SECTION 4. That Section 33-1004E, Idaho Code, be, and the same is hereby amended to read as follows:

33-1004E. DISTRICT'S SALARY-BASED APPORTIONMENT. Each district shall be entitled to a salary-based apportionment calculated as provided in this section.
(1) To determine the apportionment for instructional staff, take
the amounts indicated on the career ladder table plus the amounts associ-
ated with the additional education allocation amounts pursuant to section
33-1004B, Idaho Code, and calculate the weighted average. The amount so
determined shall be multiplied by the district staff allowance for instruc-
tional staff determined as provided in section 33-1004(2), Idaho Code.
Full-time instructional staff salaries shall be determined from a salary
schedule developed by each district and submitted to the state department of
education. No full-time instructional staff member or pupil service staff
member on the residency compensation rung shall be paid less than the minimum
dollar amount on the career ladder residency compensation rung pursuant to
section 33-1004B, Idaho Code, for the applicable fiscal year.

(2) Effective July 1, 2022, no full-time instructional staff member
or pupil service staff member on the professional or advanced professional
compensation rung shall be paid less than the minimum dollar amount on the
career ladder professional compensation rung pursuant to section 33-1004B,
Idaho Code, for the applicable fiscal year.

(3) Effective July 1, 2025, no full-time instructional staff member or
pupil service staff member on the advanced professional compensation rung
shall be paid less than the minimum dollar amount on the advanced profes-
sional compensation rung pursuant to section 33-1004B, Idaho Code, for the
applicable fiscal year.

(4) If an instructional staff member has been certified by the national
board for professional teaching standards, the staff member shall receive
two thousand dollars ($2,000) per year for five (5) years from the year in
which national board certification was earned. The district staff allot-
ment shall be increased by two thousand dollars ($2,000) for each national
board-certified instructional staff member who earned national board cer-
tification; provided however, that no such awards shall be paid for the pe-
riod July 1, 2010, through June 30, 2011, nor shall any liabilities accrue
or payments be made pursuant to this section in the future to any individu-
als who would have otherwise qualified for a payment during this stated time
period. The resulting amount is the district's salary-based apportionment
for instructional staff. For purposes of this section, teachers qualifying
for the salary increase shall be those who have been recognized as national
board-certified teachers as of July 1 of each year.

(5) To determine the apportionment for pupil service staff, take
the amounts indicated on the career ladder table plus the amounts associ-
ated with the additional education allocation amounts pursuant to section
33-1004B, Idaho Code, and calculate the weighted average. If the district
does not employ any pupil service staff, the district's pupil service staff
average salary shall equal the district's instructional staff average
salary for purposes of calculating pupil service salary-based apportion-
ment. The amount so determined shall be multiplied by the district staff al-
lowance for pupil service staff determined pursuant to section 33-1004(3),
Idaho Code. Full-time pupil service staff salaries shall be determined from
a salary schedule developed by each district and submitted to the state de-
partment of education. The resulting amount is the district's salary-based
apportionment for pupil service staff. No full-time pupil service staff
member shall be paid less than the minimum dollar amount on the career ladder
(6) To determine the apportionment for district administrative staff, first determine the district average experience and education index by placing all eligible certificated administrative employees on the statewide index provided in section 33-1004A, Idaho Code. The resulting average is the district index. If the district does not employ any administrative staff, the district administrative index shall equal the statewide average index for purposes of calculating administrative salary-based apportionment. The district administrative staff index shall be multiplied by the base salary of thirty-eight thousand seventeen dollars ($38,017) thirty-eight thousand seven hundred seventy-seven dollars ($38,777). The amount so determined shall be multiplied by the district staff allowance for administrative staff determined as provided in section 33-1004(4), Idaho Code. The resulting amount is the district's salary-based apportionment for administrative staff.

(7) To determine the apportionment for classified staff, multiply twenty-two thousand seven hundred sixty-one dollars ($22,761) by the district classified staff allowance determined as provided in section 33-1004(5), Idaho Code. The amount so determined is the district's apportionment for classified staff.

(8) The district's salary-based apportionment shall be the sum of the apportionments calculated in subsections (1), (4), (5), (6) and (7) of this section, plus the benefit apportionment as provided in section 33-1004F, Idaho Code.
