DOCKET NO.	DESCRIPTION	PRESENTER
	Discussion regarding last week's objectives: a) Should the sunset date (July 1, 2021) be modified or should it be allowed to expire? b) If the date is to be modified, should it be eliminated altogether or extended? c) If it is decided to extend the sunset date, is the granted immunity appropriate or should it be modified? d) As a whole, would the resultant state of tort law represent an appropriate balance between the public's right to seek redress and the need to conduct their activities, businesses, and education in a reasonable manner without the burden of meritless litigation?
