

STATEMENT OF PURPOSE

RS28356 / H0087

The proposed legislation requires all members of a municipal impact advisory committee reside within the jurisdictional boundaries of the government entity. Currently, section 62-8205 requires two (2) members of the development community be on the committee. This amendment keeps that requirement and adds a requirement that at least two (2) members are not part of the development community. This bill also prevents government employees or officials, acting in their official capacity, from serving on the committee.

FISCAL NOTE

There is no expected fiscal impact to the General Fund, nor to any other state or local budgets or agencies.
