

STATEMENT OF PURPOSE

RS28983 / S1215

This bill corrects a section that was approved by the Joint Finance-Appropriations Committee for the Department of Water Resource's Flood Management Grant Program in S1160, which was the original appropriation bill for FY 2022. The funding for the program was included in Section 1 of that bill, and this bill will replace Section 5 of S1160 to reflect that there would not be a transfer in addition to the amounts outlined in Section 1.

FISCAL NOTE

This bill has the impact of potentially saving \$1,000,000 from the General Fund by clarifying that there is not an additional transfer to the Water Management Account in excess of what was provided in Section 1 of S1160.
