

STATEMENT OF PURPOSE

RS28640 / H0273

This legislation establishes a sunset date of July 1, 2022 for the legislative re-review of the following five occupational licensing chapters within Title 54, Idaho Code: abstracters of title, state athletic commission, certified shorthand reporters board, board of massage therapy, and genetic counselor licensing board. This legislation works in conjunction with the sunrise and sunset procedures established by the legislature to ensure that all regulatory requirements are periodically re-examined to ensure there is a balance between public safety and restrictions of professions.

FISCAL NOTE

If the Occupational and Professional Review Committee meets to sunrise any of these occupational licensing chapters, there would be the typical costs associated with the 1-3 meetings needed to review any sunrise requests. The costs of such sunrise have been outlined in corollary legislation.
