healthcare, education, and unemployment systems to new lengths. It divided Americans in our individual views on the severity of the disease and how we should respond to it.

But the pandemic also reminds us that in troubled times, we have choices. We can choose compassion over conflict.

Listening over lecturing.

Humanity over hostility.

These choices start with each one of us, individually, in our hearts. It is a concept that aligns perfectly with the fiercely independent and self-reliant spirit of the people of Idaho.

I choose to remember the historic year by the innumerable acts of kindness displayed by many Idahoans over the acts of aggression by a few.

From the beginning, my goal as Governor has been to make Idaho the place where we all can have the opportunity to thrive, where our children and grandchildren choose to stay, and for the ones who have left to choose to return.

That pursuit steered our pandemic response. Not one state or country in the world opted for the "no action" alternative. That approach would have ended in catastrophic loss of life and destructive consequences for our healthcare system and economy.

My North Star during this trying time has been to protect life and critical health care capacity while supporting faith, families, businesses, and students.

No other state prioritized support for businesses and the workforce as much as Idaho.

We assembled a team of business leaders from companies big and small to guide decisions on our economic rebound plan. We put more than $300 million toward grants and equipment for small businesses. We helped get workers back on the job. We lowered unemployment insurance taxes for nearly all Idaho businesses. We ensured public safety personnel had all the resources needed to protect our loved ones, while giving $126 million back to property taxpayers. And Idaho will benefit for years to come from the $50 million investment in broadband infrastructure to support remote working and learning and more economic opportunity in rural Idaho.

We all play a role in choosing to protect lives, our economy, and our kids' ability to continue learning in their classrooms. It is a responsibility shared by all of us.

But our state does play a role in times of an emergency.

We increased and expedited COVID-19 testing and took other steps to reduce exposure to a new disease.

We raised capacity at the state lab to more quickly turn around results from an increased number of tests administered in schools and long-term care facilities. We enabled pharmacists to administer testing and vaccinations.

Our staged economic rebound plan had one goal - to protect lives and prevent a crisis in our hospitals while the economy could move forward. Businesses and places of worship in Idaho have been open longer than almost every other state during the pandemic. The statewide public health orders, guidelines, and recommended protocols we made available are for each one of us to choose to follow so Idaho can stay open.

In order to protect lives, we needed to elevate healthcare capacity so we could all continue to access care.

To minimize the time COVID-19 patients spend in the hospital, we allocated new and effective treatments. To better protect residents of long-term care facilities, we designated COVID-only facilities and put millions toward testing of facility workers.

In the spring, Idahoans collectively slowed the spread of the disease while we worked to prepare our healthcare system. It worked. Hospitals, clinics, and first responders received more resources and staff to handle an influx of patients.

We cut red tape to expand access to more medical professionals. It worked. We licensed 1,100 more nursing professionals since last spring.

And we lifted regulations to expand telehealth access. It worked. The use of telehealth rose by 4,000-

percent, and Idahoans in all parts of the state could continue to access care from the safety of their homes. The pandemic opened the door to great advances in telehealth access. Let's work together to make those red tape cuts permanent!

I also activated the Idaho National Guard to increase health care capacity. The guardsmen are deployed across the state to help with testing, decontamination, and planning, and they're assisting with critical vaccine distribution. Our men and women
in the Guard are always prepared to serve, especially in a time of emergency. We are deeply grateful for their service.

Members of the seven public health boards made courageous decisions in the face of heated opposition.

They have my support. Mayors, county and city officials, and school board members also made very tough decisions. These local leaders labored late into the evening. They navigated new technologies to inform the public. They wrestled with decisions they knew would draw criticism. Thank you.

Unlike many other states, almost all Idaho school districts are delivering full or partial in-person instruction. For months, teachers and others have accommodated changes in the delivery of education under uncertain time frames. I join many in expressing my deep appreciation to those who are serving our students during these extraordinary circumstances.

To support our school officials, Idaho created a framework to guide local decision-making on safe school operations while emphasizing the importance for students to learn in the classroom with their teachers and classmates. We also made historic investments in education - bumping up funding by $300 million or 16-percent overall - to support students, teachers, families, and safety.

Parents continue to do much of the heavy lifting for their children's education during this once-in-a-lifetime pandemic. I know it isn't easy. I know at times it has felt impossible to balance work demands while facilitating online learning for your children at home. Many of you lost paychecks or left your jobs to be there for your children during this unprecedented time. Our $50 million "Strong Families, Strong Students" initiative supported many of these families by helping them access the technology and educational services required for successful at-home learning.

Like a tornado, 2020 was damaging and deadly.

But with the arrival of a safe vaccine just a few weeks ago, the dark clouds of the pandemic are starting to part.

There is an uplifting sense that we may be in the final lap of this race against COVID-19. The finish line is close, but the worst part of the pandemic may not be behind us. We cannot relent in our personal actions to protect everyone and everyone we hold dear, especially in the critical weeks and months ahead.

Adaptation, determination, and resilience define Idahoans.

As we reflect on a momentous year, we are more than ready to look ahead. The state of the state is strong.

To keep our children and grandchildren in Idaho, we must continue to lead the nation in economic prosperity.

I am not surprised that Idaho ranks first among states for economic momentum. Idaho ranks first for financial solvency and personal income growth.

Together, the Legislature and I laid the groundwork before the pandemic to rebound quickly during tough times, proving once again that conservative principles of governing bring opportunity for citizens during the highs and the lows.

A robust economy cannot exist with burdensome regulations on citizens and business. Part of the reason Idaho's economy is catapulting ahead of other states is because of the regulatory rollbacks we achieved together before and during the pandemic.

Together, the Legislature and our administration achieved historic regulatory cuts in my first year as Governor, making Idaho the least regulated state in the nation. For two straight years we've cut red tape. The people of Idaho can be assured that, together, their Governor and legislators will maintain a lean and efficient system of regulations in Idaho moving forward.

Simply put, fiscal conservatism and the collaboration between executive and legislative branches have positioned Idaho to emerge from the pandemic stronger than ever.

Together, before COVID-19, the Legislature and I were already preparing for an inevitable slowdown of Idaho's economy. We limited government spending, used conservative revenue forecasting, and maintained healthy rainy-day balances.

We took a lot of heat from some who could not wrap their heads around this basic conservative principle: the time to prepare for the bad times is in the good times.

Turns out we were right.

While other states face potential budget cuts of 20- to 40-percent and more, Idaho is in the enviable position of having a record budget surplus.

The sound decisions of Idaho leaders in the past have gotten us to where we are today.

Let's keep our state on this strong economic trajectory, together. Now is the time to make meaningful investments.

I am happy to announce my new plan to put more money back in the pockets of hardworking Idahoans and make strategic investments to propel our state even further ahead in prosperity.

My plan is called "Building Idaho's Future."

I am proposing more than $450 million in tax relief. This would be among the single largest tax cuts in Idaho history!

To get there, I'm proposing $295 million in one-time tax relief and $160 million in permanent tax cuts to boost Idahoans' prosperity while keeping our tax rates competitive and our business climate vibrant.

Curbing government spending and returning taxpayer dollars should be the perpetual mission of public servants. I look forward to working with my partners in the Legislature to get tax relief across the finish line for our citizens.

My plan also shores up millions more in cash payments for small business, on top of the $300 million we directed to small businesses last year. Small business is the backbone of our entire way of life.

We're able to achieve tax relief and continued support for small business in part because, together, we cut government spending early on.

My plan reinvests these savings into infrastructure projects with long-lasting value. With these investments, we will help preserve one of our citizens' most precious commodities: their time.

We won't be able to keep our children and grandchildren in Idaho if we cannot alleviate traffic congestion, especially as our state continues to attract newcomers fleeing dysfunctional states. No one wants to be stuck in traffic when they can spend time with their family.

My plan invests $126 million in state and local highway infrastructure projects and makes targeted investments in safe routes to schools, rail infrastructure, and community airports.
I am also proposing $80 million dollars in new ongoing transportation funding. A dependable transportation system is fundamental to commerce. In Idaho, we grow and process most of our commodities, and getting those products down the road in a timely fashion is critical. In all parts of the state, major transportation projects continue to get pushed out further and further.

One of the basic roles of government is to ensure a safe, connected system of roads and highways.

We cannot ignore a growing problem that steals Idahoan's time and threatens their safety and our economic prosperity.

We cannot delay any longer in executing a sustainable plan for transportation funding into the future. We cannot postpone securing a long-term funding source.

We must address the transportation needs for this generation and the next. We must act now.

The Legislature and I will work together on a sustainable transportation funding plan - one that blends both General Fund and reliable user fees to keep our economy driving forward!

Safe communities form a thriving Idaho. My plan also invests in the men and women of law enforcement.

It's never been a more difficult time to put on the uniform. These brave souls demonstrate great restraint in order to de-escalate intense situations. Their path to law enforcement stems from a true desire to serve and protect us. They are committed to implementing the best training and building strong relationships with the communities they serve.

My plan invests in the items necessary to support frontline personnel at the Idaho State Police - and training for our local frontline police officers.

While other places seek to defund the police, I am proud to say that Idaho DEFENDS the police. Idaho "backs the blue."

Another way we make Idaho safe is through a low crime rate. Our safety is maintained when those returning home from a period of incarceration can become productive citizens. Thanks to investments we made in our correctional system last year, Idaho is safer because fewer Idaho inmates are violating parole. My plan keeps

us on a path to save taxpayer resources by making strategic investments in overdue infrastructure needs in our criminal justice system so we can break the expensive revolving door of repeat offenders.

My "Building Idaho's Future" plan also invests in needed projects for agriculture and water infrastructure to aid in the economic vitality of rural Idaho.

In Idaho, agriculture remains a way of life. Last year, Idaho's farmers, ranchers and allied businesses met a crisis with increased productivity, as they have done for generations. Farmers gave Idahoan's faith that empty grocery store shelves were just a matter of timing and not an issue of true scarcity. Idaho agriculture continued to feed the state, the nation, and the world.

Agriculture - and our economic future - hinge on safe and dependable water sources. Water is truly the source of life. My plan makes $60 million in strategic investments in long-term water projects and safe water systems for our communities.

Let me return to my top priority - Idaho's children.

We need to continue to invest in an education system that gives the next generation of Idahoan's a solid foundation for lifelong learning and meaningful employment, here at home in Idaho.

The pandemic highlighted schools as the heart of our communities and the bedrock of a strong economy.

But with all the disruptions in education delivery over the past ten months, many of Idaho's students are experiencing a learning loss. For some students who were already on track, the learning loss could range a few months. But our needier students may have lost more than a year's worth of learning.

We must close the achievement gap.

To help, my "Building Idaho's Future" plan recommends investments in literacy - my highest priority in education.

We must ensure this school year is an anomaly - not a permanent system-wide flaw for Idaho's students in the next decade or more. We must make sure all young students are on track to read by the end of the third grade.

Our students are also Idaho's future workforce. My plan supports Idaho's higher education system as well as career technical education programs across Idaho that connect students with employers who need them and equip students with the skills they need while they earn a degree. Our kids need to know all career paths available to them.

For our kids to have a future in Idaho, they also need equal access to education. We must continue to make investments in internet connectivity.

Last year, a family in Kootenai County was struggling with distance learning. The family didn't have access to broadband so the two children had to use their mom's cell phone and data plan to complete their schoolwork. In Arimo, students struggled during the pandemic with equal access because they didn't have the internet speeds necessary for video conferencing. Now, thanks to our investments, these students have better learning opportunities. There are many more stories like these.

Simply put, broadband access is central to commerce, economic growth, and education. We've made major progress - from Aberdeen to Winchester - and my plan continues that momentum.

Beyond my "Building Idaho's Future" plan, I'm proposing a "no frills" budget for Fiscal Year 2022. My budget leaves a prudent surplus, bolsters rainy-day funds, and reflects my continued priority on education, including our valuable teachers.

My budget meets our historic commitment to teachers by fully implementing our $250 million investment in the career ladder.

To help in the ongoing pandemic response, my budget also bolsters Idaho's public health infrastructure. I'm recommending funds to increase nursing capacity and also to address the shortage of physicians across Idaho. I also propose putting more than 250-million dollars toward our homestretch efforts to finish the fight against COVID-19.

Idahoan's spent more time outdoors in the past year than perhaps ever before. The outdoors offers Idaho families a sense of release and fun. To further improve our quality of life and make Idaho the place where future generations can recreate outdoors, I'm also recommending we ramp up investments to promote healthy lands and reduce wildfire risk.
Activists are trying to rebrand wildfires as "climate fires" - a divisive, defeatist term that does not accurately capture the West's fire problem and dismisses the opportunity to do something about it.

Through collaborative initiatives such as the Good Neighbor Authority and Shared Stewardship, Idaho is focused on a solution - active land management.

Long gone are the days of no-action tactics that don't work to protect the land or livelihoods.

Idaho is actively mapping out the future of our forests, and your grandkids and mine will directly benefit from our actions today.

In Idaho, we believe government must be responsive to the people it serves. To ease citizen participation in their state government, I'm recommending the creation of a new one stop shop for Idahoans to access public meeting information for any state entity. State Controller Brandon Woolf - my partner in government transparency - will administer the new online resource for civic engagement. We will continue to stand up for good government.

The ongoing growth in the state budget, just 3.8 percent, is among the most conservative in years. Our commitment to conservative budgeting - and quick action during the pandemic - are the reasons Idaho is excelling while other states' economies and state budgets are pummeled. Let's continue to live within our means and make investments where they count.

I'll repeat: what a year we had.

My fellow Idahoans, the pandemic made us appreciate parts of life we took for granted, and I don't just mean the availability of toilet paper.

We learned not to take for granted time with family, our faith, and our freedom.

Despite all the differences of opinion, I know this: we are united in our love for Idaho and this great country of ours.

I am reminded of the timeless words of one of my heroes, President Ronald Reagan. He said, "The crisis we're facing today... does require... our best effort and our willingness to believe in ourselves and to believe in our capacity to perform great deeds, to believe that together, with God's help, we can and will resolve the problems which now confront us. And after all, why shouldn't we believe that?"

I believe history will remember Idahoans' tremendous outpouring of support for each other during the pandemic.

I want to thank the people of Idaho for their perseverance and the care they have shown others over the past ten months.

In times of hardship, opportunity for growth emerges.

As Idahoans, we must choose to come out of the pandemic stronger, more resilient, and more united than ever before.

God bless Idaho, and God bless the United States of America.

BY HEALTH AND WELFARE COMMITTEE

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND REQUESTING THAT THE DEPARTMENT OF INSURANCE CONSULT WITH INSURANCE INDUSTRY LEADERS TO DETERMINE HOW TO MAKE MEDICALLY NECESSARY PRESCRIPTION FORMULA AVAILABLE TO INFANTS AND CHILDREN IN IDAHO.
Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, sufficient nutrition is critical to child health and development; and

WHEREAS, many infants and children, due to health conditions, are unable to ingest, digest, absorb, or metabolize ordinary food or certain nutrients and therefore rely on medically necessary prescription formula to meet their dietary needs; and

WHEREAS, such health conditions include eosinophilic esophagitis, Crohn's disease, malnutrition or failure to thrive, seizure disorders requiring a ketogenic diet, and conditions that require tube feeding; and

WHEREAS, medically necessary prescription formula can cost in excess of $2,000 per month, which is prohibitively expensive for some families; and

WHEREAS, Idaho infants and children in need of medically necessary prescription formula and their families would benefit by having this essential health intervention covered by insurance.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature requests that the Department of Insurance consult with leaders in the insurance industry to determine how to make medically necessary prescription formula available to Idaho infants and children suffering from eosinophilic esophagitis, Crohn's disease, malnutrition or failure to thrive, seizure disorders requiring a ketogenic diet, conditions requiring tube feeding, and other conditions in which medically necessary prescription formula is a recommended treatment.

BE IT FURTHER RESOLVED that the Legislature requests that the Department of Insurance collect data and ascertain the costs for including coverage of medically necessary prescription formula in private insurance plans and, further, that the department determine any impact on the Idaho General Fund for the addition of this benefit.

BE IT FURTHER RESOLVED that the Department of Insurance and leaders in the insurance industry report their findings and recommendations, if any, to the Second Regular Session of the Sixty-sixth Idaho Legislature.

WHEREAS, without regard to the long-standing debate over whether the federal government should ever relinquish control of Idaho lands, as long as the federal government does withhold lands from being subject to tax, the federal government should pay the full amount in lieu of tax revenue denied our taxing entities; and

WHEREAS, for more than 10 years, Congress has been inconsistent in the amount and timeliness of PILT payments to Idaho counties, placing essential government services in jeopardy.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Committee on Federalism, created pursuant to Section 67-9301, Idaho Code, shall study the impact of the failure of the United States government to make payments in lieu of taxes that are equivalent to the property tax revenue that the State of Idaho would otherwise generate from lands under federal ownership or control within Idaho. The committee shall pilot technologies providing an objective standard to evaluate and appraise federal lands in real time to determine the fair taxable value of such federal lands.

WHEREAS, the right and authority of state and local governments to promote the highest value and use of land is fundamental to funding education and other essential government services; and

WHEREAS, the federal government still controls 63.2% of all land in the State of Idaho, which is not subject to state or local taxes; and

WHEREAS, under the Federal Land Policy and Management Act (FLPMA) of 1976, federal land policy changed from one of disposal, where it would enter the state tax rolls, to permanent federal retention as untaxable public land; and

WHEREAS, this policy change deprives Idaho of the right and ability to tax 63.2% of all land within our state; and

WHEREAS, recognizing the substantial burden this policy change imposed on the ability of state and local governments to fund education and other essential government services, Congress established the Payment in Lieu of Taxes (PILT) program to compensate for the tax revenue denied; and

WHEREAS, the definition of "in lieu" means a substitute of equal value and importance, something that is just as good as what was given up; and

WHEREAS, by any objective measure, federal PILT payments to Idaho are not "just as good as" the tax revenue the local governments and school districts would otherwise generate but for federal control of Idaho lands; and

WHEREAS, in actuality, PILT amounts are little more than pennies in lieu of taxes; and

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the Republic of China, Taiwan, and the State of Idaho established a close sister statehood in 1984 and have fostered close relations through bilateral trade and shared the common value of democracy, human rights, and rule of law of the United States; and

WHEREAS, Taiwan remained the second-largest export market of Idaho goods, with an estimated $499 million in sales and became the largest import partner of Idaho in 2019; and

WHEREAS, following the United States Congress passing the Taiwan Travel Act in 2018 to enhance mutual governmental visits, the United States Congress passed Taiwan Allies International Protection and Enhancement Initiative Act in 2019 to encourage the United States administration to assist Taiwan’s meaningful participation in appropriate international organizations; and

WHEREAS, during the pandemic of the novel coronavirus in 2020, Taiwan contributed by donating tens of millions of surgical masks all over the world, 100,000 of which were received for Idaho's frontline responders; and

WHEREAS, Idaho recognizes Taiwan’s contribution to share its experience fighting against the pandemic under the spirit of humanitarian assistance and reaffirms to welcome all opportunities for an even closer economic and cultural
relationship with Taiwan, including achieving a bilateral free and fair trade agreement; and
WHEREAS, Taiwan President Tsai Ing-Wen announced that the restriction on importation of United States beef over 30 months of age and United States pork containing ractopamine would be lifted effective on January 1, 2021, representing Taiwan's effort to eliminate trade barriers.

NOW, THEREFORE, BE IT RESOLVED by the members of the House of Representatives, assembled in the First Regular Session of the Sixty-sixth Idaho Legislature, that the Idaho House of Representatives reaffirms the strong relationship and friendship between the State of Idaho and the Republic of China, Taiwan, recognizes Taiwan's contribution to global public health security, encourages the Office of the United States Trade Representative to process the Bilateral Trade Agreement with Taiwan, and supports Taiwan's continued international participation.

HOUSE JOINT MEMORIAL NO. 1
BY STATE AFFAIRS COMMITTEE
A JOINT MEMORIAL
TO THE PRESIDENT OF THE UNITED STATES, TO THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Sixty-sixth Idaho Legislature, do hereby respectfully represent that:
WHEREAS, COVID-19 has done irreparable damage to countries across the globe, causing sickness, death, economic disruption, and human suffering; and
WHEREAS, in Idaho, thousands have been infected, many have died, families have been separated from dying loved ones, small businesses are shuttering their doors, and those living paycheck to paycheck are struggling to put food on the table; and
WHEREAS, by late December 2019, Chinese government health officials had evidence of human-to-human transmission, but until January 20, 2020, Chinese officials continued to insist that there was no evidence of human-to-human transmission; and
WHEREAS, the Chinese government lied to the world about the danger and contagious nature of COVID-19, silenced whistleblowers, denied human-to-human transmission in the face of mounting evidence, and did little to stop the spread of the disease; and
WHEREAS, reports indicate that Chinese government officials, while they were concealing the outbreak, began hoarding quality personal protective equipment (PPE) while permitting only defective PPE to be exported to the rest of the world, thus endangering the lives of health care workers and first responders in other countries; and
WHEREAS, the actions of the Chinese government and the Chinese Communist Party caused millions of people across the globe to be exposed to COVID-19; and
WHEREAS, the Chinese government is a dictatorship that is responsible for the deaths of tens of millions of people in its history and is currently waging genocide against the Uighur people in western China.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Chinese government and the Chinese Communist Party should be held accountable for their crimes against humanity, their horrendously irresponsible and deceitful handling of the COVID-19 outbreak, and the deadly aftermath that followed all over the world. The Idaho Legislature believes the Communist Chinese government to be a hostile state and that the Chinese government should be sanctioned for its misdeeds.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.

HOUSE CONCURRENT RESOLUTION NO. 10
BY STATE AFFAIRS COMMITTEE
A CONCURRENT RESOLUTION
STATING FINDINGS OF THE LEGISLATURE AND RECOGNIZING THE CENTENNIAL OF THE IDAHO STATE CAPITOL'S DEDICATION.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, on March 4, 1863, President Abraham Lincoln signed Public Law 37-96, creating the Idaho Territory; and

WHEREAS, on March 4, 2013, Idaho celebrated its Territorial Sesquicentennial; and

WHEREAS, the following year, in recognition of the importance of March 4 in Idaho history, and as an outgrowth of the sesquicentennial celebrations, the Legislature enacted House Bill 378, establishing March 4 as Idaho Day; and

WHEREAS, the purpose of Idaho Day is to honor Idaho's rich heritage with appropriate ceremonies; and

WHEREAS, in that heritage, there is no greater treasure than the Idaho State Capitol, dedicated to the people of Idaho on January 3, 1921; and

WHEREAS, the Capitol was constructed in two phases between 1905 and 1920, designed by architects John E. Tourtellotte and Charles F. Hummel to symbolize the principles and ideals of republican government, with Mr. Tourtellotte describing his vision for the building and the people it served as follows: "If the people are well balanced in their ideals and understand that a commonwealth, like the individual, to be worthwhile and endure, must have a soul; that the great white light of conscience must be allowed to shine and by its interior illumination make clear the path of duty and in the clarity of that vision that they must act and go forward with courage, to perfect the outward form by the developing and conserving of her resources; encouraging legitimate enterprise and industry, and by embracing and perfecting all that tends to the upbuilding of the moral, intellectual and physical needs of the people; if the people of Idaho hold these ideals and are striving to make them real, then this Capitol truly represents the Commonwealth of Idaho’; and

WHEREAS, from 2007 to 2010, the Capitol was restored and expanded in an extensive renovation and preservation project, with the building rededicated on January 9, 2010; and

WHEREAS, for the past 100 years, the Capitol has served as the People's House, providing a home for discussion, cooperation, collaboration, and the conduct of the people's business; and

WHEREAS, the year 2021 marks the centennial of the Capitol's first dedication; and

WHEREAS, it is the will of the Legislature that on Idaho Day 2021, the legacy of our state's signature monument and place of public business, the Capitol, be recognized, honored, commemorated, and celebrated.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that on Idaho Day 2021, the Legislature shall honor and recognize the centennial of the Idaho State Capitol's dedication with appropriate ceremonies.

BE IT FURTHER RESOLVED that the Legislature, in such ceremonies, shall solemnly reflect on its own role in the Capitol's history and in conducting the people's business.

BE IT FURTHER RESOLVED that the Legislature requests that on Idaho Day 2021, the people of Idaho celebrate the Capitol and its legacy.

HOUSE CONCURRENT RESOLUTION NO. 11
BY HEALTH AND WELFARE COMMITTEE

A CONCURRENCE RESOLUTION
STATING FINDINGS OF THE LEGISLATURE AND
RECOGNIZING 988 AS THE UNIVERSAL MENTAL
HEALTH AND SUICIDE PREVENTION CRISIS PHONE
NUMBER.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, on October 17, 2020, President Trump signed
into law the National Suicide Hotline Designation Act of 2020; and

WHEREAS, the act designated 988 as the universal
telephone number for the national suicide prevention and mental
health crisis hotline system currently operating through the
National Suicide Prevention Lifeline and the Veterans Crisis
Line; and

WHEREAS, the Idaho Suicide Prevention Hotline is part
of the existing network of the National Suicide Prevention
Lifeline and currently receives calls from individuals dialing
(800) 273-TALK; and

WHEREAS, as of 2019, Idaho's suicide rate is 41% higher
than the national rate; and

WHEREAS, to prevent suicide, it is critical to transition the
existing ten-digit National Suicide Prevention Lifeline number,
(800) 273-TALK, to a universal, three-digit phone number and
to connect people with life-saving resources; and

WHEREAS, the Idaho Suicide Prevention Hotline will
experience an increased call volume when 988 goes live in July
2022 and becomes the equivalent of 911 for suicide and mental
health crises; and

WHEREAS, Idaho has a shortage of mental health providers
and primary care providers, making access to a 24/7 mental health
and suicide prevention hotline vitally important; and

WHEREAS, suicide prevention and mental health support
delivered by a crisis hotline helps Idahoans de-escalate and stay
safe, thereby avoiding unnecessary and costly trips to hospital
emergency departments and decreasing dispatch of police,
emergency medical services, or fire department services; and

WHEREAS, 988 will improve access to mental health support for all Idahoans, especially those in rural communities
with few health care providers; and

WHEREAS, promotion of 988 will help raise awareness of
mental health and suicide prevention and decrease stigma
associated with asking for help.

NOW, THEREFORE, BE IT RESOLVED by the members
of the First Regular Session of the Sixty-sixth Idaho Legislature,
the House of Representatives and the Senate concurring therein,
that the Legislature recognizes 988 as the universal mental health
and suicide prevention crisis phone number, effective July 2022.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, the members of the Second Regular Session of the Sixty-fifth Idaho Legislature adopted Senate Concurrent Resolution No. 118, establishing March 14 in perpetuity as Idaho Women's Day, to acknowledge the influence, impact, and importance of women in Idaho's past, present, and future; and

WHEREAS, in adopting the resolution, the Legislature recognized Ms. Emma Edwards Green's rendering of the Idaho State Seal, the only state seal ever designed by a woman, depicting a woman and a man as equal representatives of Idaho's unlimited potential, the imagery suggesting that women represent the ideals of justice and liberty and that they maintain equity in the state's bounties; and

WHEREAS, in adopting the resolution, the Legislature also recognized that August 18, 2020, would mark the centennial passage of the Nineteenth Amendment, which granted women the right to vote throughout the United States of America and determined that the centennial of the Nineteenth Amendment was a proper time to honor and recognize women leaders of Idaho's past and present who, through their skill, conviction, empathy, and determination, have had significant positive impacts on Idahoans, personally and professionally, and that it was in the State of Idaho's interest to foster women leaders of the future and advance their leadership in business and politics; and

WHEREAS, On March 13, 2021, the Idaho State Museum will open a special exhibition "Trailblazing Women of Idaho" in conjunction with the celebration of Idaho Women's Day. The exhibition will run through November 30 and celebrate those trailblazing, barrier-breaking women who have defined Idaho history, impacting political, cultural, economic, academic, social, and civic fields. From Sacajawea to Kristin Armstrong, Idaho women have forged, and continue to forge, new paths, and this exhibition explores the unique stories and characteristics of women who had a lasting impact on Idaho's history.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we encourage continued recognition of March 14 as Idaho Women's Day to acknowledge the influence, impact, and importance of women in Idaho's past, present, and future and further to encourage celebration of the day through the Idaho State Museum's special exhibition "Trailblazing Women of Idaho."

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, rising property taxes are a major concern to residential property owners; and

WHEREAS, the Idaho Legislature has had many measures introduced over the years regarding the property tax in an effort to provide relief to property taxpayers; and

WHEREAS, the property tax structure is complex and requires study and evaluation by the Idaho Legislature; and

WHEREAS, in order to provide property tax relief, it may be appropriate to find alternative funding sources for the systems dependent on property tax revenues; and

WHEREAS, the Legislative Interim Study Committee on Property Taxes and Revenue Expenditures met five times in 2020 and prepared draft legislation for consideration by the 2021 Legislature, but more time and attention is needed to address property tax problems in Idaho.

OFFICE OF THE GOVERNOR
Boise

March 23, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on March 23, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 22, as amended in the Senate

within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 10:42 a.m. on March 17, 2021.

I have many concerns about the justification and process surrounding the passage of H 22a.

There is no doubt that the past 12 months have been extraordinary for our students and families. Parents looked for many different education options, including enrolling their students in virtual schools such as the two involved in this legislation.

The support unit cap for public charter schools in Section 33-5208, Idaho Code, has been in place since 2005. While these public charter schools can enroll additional students above the cap, the longstanding policy should have made clear that there would be no additional state support above the cap. These schools did not contact the State Department of Education before enrolling these additional students this past fall. Instead, their issue was discovered in January, halfway through the school year, with a request to retroactively change the K-12 school funding formula. This "ask for forgiveness rather than permission" approach invites others to make similar requests in the future.

Since the Legislature adopted this policy for this fiscal year, the Legislature should have passed a trailer bill appropriating the additional funds needed to cover the fiscal impact of H 22a in the K-12 budget, thereby preventing a hit on the Public Education Stabilization Fund (PESF).

Instead, the Joint Committee drafted another bill directing a portion of the State Board of Education's 10-percent set aside from the Elementary and Secondary Schools Emergency Education Relief (ESSER) II-part of the December 2020 federal stimulus-to fund H 22a. This appropriation was made without the State Board's consideration or approval, and that bill potentially infringes on the State Board's authority to direct this set aside. Congress in federal law designates the Board's authority and discretion to use these funds.

Ultimately, another solution is needed. In signing this into law, I respectfully request the Legislature follow through on this policy change and fully fund this adjustment to the K-12 public school funding formula to prevent a hit to the PESF.

Sincerely,
/s/ Brad Little
Governor

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on March 23, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 167

within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 12:40 p.m. on March 19, 2021.

I agree with the agricultural industry that the economic costs of regulation should be given appropriate consideration during the agency rulemaking process. However, this bill, combined with House Bill 51, could put the industry under increased scrutiny.

As you know, I believe the state should govern with the lightest hand possible. And, in that vein, I support both HB 167 and HB 51. However, I do have concerns that these pieces of legislation may increase the likelihood of agency rules being challenged in court. Equally concerning, we have seen federal judges subjecting dairies to onerous federal environmental regulations not previously used to regulate the industry.

We already have seen the new administration is unlikely to share Idaho's vision for limited government and realistic regulation. I urge caution.

Sincerely,
/s/ Brad Little

March 26, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I am returning herewith, without my approval, disapproved and vetoed:

H 214

within the time limited by law, the same having arrived in the Office of the Governor at the hour of 2:55 p.m. on March 22, 2021.

I veto this legislation because it undermines the original intent of the Legislature that wisely assigned to the Chairman, or his designee, the responsibility for the day-to-day administrative functions of the Tax Commission so that the individual Commissioners remain free to dedicate their time and expertise on ensuring the predictable, consistent, and fair application of tax law to Idaho's taxpayers. House Bill 214 unnecessarily forces Commissioners to be involved in the administrative decision-making process, thus diverting the Commissioners from their core responsibilities and interfering with the Chairman's obligation to act as the Tax Commission's "chief executive and administrative head" as intended.

Additionally, adding a level of red tape goes against my core belief of good government. This legislation adds a burdensome level of bureaucracy and uncertainty, which I fear will only complicate and slow the Tax Commission's ability to accomplish its important mission. In the last year, we witnessed firsthand during the pandemic the incredible ability of the Tax Commission staff to step up and adapt quickly in changing environments to successfully implement important initiatives and programs that support Idaho citizens and businesses.

There being no objection, the House advanced to the Seventh Order of Business.
Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, Section 32-1010, Idaho Code, states that:

1. The interests and role of parents in the care, custody and control of their children are both implicit in the concept of ordered liberty and deeply rooted in our nation's history and tradition. They are also among the unalienable rights retained by the people under the ninth amendment of the constitution of the United States.

2. The interests of the parents includes the high duty and right to nurture and direct their children's destiny, including their upbringing and education.

3. The state of Idaho has independent authority to protect its parents' fundamental rights to nurture and direct their children's destiny, upbringing and education.

4. The protections and rights recognized in sections 32-1011 through 32-1013, Idaho Code, are rooted in the due process of law guaranteed pursuant to section 13, article I, of the constitution of the state of Idaho.

5. Governmental efforts that restrict or interfere with these fundamental rights are only permitted if that restriction or interference satisfies the strict scrutiny standard provided in section 32-1013, Idaho Code.

6. Nothing in this act shall be construed as altering the established presumption in favor of the constitutionality of statutes and regulations.

WHEREAS, the Idaho High School Activities Association (IHSAA), a private nonprofit corporation that regulates activities and athletic competition for Idaho public and private schools, acts as a governing agent for its member schools, which are primarily funded by the public through the public education budget; and

WHEREAS, the IHSAA has created a bylaw restricting parents' rights to be involved in the extracurricular activities of their children through the implementation of Rule 17-2-3, which states that "no more than two students may be coached at one time by a member of their high school (grades 9-12) staff of that sport during the school year"; and

WHEREAS, this rule unintentionally restricts the constitutional rights of parents who volunteer at their children's school, are walk-on coaches at their children's school, or are paid employees of the school district and also desire to coach their children outside of scholastic competition and thereby express their constitutional right to "nurture and direct their children's destiny," as codified in Idaho statute.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature does hereby call on the IHSAA to amend its bylaws and rules and modify Rule 17-2-3 to exclude parents from this rule.

BE IT FURTHER RESOLVED that the Legislature calls on the IHSAA to cease creating additional rules that restrict parents' constitutional rights to "nurture and direct their children's destiny."

BE IT FURTHER RESOLVED that parents who are actively involved in the nurturing, development, and growth of their children should be commended and applauded for their participation and active role in their children's scholastic and non-scholastic activities.

BE IT FURTHER RESOLVED that a copy of this resolution shall be forwarded to the IHSAA for distribution to all member schools under the governance of the IHSAA.

HCR 16 was introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.

Pursuant to Rule 42, Mr. Adams asked unanimous consent that he be allowed to address the body for three and a half minutes on a matter of personal privilege. There being no objection, he delivered his comments to the House.

OFFICE OF THE GOVERNOR
Boise

April 13, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on April 13, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 129

Federal regulations do not explicitly direct states about which vehicles should be allowed on highways. Federal regulations require that vehicles be manufactured to meet Federal Motor Vehicle Safety Standards (FMVSS) when intended for highway use.

Vehicles such as ATVs, UTVs and off-highway motorbikes were not manufactured for highway use and, therefore, were not manufactured to meet FMVSS. For this reason, manufacturers of these off-highway vehicles specifically state on their manufacturer certificates of origin and manufacturer statements of origin, “Not for Highway Use. For Off-highway Use Only.” Based on this fact, there is an implication that the federal regulations expect certain vehicles will not be used on highways.

Currently, there is no federal policy that jeopardizes Idaho’s federal road funding with this law enacted. However, I will ask the Idaho Transportation Department and state and local public safety agencies to monitor any increase in accidents involving off-highway vehicles on our highways. I also will urge ATV and UTV operators to be safe in their use on our highways.

Sincerely,
/s/ Brad Little
Governor

Dear Mr. Speaker:

OFFICE OF THE GOVERNOR

April 20, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on April 19, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

**H 338**

As part of the Office of the State Controller's budget, I recommended 4.0 FTP and $354,100 for Luma support positions be funded on an ongoing basis from the General Fund. In an effort to reduce the impact on the General Fund, the Legislature shifted the $354,100 to the Business Information Infrastructure Fund. This is a one-time funding source that will expire on June 30, 2023, pursuant to Idaho Code 67-1021C. The JFAC motion sheet clearly states, in the discussion section, that the 4.0 FTP are to be hired on the Business Information Infrastructure Fund, the Controller's dedicated fund for the Luma system, "understanding that they will be shifted onto the General Fund no later than June 30, 2023, which is the sunset date of the fund as provided in Section 67-1021C, Idaho Code."

I support the Controller and the Luma project. I also advocate for structurally balanced budgets. Placing an ongoing expense on a one-time funding source simply to postpone the inevitable expense on the General Fund is unwise budgeting. One of the key principles of budgeting that I have held to throughout my time as Governor is that a structurally balanced budget consists of ongoing expenses being funded from ongoing funding sources, not one-time funding sources. We do not know the General Fund revenue picture at the end of June 2023 and whether we will be able to place these positions back onto the General Fund. My
recommendation for these 4.0 Luma support positions should have been supported by JFAC and this Legislature.

Sincerely,
/s/ Brad Little
Governor
THE OFFICE OF THE GOVERNOR

April 20, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I am returning herewith, without my approval, disapproved and vetoed:

H 135, as amended in the Senate

within the time limited by law, the same having arrived in the Office of the Governor at the hour of 1:58 p.m. on April 19, 2021.

I cannot in good conscience approve any bill that will impair the ability of the Governor to protect Idaho and its people in future emergencies. Nor can I sign any bill that violates our constitutional commitment to the separation of powers. Like you, I swore an oath to faithfully discharge my duties and to uphold our constitution.

That is why I am vetoing House Bill 135a, and why I vetoed Senate Bill 1136a on April 16, 2021.

The Idaho Constitution- like the U.S. Constitution- wisely divides the primary powers of our government between three co-equal branches. To the legislature, it gives the power to make laws. To the judiciary, it gives the power to interpret those laws. To the executive, it gives the power to enforce the laws.

With those powers come sobering responsibilities. The legislature must be deliberate in its lawmaking. The judiciary must be fair in administering justice. And the executive must, above all else, protect the people of Idaho.

Our constitution prohibits each branch from exercising powers assigned to the others. It also forbids one branch from preventing another from performing its constitutional powers. These prohibitions are necessary to prevent tyranny that can result from absolute power by any one branch. But there is also a more practical reason: no branch has the expertise and resources needed to effectively carry out the duties of the others.

Declaring and responding to emergencies are core executive functions, and our constitution gives the Governor broad powers to do what is necessary to protect the state and the people of Idaho. The executive branch has the resources and can tap subject matter experts in emergency response to quickly and effectively deploy resources in fast-moving situations.

This last year has been difficult, but look where Idaho is today. Countless lives were saved and we avoided a crisis in healthcare. I listened to the experts, and Idaho was one of only a handful of states with the fewest COVID-19 restrictions. We now have the strongest economy in the nation.

I attribute our success to the spirit of the Idaho people. However, I cannot overlook the critical role played by Idaho's emergency statutes, especially section 46-1008. Those statutes are not restrictive on people's rights. Rather, they complement the Governor's constitutional powers and provide additional resources and flexibility for the executive branch to do what is necessary to help Idahoans.

We know future emergencies will include floods, fires, and drought - the routine experiences of living in the West. Unfortunately, it is also likely Idaho will face future multi-state disasters involving major earthquakes, enormous flooding, or devastating fires. We could experience a massive, sustained power grid failure. The full list of potential devastating disasters is simply unknown.

That is why any legislative changes to our emergency statutes must be done carefully and collaboratively to avoid unintended consequences that will harm the state's ability to act timely and effectively for the benefit of Idahoans in future emergencies.

Regrettably, there are serious concerns with the process that led to House Bill 135a. Numerous stakeholders felt ignored including our National Guard, the cities, the counties, FEMA, state emergency managers, and business.

Like Senate Bill 1136a, House Bill 135a poses serious practical and constitutional consequences for the future.

First, House Bill 135a is overly restrictive and will handcuff the Governor's ability to take timely and necessary action to help Idahoans during future emergencies. The bill will prevent a Governor from taking steps unless it is "essential to protect life and property." Imposing such a narrow standard will unwisely prohibit actions necessary to restore services and infrastructure, ensure the continuity of government, save jobs, help schools reopen, and protect the economy at large. For example, the Governor will be unable to suspend regulations that impede agriculture and industry from operating or minimizing financial loss during a drought, flood, or other disaster. Nor will the Governor be able to deploy the National Guard to take any and all action necessary following a massive earthquake including, but not limited to, removing debris, repairing infrastructure, and assisting businesses and government offices with reopening.

House Bill 135a further prohibits the state, as well as counties and cities, from taking any action that "limit" a constitutional right. Idahoans value our freedoms and I agree that our constitutional rights can never be outright suspended, especially during emergencies. However, temporary limitations on our rights are necessary in some circumstances to effectively combat emergency conditions and to protect the greater good. For example, we need the ability to evacuate and cordon a town in advance of a dam break even if doing so temporarily limits our rights to travel, work, or assemble. This unqualified restriction will complicate efforts to save lives and mitigate emergencies, and will put public safety personnel at risk. The one common denominator of a disaster is that the no-action or slow-action alternative is unacceptable and not what our citizens expect and deserve.

Second, House Bill 135a unnecessarily politicizes the state's emergency response efforts and will jeopardize critical funding for local governments. Disasters often worsen and spread over time requiring supplemental declarations and orders. Very few, if any, emergencies are extended "solely" for the purpose of receiving funding. Thus, the bills will more than likely require the Legislature to convene every sixty days to approve those emergency declarations with conditions or restrictions. In large-scale emergencies, such as an earthquake, volcanic eruption, or attack, it may not be physically possible for the full body of the Legislature to convene or maintain a quorum. Yet, House Bill 135a provides no backup plan. That is irresponsible. On the other end of the spectrum, it will be unnecessary and
costly to convene the Legislature to extend smaller emergencies that impact only one or a few communities.

If the Legislature is unable or unwilling to extend an emergency declaration, the state will no longer meet the criteria to be eligible to receive federal disaster funding. Nor will the Governor be authorized to utilize the disaster emergency account, which is only available during a declared emergency. The change in House Bill 135a allowing disaster expenses incurred "arising out of an emergency does not go the necessary distance to make the disaster emergency account available after a declaration is terminated.

I agree that there is a time and place for the Legislature to be involved during future emergencies. That is why I came to the Legislature early in this session and offered tangible solutions and a path forward. I encouraged the Legislature to consider appointing a smaller group of legislators - such as the duly elected Legislative Council - to take on the role of representing the full legislative body when convening 105 members is impracticable or unnecessary. Further, the Legislature was encouraged to explore legislation specific to statewide public health emergencies. However, House Bill 135a was drafted, amended, and passed without seeking critical input or collaboration from my office.

Third, House Bill 135a violates the separation of powers doctrine and is unconstitutional. The bill limits the Governor's constitutional powers to respond to emergencies as is necessary and to utilize the National Guard. It attempts to reassign to the Legislature the core executive powers to extend and terminate emergency declarations and orders. House Bill 135a also attempts to give the Legislature the ability to determine the subjects of an extraordinary session, which is a constitutional power assigned solely to the Governor in Article IV, Section 9. Finally, it is well settled that the Legislature lacks the constitutional power to extend, modify, or terminate an emergency declaration by concurrent resolution. Yet, House Bill 135a doubles down on that legally ineffective procedure, further jeopardizing the state's ability to timely and effectively respond to future emergencies for the protection of Idaho, our people, and our livelihoods.

We can do better!

I remain willing and committed to working with all of you in the Legislature to improve and modernize Idaho's emergency statutes. But, we will need to involve all of the stakeholders and focus on how any changes will impact Idaho's ability to respond to future emergencies.

I am extremely grateful to the members of the Legislature who have taken the time to hear me out. You know who you are, and I appreciate you more than you know.

I also urge my partners in the Legislature who voted for House Bill 135a to reconsider their votes on the override.

It's time to get back on track. The people of Idaho deserve our best.

Sincerely,
/s/ Brad Little
Governor

April 22, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on April 22, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 171, as amended in the Senate

This policy change was considered previously by the Legislature in the early 1990s and was reversed back to the current policy we have in place today. I agree with the bill sponsors and legislators that issues have arisen with our current policy and it needs to be adjusted moving forward.

The implementation of House Bill 171a may result in an administrative burden on the Tax Commission due to an increase in audits in order to audit individual buyers versus sellers. I encourage the Legislature to continue its work with the Tax Commission to ensure that this policy change does not result in a negative impact on state sales tax collection and continue to refine the policy in future sessions if needed.

Sincerely,
/s/ Brad Little
Governor

THE OFFICE OF THE GOVERNOR

CERTIFICATE OF APPOINTMENT

KNOW ALL MEN, that pursuant to the provisions of Section 59-917, Idaho Code, ILANA RUBEL, State Representative, District 18, Seat A, Ada County, State of Idaho, has nominated, MARY DITTRICH, of 2702 S Holden Lane, Boise, Idaho 83706, to perform the duties of this office temporarily as Acting State Representative, District 18, Seat A.

NOW, THEREFORE, I, BRAD LITTLE, Governor of the State of Idaho, by virtue of the authority vested in me do hereby appoint Mary Dittrich of Boise, Idaho, to the office of Acting State Representative, District 18, Seat A, for a term commencing Thursday, April 29, 2021, through Monday, May 3, 2021.

5TH ORDER
Report of Standing Committees

BEFORE THE IDAHO HOUSE OF REPRESENTATIVES
COMMITTEE ON ETHICS AND HOUSE POLICY
1st Regular Session, 66th Idaho Legislature
In the Matter of Representative Aaron von Ehlinger

Following our investigation and hearing held pursuant to House Rule 45, the Committee unanimously finds by clear and convincing evidence that Representative Aaron von Ehlinger engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Therefore, we unanimously recommend that the House of Representatives censure Representative von Ehlinger with the restrictions and conditions that (1) he be immediately suspended, without pay or benefits, from serving as the Representative for District 6, Seat A for the remainder of the 66th Idaho Legislature, (2) he must immediately vacate his office in the Capitol and not return to the Capitol grounds for the remainder of the 66th Idaho Legislature, and (3) a substitute Representative should be appointed with compensation as soon as possible following his suspension to represent District 6, Seat A, for the remainder of the 66th Idaho Legislature.

In addition to the Rule 45 sanction, we would unanimously support a procedurally proper motion before the House to expel Representative von Ehlinger for good cause shown under Article III, Section 11, of the Constitution of the State of Idaho.

Further, we intend to bring forward a resolution entered on the House journal citing Representative von Ehlinger for contempt. The Committee subpoenaed Representative von Ehlinger pursuant to Idaho Code Sec. 67-407 to appear before the Committee to testify on the allegations in the complaint filed against him in this matter. He appeared before the Committee but refused to testify as to the events of the night that primarily gave rise to the complaint, invoking the Fifth Amendment to the U.S. Constitution. After being informed that Idaho Code Sec. 67-411 provides that self-criminating testimony can be exacted by the Committee and that Idaho Code Sec. 67-409 provides that refusal to testify can lead to adoption of a resolution by the House citing him for contempt, and after repeatedly waiving his silence during the Committee's investigation, Representative von Ehlinger still refused to testify at the hearing.

Done this 29th day of April, 2021

Signed:
/s/ Chairman Sage Dixon
/s/ Representative Wendy Hornman
/s/ Representative Brent Crane
/s/ Representative John McCrostie
/s/ Representative John Gannon

April 29, 2021

Speaker Scott Bedke
Idaho House of Representatives
700 W Jefferson St
Boise, ID 83702

via hand-delivery

Mr. Speaker:

After careful deliberation and prayer, I have determined that I will not be able to continue to effectively represent my constituents in the Idaho House of Representatives and have decided to resign my seat effective immediately. It is my hope that this action spares my good colleagues any more difficulty in this matter.

In having circumvented the clear requirements of House Rule 45 (both its burden of proof and a two-thirds vote on a recommendation to expel), the House Ethics Committee has decided to recommend an expulsion in all but name under the guise of "censure."

I maintain my innocence of any wrongdoing of which I have been accused in this matter, let alone any violation of any law, rule, or policy of the state of Idaho or of this body. I wish my constituents, colleagues, and the body all the best. It has been an honor to serve.

Respectfully,
/s/ Aaron von Ehlinger
Representative, District 6A

4TH ORDER
Consideration of Messages from the Governor and the Senate

OFFICE OF THE GOVERNOR
Boise

April 27, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on April 27, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 66, as amended in the Senate

within the time prescribed by law, the same having arrive in the Office of the Governor at the hour of 3:15 p.m. on April 22, 2021.

I appreciate the efforts of the sponsors to amend this legislation, considering the perspectives and concerns of the many different stakeholders from local governments and our school districts.

There are a few critical principles that are important in assessing language in Idaho Code on election disclosures for bonds and levies. First, we want to make sure updated ballot language is a fair representation of the question to voters. Secondly, the revised requirements for ballot language must simplify rather than complicate the question before the voter.

I used these principles in my own assessment of this legislation and will apply them when following local elections in the implementation of this updated election law, beginning in August.

In the past few decades, many have expressed their concern about the expansion in the use of voter approved levies by taxing districts, especially our school districts. I share those concerns. However, I am also concerned this legislation may affect the ability for a school district to pursue a levy, when often the reason behind the district seeking this funding is the lack of state resources meeting their local needs. In addition to school district levy elections, I am concerned about these requirements for institutions of local government such as sewer and water districts.
I will be watching the impacts of this legislation closely and will be prepared to work with legislators in future sessions to address any unintended consequences of this change to election laws. 

Sincerely,

/s/ Brad Little
Governor

OFFICE OF THE GOVERNOR

April 28, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on April 28, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 377

within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 2:20 p.m. on April 27, 2021.

I agree that Idaho public schools and higher education institutions should adhere to the principles of equality, freedom of expression, and respect for all. However, the claim that there is widespread, systemic indoctrination occurring in Idaho classrooms is a serious allegation. Most worryingly, it undermines popular support for public education in Idaho. Our state's public education system is locally driven. Curriculum is determined at the local level. Duly elected boards review and approve these local decisions. They receive input from parents and local educators. If parents or teachers spot an example of instruction that concerns them, they should bring it to the attention of the teacher, principal, superintendent, or school board trustees and root out the problem locally - the closest and most responsive to our students and parents. As state leaders, the last thing we want to do is undermine the trust and local governance of our public schools.

Also, the State Board of Education is provided broad authority for the general supervision and governance of elementary and secondary schools and higher education institutions, both in Article IX, Section 2 of the Idaho Constitutions and Section 33-101, Idaho Code. The State Board has taken up the issue of freedom of expression within our Idaho schools, colleges, and universities, and will review its policies and engage in important conversations with a variety of stakeholders on these matters. We must be focused on facts and data, not anecdotes and innuendo.

The past 13 months have presented enormous challenges for students, parents, teachers, and school administrators across Idaho. School leaders and professional educators have performed admirably and have taken extraordinary steps this past year. Many educators have told me the past year has been the most difficult of their entire careers. We cannot take their efforts for granted.

I have been clear that the pandemic must be a short-term disruption to students and schools. We do not want the pandemic to undermine lifetime opportunities for a generation of Idaho students. We need to refocus our efforts on the tremendous tasks ahead - coming out of the pandemic, addressing the challenges associated with learning loss across elementary and secondary education, and preparing our students to be college- and career-ready. We should redouble our efforts on equipping teachers, parents, and schools with the tools they need to help students overcome learning challenges. We should be signaling to teachers that we value their important work, and we want them to remain in Idaho schools.

The process that produced this legislation over the past few weeks sends the wrong message to Idaho teachers, parents, and students. It has been nothing short of a distraction from meeting our constitutional and moral obligations to public education in Idaho. It is time to get back on track.

Finally, I am concerned about the past few weeks creating a precedent for public education budgeting. Unlike state agencies, school districts and public charter schools have tight, statutorily directed budget deadlines. Schools must have their budgets in place at the beginning of the state's fiscal year on July 1. This year's delay of budget-setting has created hardships for schools, distracting school leaders and professional educators from more important, student-centered priorities.

Aside from these concerns, I am hopeful we can emerge stronger and more committed than ever to public education in Idaho.

Sincerely,

/s/ Brad Little
Governor

Mrs. Scott asked unanimous consent that further reading of the Governor's letter on H 377 cease. Mr. McCrostitie objected.

Mrs. Scott moved that further reading of the Governor's letter on H 377 cease. Seconded by Mr. Nate.

In 2024 and thereafter, city council elections shall be held in even-numbered years and the usual terms of office shall resume, as appropriate under applicable law;
(d) Following any subsequent redistricting of city council district boundaries, any sitting council member shall be permitted to serve the remainder of his term in order to preserve the staggering of terms. A council member is not permitted to run for reelection to a district seat in which the member is not a resident.

TO THE ACTING DIRECTOR OF THE OFFICE OF MANAGEMENT AND BUDGET AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the First Regular Session of the Sixty-sixth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the Metropolitan and Micropolitan Statistical Area Standards Review Committee has recommended that the Office of Management and Budget (OMB) raise the population threshold for the statistical core used to identify a metropolitan statistical area (MSA) from 50,000 to 100,000; and

WHEREAS, if adopted, this recommendation would result in 144 of the nation's current 392 MSAs being reclassified as micropolitan statistical areas; and

WHEREAS, six of Idaho's seven MSAs, including the Coeur d'Alene, Idaho Falls, Lewiston, Pocatello, and Twin Falls MSAs, would be reclassified as micropolitan statistical areas, leaving Idaho with just the Boise City MSA; and

WHEREAS, the impact on Idaho communities from this reclassification may result in fewer grant opportunities available to their residents; and

WHEREAS, because the loss of MSA status would mean a disruption in data provided by the Bureau of Labor Statistics for these MSAs, the impact on these communities would be the loss
of current and regionally distinctive data on labor force, jobs, occupations, and wages, which would likely adversely impact economic expansion decisions and wage growth; and

WHEREAS, because modern economic decision-making and scholarship are data-driven, it would make little sense to arbitrarily deprive communities and researchers of data they rely on; and

WHEREAS, moving the minimum threshold would result in little overall refinement of the data, as 86% of the United States population is located in MSAs under the current standard, while the new standard would change that to 80%; and

WHEREAS, the data available under the current definition of MSA is critically important for communities in Idaho and in 44 other potentially affected states struggling to rebuild or maintain economies against the COVID-19 crisis; and

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature opposes the Metropolitan and Micropolitan Statistical Area Standards Review Committee's recommendation to raise the population threshold for the statistical core used to identify a metropolitan statistical area from 50,000 to 100,000 and urges the Office of Management and Budget to reject the recommendation and maintain the current minimum threshold of 50,000.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the Acting Director of the Office of Management and Budget and to the congressional delegation representing the State of Idaho in the Congress of the United States.

HJM 2 was introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.

The Honorable Scott Bedke

Dear Mr. Speaker:
I have the honor to advise you that I have signed on May 6, 2021 and am transmitting to the Secretary of State the following House bills, to wit:

OFFICE OF THE GOVERNOR
Boise

May 10, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:
I have the honor to advise you that I have signed on May 10, 2021 and am transmitting to the Secretary of State the following House bills, to wit:

H 391, H 392, and H 393

While these bills are not perfect, they do not contain the serious flaws that were fatal to House Bill 135a, which I vetoed previously this session. In contrast to other legislative attempts, I am satisfied House Bills 391, 392 and 393 will not critically impair the state's ability to timely and effectively protect Idahoans during future emergencies.

I also fully support the addition of language emphasizing that our constitutional rights as citizens of this state continue to exist during declared emergencies and that any restrictions on those rights must be both narrow and necessary. While our shared freedoms may at times conflict with what is required to protect lives and property during an emergency, our rights must never be subjected to unnecessary or arbitrary limitations. Further, while a Governor must have the flexibility to suspend enforcement of laws that impede Idahoans' ability to respond to emergencies, only the legislature should promulgate and enact Idaho Code.

Thank you to my colleagues and friends in the legislature who worked with my office to improve and modernize the emergency statutes.

Sincerely,
/s/ Brad Little
Governor

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:
I have the honor to advise you that I have signed on May 11, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 394

I reluctantly sign this bill because it now appears to be the only vehicle to ensure some 200 plus appropriations and laws become effective on July 1 as the people expect and deserve. My signature should not be construed as approval of the process which will result in an emergency clause being added to every piece of legislation enacted this session.

Sincerely,
/s/ Brad Little
Governor

SCOTT BEDKE, Speaker

ATTEST:
CARRIE MAULIN, Chief Clerk
Dear Speaker,

I applaud the Governor's recent action to sign House Bill 389, and I would like to commend the legislators involved in its passage.

I am confident that this bill, which amends the property tax code to provide a circuit breaker credit, will have a positive impact on Idaho's residents, particularly those most affected by rising property taxes. The bill's support from stakeholders across the state, including local governments and advocacy groups, further underscores its value.

However, I am concerned about the potential unintended consequences of this legislation. Given the rapid surge in home prices, the near-exponential increases in home valuations mean that the exemption will only slow the property tax increases for many Idahoans and not provide long-term relief.

I am optimistic that by updating the circuit breaker credit, we can ensure that our veterans, elderly, and lower-income populations can afford to stay in their homes. It is my hope that this bill will pave the way for further discussions on sustainable, competitive, and predictable property tax solutions.

Sincerely,

[Signature]
Governor

4TH ORDER
Consideration of Messages from the Governor and the Senate
OFFICE OF THE GOVERNOR
Boise
May 12, 2021

The Honorable Scott Bedke
Speaker of the House

Dear Mr. Speaker:

I have the honor to advise you that I have signed on May 12, 2021 and am transmitting to the Secretary of State the following House bill, to wit:

H 389

Within the time prescribed by law, the same having arrived in the Office of the Governor at the hour of 10:35 a.m. on May 6, 2021.

I support the bill sponsors' intent to provide overdue and much-needed property tax relief for Idahoans, and they should be applauded for their attempt to curb unsustainable increases in property taxes due, in large part, to the rapid surge in home prices.

However, I do have significant concerns with the process leading up to the passage of House Bill 389 as well as its practical implications.

I am supportive of the increase in the homeowner's exemption from $100,000 to $125,000, but the near-exponential increases in home valuations mean the exemption will only slow the property tax increases for many Idahoans and not provide long-term relief.

I am also supportive of updating the circuit breaker credit to ensure that our veterans, elderly, and lower-income populations can afford to stay in their homes, but I fear these changes may have unintended consequences for some individuals and families.

I have always subscribed to the adage that our taxes need to be fair, simple, competitive, and predictable. When considered against these pillars of tax policy, House Bill 389 falls short. The bill is an aggregate of complex and nuanced changes to Idaho's property tax code, and I am troubled that this was introduced in the waning days of one of the longest legislative sessions in Idaho history.

I am signing House Bill 389 because it provides some relief to Idaho taxpayers. However, I fear the long-term consequences may outweigh this temporary reprieve. I believe we can do more to address this growing problem, and I believe we can do so in a way that is not only more transparent, but also more closely aligns with my goal of fair, simple, competitive, and predictable taxes.

I have already spoken with the bill drafters and we are jointly committed to working with cities, counties, and other stakeholders to fix the problems within the bill and develop a sustainable, long-term solution.

Sincerely,

/s/ Brad Little
Governor

SCOTT BEDKE, Speaker

ATTEST:
CARRIE MAULIN, Chief Clerk
I. The purpose of the hearing is to determine:

A. Whether the Complaints should be dismissed,

B. Whether by clear and convincing evidence, it can be proven that Respondent has engaged in conduct unbecoming a member of the House which is detrimental to the integrity of the House as a legislative body, in which case the Committee, upon a vote of four-fifths, will recommend to the House censure, with or without conditions or restrictions, or reprimand, (Rule 45(5)), and

C. Whether there is good cause shown to recommend to the House expulsion of the Respondent from the House of Representatives (Idaho Const., Art. III, Sec. 11).

II. The Committee must gather the facts necessary to support any recommendation made by the Committee to the House, except where Respondent admits or stipulates to a fact. The Committee's counsel may move the Committee to make a finding that there are no material facts at issue. If the Committee finds that there is no material fact at issue, the Committee may proceed to make any recommendation based on those facts.

III. The hearing will be open to the public.

IV. A majority of the Committee must be present at all times during the hearing. Counsel for the Committee will include counsel from the Office of the Attorney General and the firm of Holland & Hart LLP. The Respondent may be represented by counsel. Any witness may be represented by counsel.

VII. Evidence must be weighed according to its reliability. The procedures regarding the admissibility of evidence and rulings shall be as follows:

A. Any relevant evidence shall be admissible.

B. Following consultation with the Committee's counsel as needed, the Committee Chair shall rule upon any question of admissibility or relevance of evidence, motion, procedure or any other matter, and may direct a witness to answer any question under penalty of contempt pursuant to Idaho Code Sec. 67-409.

C. The Committee may exact from a witness self-incriminating testimony pursuant to Idaho Code Sec. 67-411.

VIII. If the Committee plans to call witnesses in addition to the complainants or their agent, the Committee will provide the names of the witnesses to the Respondent or her counsel no later than 8 a.m. MDT on July 30, 2021. If the Respondent plans to call witnesses, she or her counsel will provide the Committee's counsel with their names by the same deadline and provide a brief statement as to the relevance of the witness's expected testimony.

IX. Respondent or her counsel must, upon timely request, receive from the Committee's counsel all of the evidence in support of the complaint by 8 a.m. MDT on July 30, 2021.

X. The Committee's counsel must, upon timely request, receive from Respondent or her counsel all of the evidence in defense of the complaint by the same deadline.

A. The Chair will open the hearing and state the Committee's authority to conduct the hearing and the purpose of the hearing.

B. The Chair will then recognize Committee counsel and Respondent or her counsel, in turn, for the purpose of giving opening statements.

C. Testimony of all witnesses shall be taken under oath or affirmation administered by the Chair. The form of the oath or affirmation shall be: "Do you solemnly swear or affirm that the testimony you will give before this Committee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth?"

D. The complainants or their authorized agents will first present the complaints and supporting evidence and testimony to the Committee.

E. The Committee counsel may then call witnesses and present evidence supporting the complaints. The Committee may accept and rely upon statements of individuals that appeared before the Committee during its confidential phase under House Rule 45(3). If the Committee intends to rely on these statements, a transcript of the individual's statements shall be provided to Respondent or her counsel in accordance with the timelines in paragraph IX.

F. Respondent or her counsel may present evidence, cross-examine witnesses and object to evidence. The Chair may rule on objections to evidence in consultation with Committee counsel.

I. The Committee may present rebuttal witnesses in a like fashion, as permitted by the Chair.

J. The Chair reserves the right to preclude or truncate any witness testimony that he deems inappropriate, immaterial, or irrelevant to the purposes of the hearing.

K. At any time in the hearing, any member of the Committee may ask questions of any witnesses as permitted by the Chair and review any evidence proffered by counsel for the Committee or the Respondent or her counsel.

XII. The Committee may continue the hearing on August 3, 2021, if necessary.

BEFORE THE IDAHO
HOUSE OF REPRESENTATIVES
COMMITTEE ON ETHICS AND HOUSE POLICY

1st Regular Session, 66th Idaho Legislature

In the Matter of

REPRESENTATIVE PRISCILLA GIDDINGS

I, Representative John Gannon, agree that the committee has investigated, held a public hearing pursuant to House Rule 45 with proper notice, and that the Committee unanimously finds by clear and convincing evidence that Representative Priscilla Giddings engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Representative Giddings engaged in unbecoming conduct by promoting a news article and picture of an alleged victim of sexual assault or harassment, through her Facebook page and through the newsletter published in her official capacity as a member of the House of Representatives. The group complaint alleges the conduct is retaliation in that it is inappropriate to share the information of a complaining employee or intern. The victim was an intern at the House of Representatives who had properly brought her complaint to her employer. As a member of the House and as a citizen, Representative Giddings is entitled to the right of free speech, but the evidence at the hearing was that in public employment, personnel matters such as this are not discussed publicly by those in administrative or supervisory positions. All witnesses stated that at their outside employment those in the administration or in a supervisory position and even co-workers would be reprimanded or even fired for doing this. A long-time legislator testified that he is not aware of any sexual harassment or assault claimant at the Legislature ever being publicly named, and that the well-publicized alleged sexual harassment or assault events in the Senate several years ago never named the victim.

Exposing an alleged victim's personal information may be construed as retaliation and could lead to bullying and cause such a chilling effect that future victims do not come forward.

Although 12 witnesses were named, and subpoenas issued, none testified and there is simply no evidence to refute the testimony of the 5 Representatives and exhibits. Mason's custom and precedence requirement for legislators to follow therefore requires a finding that the conduct is unbecoming. Combinability argument is not evidence. Citing the First Amendment is fine, but in a personnel situation limitations apply. That is the evidence.

The Ethics committee is composed of elected Representatives who investigate ethical violations and report
their findings to the House and the only way I can fairly do this is to weigh the evidence presented and follow custom and precedent.

Therefore, I join in the unanimous recommendation that the House of Representatives censure Representative Giddings with the restrictions and conditions that she be removed from her seat on the House Commerce and Human Resources Committee.

Done this 31st day of August, 2021.

Signed:

/s/ Representative John Gannon

The reports were filed in the office of the Chief Clerk.

HOUSE CONCURRENT RESOLUTION NO. 24
BY WAYS AND MEANS COMMITTEE
A CONCURRENT RESOLUTION

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, on September 9, 2021, President Biden announced that his patience was "wearing thin" with Americans who are not vaccinated against COVID-19; and

WHEREAS, on that date, President Biden issued two executive orders setting out his "Action Plan" that included, among other things, a directive to the United States Department of Labor's Occupational Safety and Health Administration (OSHA) to develop a federal regulation requiring all United States employers with 100 or more employees to ensure their workforce is fully vaccinated or require any workers who remain unvaccinated to produce a negative test result on at least a weekly basis before coming to work or be fired; and

WHEREAS, the Speaker of the Idaho House of Representatives, the President Pro Tempore of the Idaho Senate, Governor Little, and the Idaho Attorney General jointly responded to the President by letter dated September 17, 2021, objecting to the proposed regulation because it has no legal basis and asking the President to rescind his directive to the Department of Labor; and

WHEREAS, the Idaho constitutional and legislative officers strongly opposed the mandates because: (1) the power to promulgate and enforce vaccination policies in Idaho belongs to the state; (2) the Department of Labor lacks the requisite legal authority to issue the President's vaccination mandates; and (3) cooperative federalism requires the Department of Labor not to issue the workplace vaccination mandates; and

WHEREAS, the OSHA regulation as envisioned by the President will have serious legal flaws that will be foisted on Idaho unless remedied by a federal court.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Sixty-sixth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature authorizes the Speaker of the House of Representatives and the President Pro Tempore of the Senate to engage counsel to sue the federal government on behalf of their offices and the Legislature to have a federal court declare the federal vaccine mandates unlawful and to enjoin the mandates or otherwise prevent them from having any effect on Idaho employers and employees.

Committee members shall not have been previously sanctioned by the House for an ethics violation pursuant to this rule.

The majority party and minority party may select only members who have previously served at least one full term.

(b) Each party shall also select two committee alternates for their respective party. The committee alternates shall sit and have voting rights when the committee is sitting to review House policy. When the committee is sitting to consider an ethics matter, the committee alternates shall serve only in the event of a vacancy, as provided in paragraph (c).

(c) Committee members may be selected to serve on a subsequent committee. A vacancy on the committee shall be filled with an alternate available and selected by the leadership of the party entitled to fill the vacancy. When no alternates are available to fill a vacancy, such vacancy shall be filled by majority vote of the House members of the party entitled to fill the vacancy. Except as otherwise provided in subsection (8) of this rule, a member filling a vacancy shall serve for the remainder of the unexpired term.

(d) The Speaker of the House shall appoint one of the members of the committee as chairman of the committee.

2. (a) The chairman of the Ethics and House Policy Committee shall receive complaints from any member of the House.

(b) The complaint shall be in writing, signed and contain one or more of the following allegations:
   (i) Conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body;
   (ii) Disclosure of information that is confidential as provided in House rules;

   (ii) Reference to the House rule and/or applicable state law supporting the alleged violation;
   (iii) A description of the facts and circumstances supporting each alleged violation; and
   (iv) The evidence the complainant has at the time of making the complaint supporting the facts and violation alleged in the complaint.

(d) Subject to the provisions of this rule, the committee shall review the written complaint. The committee shall dismiss any ethics complaint that:
   (i) Does not comply with this rule; or
   (ii) Alleges violations that occurred either before the accused member was first elected to the House of Representatives or for which an applicable statute of limitation has run.

3. The committee shall notify the person against whom the complaint was brought and shall provide such person with a copy of the complaint and evidence submitted supporting the complaint. The person complained against may submit a written answer to the committee. The member complained against shall provide such written answer to the chairman of the committee no later than fourteen days following the date that the copy of the complaint was provided to the member complained against. Following receipt of the answer or if no answer to the complaint is provided to
the chairman within the time period provided, the committee shall meet and conduct a preliminary investigation of the complaint. Notwithstanding the provisions of Rule 26, such meeting shall be held in executive session. At the preliminary investigation, the committee shall determine, based upon the complaint, other relevant information and the answer to the complaint, whether probable cause exists that the member committed misconduct as provided in this rule. If, at the conclusion of the preliminary investigation, the committee determines no probable cause exists that misconduct has occurred, the complaint shall be dismissed and the written complaint shall remain confidential. If, at the conclusion of the preliminary investigation, the committee determines probable cause exists that misconduct may have occurred, the committee shall so notify the person complained against and the written complaint against the member shall no longer be confidential but shall become a public document.

(4) Following a finding of probable cause and in a timely fashion, the committee shall conduct a public hearing before which the member shall be entitled to appear, present evidence, cross-examine witnesses, and be represented by counsel. The complainant or authorized agent of the complainant shall first present the complaint and supporting evidence and testimony to the committee. The committee shall have the power to take testimony under oath and to issue subpoenas and subpoenas duces tecum in the manner provided in Section 67-407, Idaho Code, and make inquiry and discover evidence relevant to the allegation. Formal rules of evidence are not applicable; however, evidence shall be weighed according to its reliability, and the accused may raise objection to any evidence. The accused may defer presentation of any defense until all of the evidence has been presented in support of the complaint. The accused shall have a full and fair opportunity to obtain and review all of the evidence in support of the complaint.

(5) If after investigation and hearings held pursuant to this rule, the committee finds by clear and convincing evidence that a violation of the standards contained in this rule occurred, the committee shall make appropriate recommendations to the House of Representatives. By four-fifths vote of the committee, the committee shall recommend dismissal of the charges, reprimand, censure or expulsion, provided that a recommendation for expulsion shall only be based upon a finding beyond reasonable doubt that misconduct involves commission of a felony or use of public office for pecuniary gain under subsection (2)(b)(iii) of this rule. The sanction of censure may be with or without conditions or restrictions placed upon the member. The committee shall prepare a report setting forth its findings, recommendation and reasons for such recommendation. The House of Representatives shall vote on the recommendation of the committee, as set forth in the report, during the regular session of the Legislature in which the committee reports. If the committee meets and reports during the interim when the Legislature is not in session, then the House of Representatives shall vote on the committee recommendation during the next regular session of the Legislature. If the committee does not issue a recommendation within thirty days of the conclusion of the public hearing, the complaint shall be deemed dismissed. Expulsion of a House member shall require the affirmative vote of two-thirds of the members elected to the House, as provided by Section 11 of Article III of the Constitution. Reprimand or censure of a member shall require the affirmative vote of a majority of the members elected to the House. Action of the House pursuant to this rule is final and not subject to court review.

(6) The committee may retain such counsel and may hire such investigators as it deems necessary for the performance of its duties under this rule. All expenditures incurred pursuant to this subsection shall be approved by the Chairman and paid by vouchers and warrants drawn as provided by law from appropriations made to the Legislative Account.

(7) The committee may adopt rules of procedure for the orderly conduct of committee meetings, investigations and hearings, which rules shall be consistent with this rule and other applicable rules and statutes.

(8) If the written signed complaint concerns misconduct of a member of the Ethics and House Policy Committee, or is filed by a member of the Ethics and House Policy Committee, or both, then that member or members shall be disqualified and shall not serve on the committee for any purpose relating to such complaint. A vacancy on the committee created as a result of this subsection shall be filled by an alternate in accordance with the provisions of subsection (1)(c) of this rule, except that the fulfillment of any such vacancy shall only be for purposes relating to such complaint.

BEFORE THE IDAHO HOUSE OF REPRESENTATIVES
COMMITTEE ON ETHICS AND HOUSE POLICY
1st Regular Session, 66th Idaho Legislature
In the Matter of Representative Aaron von Ehlinger

Following our investigation and hearing held pursuant to House Rule 45, the Committee unanimously finds by clear and convincing evidence that Representative Aaron von Ehlinger engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Therefore, we unanimously recommend that the House of Representatives censure Representative von Ehlinger with the restrictions and conditions that (1) he be immediately suspended, without pay or benefits, from serving as the Representative for District 6, Seat A for the remainder of the 66th Idaho Legislature, (2) he must immediately vacate his office in the Capitol and not return to the Capitol grounds for the remainder of the 66th Idaho Legislature, and (3) a substitute Representative should be appointed with compensation as soon as possible following his suspension to represent District 6, Seat A, for the remainder of the 66th Idaho Legislature.

In addition to the Rule 45 sanction, we would unanimously support a procedurally proper motion before the House to expel Representative von Ehlinger for good cause shown under Article III, Section 11, of the Constitution of the State of Idaho.

Further, we intend to bring forward a resolution entered on the House journal citing Representative von Ehlinger for contempt. The Committee subpoenaed Representative von Ehlinger pursuant to Idaho Code Sec. 67-407 to appear before the Committee to testify on the allegations in the complaint filed against him in this matter. He appeared before the Committee but refused to testify as to the events of the night that primarily gave rise to the complaint, invoking the Fifth Amendment to the U.S. Constitution. After being informed that Idaho Code Sec. 67-411 provides that self-criminating testimony can be exacted by the Committee and that Idaho Code Sec. 67-409 provides that refusal to testify can lead to adoption of a resolution by the House citing him for contempt, and after repeatedly waiving his silence during the Committee's investigation, Representative von Ehlinger still refused to testify at the hearing.

Done this 29th day of April, 2021
The House Committee on Ethics and House Policy (“Committee”)\(^1\) submits this report in support of its recommendations in the matter of Representative Aaron von Ehlinger, following an investigation and hearing on the ethics complaint (“Complaint”) brought on March 17, 2021. Upon the completion of its investigation and upon hearing the evidence related to the Complaint, the Committee voted unanimously to adopt the recommendation of censure with conditions and restrictions. Consistent with House Rule 45(5), the Committee now respectfully submits the below report setting forth its findings recommendation, and reasons for such recommendation.

**Background**

On March 11, 2021, a complaint of inappropriate sexual conduct involving a volunteer intern (referred to here as “Jane Doe”) and Representative von Ehlinger was reported to the Speaker of the House by the Assistant Sergeant at Arms, Kim Blackburn. Upon receipt of this information, it was immediately reported to the Attorney General’s Office, who interviewed Ms. Blackburn and determined that the encounter may have violated the House of Representatives Respectful Workplace guidelines. At that time, the Attorney General’s Office referred this matter to law enforcement for a possible criminal investigation.

On March 17, 2021, House Leadership brought the Complaint and alleged that Representative von Ehlinger has possibly engaged in conduct unbecoming a Representative which would be detrimental to the integrity of the House as a legislative body under House Rule 45(2)(b)(1). Due to the severity of the allegations contained within the Complaint, and the allegation that Representative von Ehlinger used his position as a member of the House to initiate a sexual encounter with a volunteer intern of the House, the matter was referred to this Committee.

On March 19, 2021, Chairman Dixon notified Representative von Ehlinger that the Complaint had been filed and deemed valid, and that the Committee was moving forward as required under House Rule 45(3). Under that rule, Representative von Ehlinger was provided a copy of the Complaint and notified that he had up to fourteen days to provide a written response to the Committee.

On April 2, 2021, Representative von Ehlinger provided, via legal counsel, a written response to the Complaint.

On April 15, 2021, after the Committee completed its preliminary investigation, Representative von Ehlinger was notified that the Committee had unanimously found probable

The hearing was held consistent with House Rule 45(4), which empowers the Committee “to take testimony under oath and to issue subpoenas and subpoenas duces tecum in the manner provided in Section 67-407, Idaho Code, and make inquiry and discover evidence relevant to the allegation.”

1. Representative von Ehlinger stated that he attended new legislator training in December 2020 which included respectful workplace training. Also attended respectful workplace training in January 2021.
   a. Recalled that the training discussed touching in the workplace.

2. Representative von Ehlinger stated that he had a conversation with Representative Holtzclaw at the beginning of the special session. Representative Holtzclaw warned Representative von Ehlinger to be careful with dating around the Capitol.
   a. Had a second conversation with Representative Holtzclaw in mid-March. Representative Holtzclaw was instructed to take Representative von Ehlinger to lunch and informed Representative von Ehlinger of some complaints against him.

3. After his mid-March lunch with Representative Holtzclaw, Representative von Ehlinger spoke with Representative Blanksma about the nature of the complaints lodged against him.
4. Representative von Ehlinger stated that he first met Jane Doe in another Representative’s office.

5. Testified that he had 5-6 conversations with Jane Doe before asking her on a date. Most of them were in passing. Representative von Ehlinger gave Jane Doe his cell phone number because he was impressed with her story and her demeanor.

7. On March 9, 2021, Representative von Ehlinger picked up Jane Doe and went to dinner. Representative von Ehlinger considered this to be a date.

8. Representative von Ehlinger read from Ex. 8, an April 2, 2021 letter from his then attorney Scott McKay, which was sent to the Committee in response to the Complaint.

9. Representative von Ehlinger read from Ex. 10, a transcript of his prior interview with the Committee.

10. He testified regarding Ex. 16, the transcript of his prior interview with Deputy Attorney General Leslie Hayes.

11. Testified that he has dated other people during the regular/special session. This includes former Capitol security guard Kiona Hadsell, whom he met at the Capitol building. The two later had sex.

12. Testified that elected officials should be held to a higher standard of conduct than typical citizens.

13. Testified that it would not be appropriate for a member of the House to date a page, even if the page was of legal age.

14. Representative von Ehlinger asserted his 5th Amendment Right against self-incrimination for questions regarding consent in connection with any sexual contact that occurred on March 9, 2021.

   a. Upon Representative von Ehlinger’s assertion, he was instructed by the Committee that Idaho Code Sec. 67-411 states:

      i. “No statement made by any such witness on such examination before either house, or a committee, is competent evidence in any criminal proceeding against such witness; nor can such witness refuse to testify to any fact or to produce any paper, touching which he is examined, for the reason that his testimony or the production of such paper may tend to disgrace him, or render him infamous. Nothing in this section exempts any witness from prosecution and punishment for perjury committed by him on such examination.”

      ii. Despite being so instructed, Representative von Ehlinger continued to assert that he had a 5th Amendment right not to testify.
b. Although he asserted his 5th Amendment right to silence during the hearing, Representative von Ehlinger previously provided testimony to the Committee regarding the events of March 9, 2021.

c. Representative von Ehlinger previously testified that he and Jane Doe had a sexual encounter on March 9, 2021 at his apartment (see Exs. 10, 16).

After the hearing was adjourned, the Committee took the matter under advisement.

Glossary of Key Terms

For purposes of this report, certain key terms are used consistent with the following definitions:

- **Clear and Convincing Evidence** - Evidence indicating that the thing to be proved is highly probable or reasonably certain.
- **Conduct Unbecoming** – Conduct which is detrimental to the integrity of the House as a legislative body.
- **Good Cause** - A legally sufficient reason.

Findings

The Committee is charged by House Rule 45(4) to weigh presented evidence “according to its reliability” in consideration of the Complaint. Upon review of the available evidence, the Committee finds clear and convincing evidence:

1. That Representative von Ehlinger is a member of the House and subject to the House Rules, including House Rule 45.

2. That House Rule 45 prohibits “[c]onduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.”

3. That rules of legislative procedure are derived from several sources, including but not limited to customs, usage, and precedents.  

4. That the House has a right to self-protection in the exercise of its rules and in the discipline of its member.

5. That there is a custom and precedent among members of the House to not have romantic or sexual relationships with legislative staff.

---

6. That Representative von Ehlinger engaged in sexual contact with a legislative staff member, Jane Doe, on March 9, 2021.

7. That the sexual contact between Representative von Ehlinger and Jane Doe included kissing, oral sex that was briefly performed on Representative von Ehlinger by Jane Doe, and Representative von Ehlinger manually ejaculating on Jane Doe’s stomach.

8. That the sexual contact between Representative von Ehlinger and Jane Doe occurred while the House was in session.

9. That the sexual contact between Representative von Ehlinger and Jane Doe occurred while Jane Doe was employed as legislative staff, specifically a House intern, and while Representative von Ehlinger was a member of the House.

10. That legislative staff are tasked with assisting the House and Senate in the official performance of their duties, creating a power differential between members of the House and legislative staff.

11. That the power differential between legislative staff and members of the House makes relationships between staff and members presumptively inappropriate.

12. That the sexual contact between Representative von Ehlinger and Jane Doe violates the norms of good conduct expected for members of the House.

13. That Representative von Ehlinger pursued a sexual encounter with Jane Doe after being expressly warned not to date anyone that worked at the Capitol by Representative Holtzclaw.

14. That Representative von Ehlinger also engaged in a sexual relationship with Keona Hadsell, while Ms. Hadsell was employed as a security guard on the Capitol grounds.

15. That since August 2020 Representative von Ehlinger romantically or sexually pursued at least four different women that were either legislative staff, Capitol employees, or otherwise connected with the legislative process.

16. That Representative von Ehlinger pursued sexual relationships with staff at the Capitol after attending respectful workplace trainings that warned against crossing lines in workplace relationships and that provided education on the impact of power differentials on such relationships.

17. That Representative von Ehlinger pursued sexual relationships with staff at the Capitol despite his prior experience working in environments with respectful workplace policies, including the United States Army.
18. That Representative von Ehlinger’s invocation of the 5th Amendment right to silence was improper because 1) he previously testified on the same matters he subsequently refused to answer, 2) he testified about certain matters while refusing to testify regarding others, 3) he submitted polygraph evidence. Because Representative von Ehlinger’s refusal to testify during the public hearing was selective, the Committee can rightfully make adverse inferences regarding

19. That the witnesses called in support of Representative von Ehlinger, especially those that lacked first-hand knowledge of his pursuit of at least four women on Capitol grounds, were generally not credible.

20. The Committee nor the Complainants attorney were able to select questions for the lie detector tests taken by Representative von Ehlinger, leading the Committee to give the lie detectors less weight or credibility than they might otherwise.

   a. Further, upon review of the limited questions included in the polygraph tests, the Committee finds that any test results are of limited or no relevance to the determination of whether Representative von Ehlinger’s admitted sexual contact with Jane Doe constitutes conduct unbecoming a Representative.

21. That elements of Representative von Ehlinger’s testimony, including testimony prior to the public hearing, were contradicted by other evidence in the record and limit his credibility as a witness. Those contradictions include:

   a. Representative von Ehlinger testified (in Ex. 16) that he did not ask out Jane Doe again after March 9, 2021, but transcripts of a subsequent phone conversation (Ex. 1) between Representative von Ehlinger and Jane Doe reveal that he wanted Jane Doe “to reconsider and, and take some time and consider giving me another chance.”

   b. Representative von Ehlinger testified (in Ex. 16) that the only individuals he asked out on dates during the session were Jane Doe and Keona Hadsell, but he also asked out Erica McGinnis (see Ex. 2).

   c. Representative von Ehlinger testified that he does not “date a lot” and that when he does try to date, he makes sure it’s someone that he has “a connection with.” (from Ex. 16). But the Committee is aware of at least four women he tried to pursue romantically or sexually between December 2020 and March 2021, three of whom testified before the Committee. In those three instances, Representative von Ehlinger tried to initiate dating within days of meeting all three women and after little social interaction.
22. That Representative von Ehlinger’s conduct on March 9, 2021 damaged the integrity of the House as a legislative body.

23. That Representative von Ehlinger’s conduct on March 9, 2021 constitutes conduct unbecoming a Representative under House Rule 45.

Recommendation

Following our investigation and hearing held pursuant to House Rule 45, the Committee unanimously finds by clear and convincing evidence that Representative Aaron von Ehlinger engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Therefore, we unanimously recommend that the House of Representatives censure Representative von Ehlinger with the restrictions and conditions that (1) he be immediately suspended, without pay or benefits, from serving as the Representative for District 6, Seat A for the remainder of the 66th Idaho Legislature, (2) he must immediately vacate his office in the Capitol and not return to the Capitol grounds for the remainder of the 66th Idaho Legislature, and (3) a substitute Representative should be appointed with compensation as soon as possible following his suspension to represent District 6, Seat A, for the remainder of the 66th Idaho Legislature.

FIRST REGULAR SESSION OF THE 66TH SESSION
OF THE IDAHO LEGISLATURE,
HOUSE COMMITTEE ON ETHICS AND HOUSE POLICY

In the Matter of Representative Priscilla Giddings

REPORT AND RECOMMENDATION
OF THE HOUSE COMMITTEE ON ETHICS AND HOUSE POLICY

August 31, 2021
BEFORE THE IDAHO HOUSE OF REPRESENTATIVES
COMMITTEE ON ETHICS AND HOUSE POLICY
1st Regular Session, 66th Idaho Legislature
In the Matter of Representative Priscilla Giddings

Following our investigation and public hearing held pursuant to House Rule 45, the Committee unanimously finds by clear and convincing evidence that Representative Priscilla Giddings engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

As a member of the House and as a citizen, Representative Giddings is entitled to exercise her First Amendment right, the right to freedom of speech; therefore, the Ethics Committee unanimously rejected the Chaney complaint. Like all citizens, she is not free from the consequences of abusing, or imprudently exercising, that right in connection with a personnel matter. Exposing an alleged victim’s personal information may be construed as retaliation, could lead to bullying, and can cause such a chilling effect that future victims do not come forward.

Rep. Giddings engaged in conduct unbecoming when pressed about the Facebook post in the Aaron von Ehlinger hearing. Her conduct was compounded when she was evasive, combative, and not forthright in her sworn testimony before the Ethics Committee and did not offer evidence to contradict the evidence presented by the 24 representatives who filed the complaint. Her repeated lying, half-truths, and total disrespect for the Ethics Committee, and the Ethics Committee process, is conduct that cannot and will not be tolerated. The Ethics Committee is comprised of her peers who have been tasked with the very difficult responsibility to investigate ethical violations and report their findings to the House. This obligation was made more difficult by her conduct.

Therefore, we unanimously recommend that the House of Representatives censure Representative Giddings with the restrictions and conditions that she be removed from her seat on the House Commerce and Human Resources Committee.

BEFORE THE IDAHO HOUSE OF REPRESENTATIVES
COMMITTEE ON ETHICS AND HOUSE POLICY
1st Regular Session, 66th Idaho Legislature
In the Matter of Representative Priscilla Giddings

I Representative John Gannon agree that the committee has investigated, held a public hearing pursuant to House Rule 45 with proper notice, and that the Committee unanimously finds by clear and convincing evidence that Representative Priscilla Giddings engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Representative Giddings engaged in unbecoming conduct by promoting a news article and picture of an alleged victim of sexual assault or harassment, through her Facebook page and through the newsletter published in her official capacity as a member of the House. The group complaint alleges the conduct is retaliation in that it is inappropriate to share the information of a complaining employee or intern. The victim was an intern at the House of Representatives who had properly brought her complaint to her employer. As a member of the House and as a citizen, Representative Giddings is entitled to the right of free speech, but the evidence at the hearing was that in public employment, personnel matters such as this are not discussed publicly by those in administrative or supervisory positions. All witnesses stated that at their outside employment those in the administration or in a supervisory position and even co-workers would be reprimanded or even fired for doing this. A long-time legislator testified that he is not aware of any sexual harassment or assault claimant at the Legislature ever being publicly named, and that the well-publicized alleged sexual harassment or assault events in the Senate several years ago never named the victim.

Exposing an alleged victim's personal information may be construed as retaliation and could lead to bullying and cause such a chilling effect that future victims do not come forward.

Although 12 witnesses were named, and subpoenas issued, none testified and there is simply no evidence to refute the testimony of the 5 Representatives and exhibits. Mason's custom and precedence requirement for legislators to follow therefore requires a finding that the conduct is unbecoming. Combative argument is not evidence. Citing the First Amendment is fine, but in a personnel situation limitations apply. That is the evidence.

The ethics committee is composed of elected representatives who investigate ethical violations and report their findings to the House and the only way I can fairly do this is to weigh the evidence presented and follow custom and precedent.

Therefore, I join in the unanimous recommendation that the House of Representatives censure Representative Giddings with the restrictions and conditions that she be removed from her seat on the House Commerce and Human Resources Committee.

The House Committee on Ethics and House Policy ("Committee")\(^1\) submits this report in support of its recommendations in the matter of Representative Priscilla Giddings following an investigation and hearing on the ethics complaints brought on April 19, 2021 ("Chaney Complaint") and on May 3, 2021 ("Group Complaint"), sometimes collectively referred to as the "Complaints". Upon the completion of its investigation and upon hearing the evidence related to the Complaints, the Committee voted unanimously to adopt the recommendation of censure with conditions and restrictions. Consistent with House Rule 45(5), the Committee now respectfully submits this report setting forth its findings, recommendation, and reasons for such recommendation.

**Background**

The Complaints both arise from a previous ethics investigation into Representative Aaron von Ehlinger. Representative von Ehlinger was investigated on reports of inappropriate sexual conduct involving a volunteer intern (referred to here as "Jane Doe") culminating in a public hearing held on April 28 and April 29, 2021. The timelines of the von Ehlinger investigation and the current Giddings investigation are intertwined:

On April 15, 2021, after the Committee completed its preliminary investigation into the allegations against Representative von Ehlinger, Representative von Ehlinger was notified that the Committee had unanimously found probable cause in the Complaint and that the matter would move forward to a public hearing under House Rule 45(4).

On April 16, 2021, Representative Priscilla Giddings made a post on her publicly visible Facebook account that included a picture of Jane Doe, and included a link to an article that contained that same picture and several mentions of Jane Doe’s actual name. Representative Giddings had captioned the post “Follow the Money! Idaho’s very own Kavanaugh.”

On or around April 17, 2021, Representative Giddings included a link to the same article in her newsletter that she produces in her official capacity as a member of the House.

On April 19, 2021, Representative Chaney filed a complaint with the Committee regarding the propriety of Representative Giddings’s social media activity. Per House Rules, the complaint is confidential until a finding of probable cause is made by the Committee.

On April 28 and April 29, 2021, the Committee held a public hearing on the complaint against Representative von Ehlinger. Representative Giddings was not subpoenaed by the Committee but voluntarily testified on behalf of Representative von Ehlinger.

On May 3, 2021, a Group Complaint signed by 24 members of the House was filed with the Committee. The Group Complaint alleges that Representative Giddings’s newsletter and

social media posts may constitute retaliation, intimidation, or bullying against Jane Doe for raising a claim of sexual harassment, and that such conduct threatens the integrity of the House. The Group Complaint also alleged that Representative Giddings’s testimony on April 28, 2021 was “an affront to the House,” elusive, and gave the appearance of dishonesty under oath. Pursuant to House Rules, the complaint is confidential until a finding of probable cause is made by the Committee.

On May 4, 2021, Representative Giddings was provided with notice of the Chaney Complaint and a copy of the same pursuant to House Rule 45(3).

On May 12, 2021, Representative Giddings was provided with notice of the Group Complaint and a copy of the same pursuant to House Rule 45(3).

On May 18, 2021, Representative Giddings provided the Committee with a written response to the Chaney Complaint.

On May 26, 2021, Representative Giddings provided the Committee with a second written response. The content of this second response was largely the same as the first response but also addressed the Group Complaint and included an updated version of the news article that was posted to her Facebook page (that was updated to remove Jane Doe’s name and picture sometime after the April 28, 2021 hearing).

On June 3, 2021 and June 21, 2021, the Committee, first by email and then by served letter, invited Representative Giddings to meet with the Committee.

On June 29, 2021 the Committee planned to meet with Representative Giddings but she did not appear before the Committee.

On July 14, 2021 the Committee passed a motion finding probable cause for the Complaints. An official Notice of Probable Cause and Public Hearing was served on Representative Giddings on July 19, 2021.

On July 21, 2021 Representative Giddings was served with a subpoena to testify in a public hearing on the Complaints.

On July 21, 2021 and again on July 27, 2021, Representative Giddings was sent the Rules of Procedure for the public hearing via email.

On July 30, 2021, Representative Giddings provided the Committee a written “Respondent’s Disclosure of Witnesses” listing 11 witnesses that Representative Giddings “may call at the hearing of this matter” and requesting that the Committee issue subpoenas for those
witnesses. On the same date, the Committee issued subpoenas for those 11 witnesses and provided those subpoenas to Representative Giddings for her to serve on her witnesses.2

Public Hearing and Summary of Evidence Presented

On August 2 and 3, 2021, the Committee held a public hearing in connection with the Complaints. Prior to the hearing, Representative Giddings submitted a written response to the Committee and was given a full and fair opportunity to obtain and review all of the evidence in support of the Complaint.3 The hearing was held consistent with House Rule 45(4), which empowers the Committee “to take testimony under oath and to issue subpoenas and subpoenas duces tecum in the manner provided in Section 67-407, Idaho Code, and make inquiry and discover evidence relevant to the allegation.”

After the hearing was called to order on August 2, 2021, Representative Giddings read an opening statement to the Committee. Representative Giddings left the hearing room after concluding her opening statement. The Chaney Complaint was then presented to the Committee by Representative Greg Chaney. The Group Complaint was presented to the Committee by Mr. Jeff Hepworth.

After the presentation of the Complaints, the Committee reviewed documentary evidence and heard testimonial evidence.

The documentary evidence submitted to the Committee for consideration is summarized as follows:

1. Chaney Complaint filed on April 19, 2021.
   a. Signed by 24 current members of the House.4

2 Subpoenas are not necessary for the voluntary appearance of witnesses—for example Representative Giddings testified at the April 28, 2021 hearing without a subpoena—but were provided for Representative Giddings’s use if she wished to compel the appearance of any of the 11 disclosed witnesses.
3 Representative Giddings was provided three copies of the Rules of Procedure adopted in advance of the hearing which stated that “Respondent or her counsel must, upon timely request, receive from the Committee’s counsel all of the evidence in support of the complaint by 8 a.m. MDT on July 30, 2021.” Representative Giddings made no such request.
   a. Originally attached as Exhibit B to the Chaney Complaint.
   b. Includes a post from April 16, 2021 that contains a collage photo of five individuals, one of whom is Jane Doe.
5. Printout of a Redoubt News Article dated April 18, 2021 titled “Idaho Swamp Trying to Unseat Another Conservative”
   a. Originally attached as Exhibit A to the Chaney Complaint.
   b. Includes Jane Doe’s name and photo.
   c. Article was contained in a link posted to Representative Giddings’s Facebook page on April 16, 2021.
6. Transcript excerpts from the April 28, 2021 House Ethics Hearing regarding Representative Aaron von Ehlinger.
7. Copy of Article I, Section 22 of the Idaho Constitution.
8. Subpoena to Representative Priscilla Giddings.

Redacted screenshots from Exs. 4 and 5 are as follows:
The sworn testimony offered during the August 2, 2021 hearing is summarized here and available verbatim in a court reporter transcript:

a. **Representative Brooke Green, Idaho House of Representatives**

i. Testified that she was the “chief complainant” for the Group Complaint and had organized a bipartisan effort to file an ethics complaint.
   1. She testified that she approached individual members of the House about joining the complaint and wanted to maintain confidentiality about which members had signed on until the complaint was officially filed. “To repeat, I was the only one who had the full list; I was the only one who knew who actually had been contacted; and I was the only one who had ensured, should somebody be interested in participating, I was the one who confirmed it via email.”

ii. Signed the Group Complaint for two reasons: 1) Representative Giddings’s testimony during the von Ehlinger hearing; and 2) Representative Giddings’s Facebook post that included identifying information of Jane Doe.

iii. Believed that the testimony and social media posts were victimizing Jane Doe a second time.
   1. Testified “that this institution has an obligation to ensure the confidentiality and the privacy of those who come forward should the egregious behavior happen. And we also have an obligation to ensure victims of sexual assault are safe and will continue to be safe in this institution . . . .”

iv. Testified that she accessed Representative Giddings’s Facebook page around the time of the April 28, 2021 hearing and was able to see the picture of Jane Doe on that page (Ex. 4).
   1. Also that she clicked on the link that accompanied that picture and again saw Jane Doe’s picture and her name included in that article (Ex. 5).
   2. Testified that she was also aware that Representative Giddings included the same news article link in her official newsletter to constituents.

---

5 Representative Giddings left the hearing room during the testimony of her colleagues but was offered the opportunity to return to the hearing room to cross-examine each witness. Representative Giddings declined to do so.
6 August 2, 2021 Transcript, Page 49, Lines 7-12.
v. Testified that she was not aware of any other members of the House that shared Jane Doe’s identity with the public.  

vi. Testified that Representative Giddings’s testimony in the April 28, 2021 was evasive, not forthcoming, and not consistent with her witness oath.

vii. Testified that, based on her understanding of personnel policies at the Ada County Highway District (“ACHD”), that Representative Giddings’s conduct would have violated those policies and would have resulted in reprimand or termination if it happened at ACHD.

1. “ACHD has a culture of fair and honest proceedings and also ensuring confidentiality and privacy of individuals who come forward. We’re dealing with taxpayer dollars. We’re dealing with HR policies. I’m pretty darn certain I can assert that they would either reprimand and/or terminate the individual who disclosed the victim's identity.”

b. Representative Greg Chaney, Idaho House of Representatives

i. Testified that he drafted and signed the Chaney Complaint.

ii. He personally accessed Representative Giddings’s Facebook page on April 17, 2021 and saw the post referencing Jane Doe. Around the same date, he printed to pdf copies of the Facebook page (Ex. 4) and the news article that was linked to that page (Ex. 5).

1. Testified that the same images were still active on Representative Giddings’s Facebook page shortly after the April 28, 2021 hearing.

2. Testified that there is no valid reason Representative Giddings would not have been fully aware that the image of Jane Doe would be displayed on her account when she posted.

3. Testified that these posts may have a chilling effect on victims coming forward.

4. “Victims of sexual assault are very unlikely to come forward in the first place. This sort of behavior makes it even more unlikely that the next time somebody in this building is subjected to those conditions that they will say anything to anybody about it for fear of this sort of retaliation.”

iii. Testified that the standard of conduct for a member of the House includes decorum, civility, and honesty.

---

8 Representatives Green, Chaney, Vander Woude, Mathias, Yamamoto, and Giddings were all asked this question, and all answered that they were not aware of any other members of the Legislature who posted the name or identity of Jane Doe.

10 Id., Page 27, Lines 17-23.
1. And that Representative Giddings’s behavior and testimony in connection with the von Ehlinger matter did not meet that standard.

iv. Testified that Representative Giddings amplified Jane Doe’s personal information making it more widely available.

1. “I believe that it did amplify it. Not only did it amplify it because it helped disseminate an article that, frankly, I don't believe would have had a whole lot of traction or a very wide audience to begin with, to a broader area, but it legitimized it. People, without knowing better assume, that if you're wearing one of these black tags you know what's going on and that somehow our -- our behaviors and the behaviors that we approve of are legitimate and good or at least legitimate and acceptable. And by virtue of her position, especially by linking it to an official government newsletter, she essentially gave the government's stamp of approval to that sort of communication.”

v. Testified that he is familiar with personnel policies in the Nampa Police Department and that revealing the identity of an individual that filed a complaint would result in a severe reprimand or termination under those policies.

vi. Further testified that legislators act in a supervisory capacity to interns, directing their work.

1. “I would place every legislator in the building in a supervisory role over every attaché, including and especially the intern.”

**c. Representative John Vander Woude, Idaho House of Representatives**

i. Testified that he signed the Group Complaint.

ii. He signed the Group Complaint because he was concerned about “outing the person who filed the [von Ehlinger] complaint.”

1. “I believe that that testimony is unbecoming anybody, and not just a member of the House. I believe that we should all always be telling the truth, and sometimes we suffer the consequences.”

iii. Testified that identifying information of prior alleged victims of sexual harassment in the Legislature was kept confidential.

1. “REPRESENTATIVE GANNON: [H]ow many terms have you served in the Legislature?

REPRESENTATIVE VANDER WOUDE: This is my seventh term.

REPRESENTATIVE GANNON: During the 13 years, are you aware of any -- at any time anyone, any legislator, disclosing the name or information -- let's say information regarding a complaint that had been made alleging sexual harassment?

REPRESENTATIVE VANDER WOUDE: Mr. Chairman and Representative Gannon, I have not. 15

iv. Testified that Representative Giddings’s testimony in the von Ehlinger hearing was “very evasive and attempting to not actually admit what was going on.” 16 “[I]t probably wasn’t the whole truth, but we all know half truths are more dangerous than whole truths.” 17

d. Representative Chris Mathias, Idaho House of Representatives
i. Testified that he signed the Group Complaint.
ii. Testified that he personally viewed Jane Doe’s picture from Representative Giddings’s Facebook page.
   1. And that it is important to “protect the identity of people who come forward to report allegations of sexual assault.” 18

iii. Testified that he was familiar with Representative Giddings’s testimony in the von Ehlinger hearing and did not believe she told the whole truth during that testimony because she was unable or unwilling to answer straightforward questions.

iv. Testified that he is familiar personnel policies in other public entities, including Boise State University and Idaho state government. And that revealing the identity of an individual that filed a complaint would reflect negatively on the person who revealed that information, under those policies.

v. Believes that conduct unbecoming is conduct that if every legislature did an act, “it would lead the public to frown upon the body as a whole.” 19

vi. Testified that Representative Giddings’s conduct was not consistent with the standard of conduct necessary for members of the House.

e. Representative Julie Yamamoto, Idaho House of Representatives
i. Testified that she signed the Group Complaint.

18 Id., Page 114, Lines 7-8.
ii. Signed the Group Complaint because she did not believe that Representative Giddings told the whole truth during her testimony in the von Ehlinger hearing.
   1. “We need to hold ourselves to that higher standard that says we’re going to tell the truth, the whole truth, and nothing but the truth, and that even though we can do something, it doesn’t necessarily mean it’s the prudent and right thing to do.”
   2. Testified that Representative Giddings was not forthright in her testimony during the von Ehlinger hearing.

iii. Testified that Representative Giddings’s social media posts regarding Jane Doe were not appropriate or prudent.
   1. Believes that posting Jane Doe’s name is not prudent because of the magnitude of the accusations against Representative von Ehlinger.

iv. Testified regarding the standard of conduct required of members of the House.
   1. “[B]y our own actions as legislators, as politicians, we have caused there to be a real mistrust of government officials. And to the degree that we have within our power to not add to that narrative and to be seen as people that you can't trust to not own your truth and own what you say and take responsibility for your actions, to me, that is something that, as a representative -- believe me, my own family busts my chops if they think that I'm not doing, in my personal life or in my legislative life, what I should be doing, and that your words and your actions need to line up and that you need to be ready at the end of the day to face your maker and say what you said, that you stood for truth and right, and you did the best you knew to do even if other people disagreed with you, that your vote or whatever, your decision, what you posted, was wrong, you know, we need to . . . uphold that higher standard.”
   2. Testified that Representative Giddings’s actions related to the von Ehlinger matter were not consistent with that standard of conduct.

v. Testified that she was an educator for 32 years at all levels K-12 and that she was familiar with the personnel policies and processes related to sexual harassment complaints.
   1. “And so it’s very clear that they are -- especially employees, are not to be posting things on social media, not to be putting
things out to -- you know, whether to defend yourself or whatever that is, that it's just not acceptable and would -- and it clearly states in policy that it's grounds for up to and including termination."²²

In addition to the witnesses listed above, Representative Giddings also requested, and received, 11 subpoenas for additional witnesses that she intended to call during the hearing. Representative Giddings ultimately did not serve those subpoenas on potential witnesses and did not call any of those potential witnesses to the stand, despite the presence of several of those witnesses in the hearing room on August 2, 2021.

The Committee also provided Representative Giddings the opportunity to testify in response to the Complaint in this matter and to clarify to her testimony from the von Ehlinger hearing.

For example, during the April 28, 2021 von Ehlinger hearing, Representative Giddings testified as follows:

LESLIE HAYES: And after these ethics proceedings became public, you posted a picture of Jane Doe; is that correct?

REPRESENTATIVE GIDDINGS: That is not correct.

LESLIE HAYES: Did you post her name?

REPRESENTATIVE GIDDINGS: No.

Ex. 6 (Page 224, Lines 8-13 (emphasis added)). However, during the August 2, 2021 hearing Representative Giddings testified that she made the April 16, 2021 Facebook post that contained Jane Doe’s picture and a link to the article containing that same picture and Jane Doe’s name.²³

Further, Representative Giddings’s testimony was not consistent, as shown in these subsequent excerpts from the April 28, 2021 von Ehlinger hearing:

REPRESENTATIVE GIDDINGS: It is my understanding that Jane Doe's name was in that article. I had not, you know, thoroughly examined all of that. I wanted both sides of the story to be accurately represented. It was my understanding there was no criminal proceeding going on at the time, therefore everything was in accordance with the House Rule 45, and if Representative von Ehlinger's name was going to be made public, I believe that everybody should be innocent until proven guilty, and that both sides of the story need to be equally represented.

Ex. 6 (Pages 226, Lines 9-20 (emphasis added)).

REPRESENTATIVE CRANE: So in that article though that you posted, her name was revealed; is that correct.

REPRESENTATIVE GIDDINGS: I'm not sure what that status is right now. I'd be happy to look it up and pull it up.

Ex. 6 (Page 227, Lines 2 through Page 228 Line 3 (emphasis added)).

REPRESENTATIVE GANNON: I'm looking at the Facebook post now, and there is a picture of -- you did post a picture of Jane Doe on there.

REPRESENTATIVE GIDDINGS: Representative Gannon, I posted a link to a news article.

REPRESENTATIVE GANNON: Are there pictures?

REPRESENTATIVE GIDDINGS: You're saying that there are, so --

REPRESENTATIVE GANNON: Are -- to the best of your recollection, did you post pictures?

REPRESENTATIVE GIDDINGS: Representative Gannon, I posted a link to a news article.

REPRESENTATIVE GANNON: With pictures.

CHAIRMAN DIXON: I think we --

REPRESENTATIVE GANNON: And also states "follow the money." What do you mean by that?

REPRESENTATIVE GIDDINGS: Representative Gannon, I don't know that I can -- I'm not sure that I understand the question.

REPRESENTATIVE GANNON: On your post on April 16th at 9:43 p.m., it says: Follow the money. Idaho's very own Kavanaugh. I'm just wondering what you mean by "follow the money."

REPRESENTATIVE GIDDINGS: Nothing significant that's worth -- I think relevant to the situation.

Ex. 6 (Page 228, Line 9 through Page 229, Line 11). In her testimony on August 2, 2021, Representative Giddings was given the opportunity to clarify her previous testimony, and stated that she “stand[s] by my statement that everything that I said that day was accurate to the best of my knowledge.”

During her August 2, 2021 testimony, Representative Giddings also testified:

1. That she made the April 16, 2021 post to her Facebook page that included the picture of Jane Doe and the link to the news article also containing Jane Doe’s name and picture.

2. That she was not aware of any other members of the House that publicly shared the name or photo of Jane Doe.

Also during her August 2, 2021 testimony, Representative Giddings was evasive when asked direct questions. For example:

The first substantive line in Representative Giddings’s May 26, 2021 written response (Ex. 11) states that “[t]his complaint is unfounded in both law and fact and is an attempt at unconstitutional censorship.” The second substantive sentence states that “[t]he complaint constitutes an attack on my Free Speech – specifically political speech – rights protected under . . . the First Amendment to the United States Constitution . . . .”

a. But during testimony, Representative Giddings was asked “is it your position that you’re the victim of censorship in this case?” and she responded “Mr. Chairman this really is absurd. That has nothing to do with this at all.” When asked a second time: “Q. So is part of your defense to the complaints that have been read to the committee and that are before you, that you're a victim of censorship? Is that accurate? A. It's interesting how you're trying to feed words into my mouth like was done at the previous hearing.”

b. She was later asked: “Q. Representative Giddings, do you believe that the First Amendment is an absolute right? A. Mr. Chairman and Mr. McCurdy, I don't think I'm here to talk about my beliefs, because I believe in God and I believe in organic food. Q. Well, Representative Giddings, I think what I'm getting to is whether you believe that your actions that have been outlined in the complaints are protected by the First Amendment of the constitution? A. I believe I still don't know what I've been accused of and what the actual evidence is, so maybe you can show me, specifically point out to . . .”

Dismissal of the Chaney Complaint

On August 3, 2021, the Committee unanimously voted in favor of a motion to dismiss the April 19, 2021 Chaney Complaint. The motion to dismiss was made on the grounds that the allegations contained in the Chaney Complaint are fully addressed by the subsequently filed Group Complaint.

Findings

The Committee is charged by House Rule 45(4) to weigh presented evidence “according to its reliability” in consideration of the Complaints. Upon review of the available evidence, the Committee finds clear and convincing evidence:

1. That Representative Giddings is a member of the House and subject to the House Rules, including House Rule 45.

2. That House Rule 45 prohibits “[c]onduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.”

3. That rules of legislative procedure are derived from several sources, including but not limited to customs, usage, and precedents.30

4. That the House has a right to self-protection in the exercise of its rules and in the discipline of its member.31

5. That there is a custom and precedent among members of the House to respect the privacy of individuals that make complaints against members of the House, and to exercise discretion before revealing biographical details of individuals that make such complaints.

6. That it is the custom in both the public and private employment sectors to avoid disclosing personal information of individuals that make complaints, so as to limit the risk of retaliation, invasion of privacy, and to avoid a potential chilling effect that may deter future victims from coming forward.

7. That on April 16, 2021, Representative Giddings’s shared a post on her publicly visible Facebook feed that included a photo of Jane Doe.

---

8. That the April 16, 2021 Facebook post included a direct link to an article that contained the same photo of Jane Doe along with several mentions of Jane Doe’s actual name.

9. That on or around April 17, 2021, Representative Giddings shared that same article link in her newsletter that she puts out at the end of every week in her official capacity as a member of the House.

10. That there is no evidence any other members of the House publicly shared or disseminated personal information of Jane Doe in April 2021 or thereafter, and there is no evidence of the personal information of any past complainants being widely shared by members of the House in other, similar circumstances.

11. That Representative Giddings’s social media posting of Jane Doe’s actual name and photo in the course of the von Ehlinger ethics investigation was conduct unbecoming a member of the House of Representatives and detrimental to the integrity of the House as a legislative body.

13. That elements of Representative Giddings’s testimony and her personal statement to the Committee prior to her public testimony were contradicted by other evidence in the record and cast doubt on her credibility as a witness. Those contradictions include, but are not limited to, those addressed above as well as the following:

   a. Representative Giddings testified that she did not post a photo of Jane Doe after the ethics proceedings against Representative von Ehlinger became public, but Exhibit 4 shows a photo of Jane Doe visible on Representative Giddings’s Facebook page on April 16, 2021 and the von Ehlinger proceeding became public on April 15, 2021.

   b. Representative Giddings testified on April 28, 2021 that she posted the Redoubt News Article (Ex. 5) to accurately represent both sides of the von Ehlinger story but subsequently testified that she only skimmed the article before posting and did not read it thoroughly.

   c. Representative Giddings misstated the nature of the Group Complaint. She stated that “the entire Democratic Caucus” had signed the Group Complaint, when in fact only 8 of the 12 members of the Democratic Caucus had done so (Ex. 2). She also referred to the Group Complaint as the “Bedke Complaint.”

but all four testifying witnesses who signed the Group Complaint testified that Representative Brooke Green organized the effort behind the Group Complaint. Further, Representative Green testified that Speaker Bedke was approached “at the very tail end” of the organizing process.\textsuperscript{35}

d. Representative Giddings testified that she first learned that Jane Doe’s identity was to be concealed “hours before” the von Ehlinger hearing on April 28, 2021,\textsuperscript{36} but she received an email on April 19, 2021 from Representative von Ehlinger’s then attorney Dave Leroy to confirm that unredacted witness information be destroyed and not disseminated to the media.

14. That Representative Giddings’s testimony during the April 28, 2021 ethics hearing was not forthright and not consistent with her witness oath to the tell “the truth, the whole truth, and nothing but the truth.” Committee members addressed this at length in their August 3, 2021 on-the-record remarks. For example:

a. REPRESENTATIVE CRANE: “Was the House reputation damaged by releasing the story? Maybe. But the real damage . . . to the integrity of the House was how you responded. Under oath, when asked about releasing the photo, the posting of it, the administration of your Facebook account in the Aaron von Ehlinger hearing you were not forthright.”\textsuperscript{37}

b. REPRESENTATIVE McCROSTIE: “The half-truths, misinformation, and incomplete facts given by the respondent both yesterday and during a prior hearing harms the integrity of the House as a legislative body, as well as this Ethics Committee, whoever comprises its memberships now or in the future. To ignore the respondent's conduct is impossible without simultaneously harming the House as an institution.”\textsuperscript{38}

c. CHAIRMAN DIXON: “Our role up here is to determine whether a member's conduct is detrimental to the House of Representatives as a whole. Equally as important is the trust between members. Can we trust statements made in committee, from the dais, or in presenting legislation? Can we trust statements made on the floor? And being less than truthful during a public hearing while under oath abridges the trust in both the public and fellow members of the House of Representatives and can justly be construed as conduct unbecoming and detrimental to the House of Representatives.”\textsuperscript{39}

15. That Representative Giddings’s conduct in connection with her testimony on April 28, 2021 damaged the integrity of the House as a legislative body.

16. That Representative Giddings’s conduct constitutes conduct unbecoming a Representative under House Rule 45.

Recommendation

Following our investigation and hearing held pursuant to House Rule 45, the Committee unanimously finds by clear and convincing evidence that Representative Priscilla Giddings engaged in conduct unbecoming a Representative which is detrimental to the integrity of the House as a legislative body.

Therefore, we unanimously recommend that the House of Representatives censure Representative Giddings with the restrictions and conditions that she be removed from her seat on the House Commerce and Human Resources Committee.
