**RS 28213C1** **STATE BUDGET TERMINOLOGY - JOSHUA C. WHITWORTH, State Controller's Office**

**Mr. Whitworth** presented the **RS28213C1**. This Proposed Legislation addresses two items in the Idaho Code with the intent to provide greater clarity and align the Luma system with Idaho Code. One item is to set consistency in the terminology across the budgeting, accounting, and financial areas to ensure that there is consistency in terms, legislation, and accounting. The second action is to provide clarity on the alignment of the end-of-year processes. This proposed legislation is representative of the work that's been done over the last year and a half. It is a result of meetings with the legislative service office, Division of Accounting, the Fiscal Policy Advisory Committee (FPAC), Division of Financial Management, etc.

**Rep. Giddings** noticed the Fiscal Note does only say there is no fiscal impact anticipated to the state and there is not compliance with Joint Rule 18 for two reasons. One, it does not talk about the impact on any local government and the second is in Joint Rule 18 if there is no impact, then it needs to be explained and why.

**Mr. Withworth** reaffirmed that there is no impact to locals, nor for the state, but he will adjust the Fiscal Note to conform to Joint Rule 18.

**MOTION:** Original Motion: Moved by **Rep. Nash** to introduce **RS28213C1**.  
Motion carried by voice vote.

**ADJOURN:** There being no further business to come before the Committee, **Chairman Youngblood** adjourned the Committee at 9:42 a.m.
