

## STATEMENT OF PURPOSE

RS30217 / H0094

This legislation will amend Idaho Code Section 22-2405 to incorporate language that defines when the individual notice to a landowner to control and eradicate noxious weeds is deemed satisfied and served. This clarification would prevent absentee landowners from arguing that they were not present to receive service. Additionally, the clarification would prevent landowners from evading service.

## FISCAL NOTE

This bill will not likely have any impact on the State of Idaho's General Fund because it simply clarifies the notice requirements for county noxious weed departments and does not require any state appropriations.
