

REVISED

## STATEMENT OF PURPOSE

RS29732 / S1374

This legislation defines a career exploration experience for Idaho 8th grade students to assist them in identifying potential interests and resulting career paths. It complements and strengthens existing individual career pathway requirements.

## FISCAL NOTE

There is no fiscal impact because previously appropriated funds are available for use. Existing funds are available to support career exploration and provide professional development for course instructors. Local Education Agencies (LEAs) are authorized to substitute this activity for other defined requirements.
