

REVISED

## STATEMENT OF PURPOSE

RS30352 / H0181

This bill increases the funding for Advanced Opportunities program from \$4125 per student to \$4625 per student. Additionally, the bill removes the \$500 per course, \$1000 per year cap limit on Career Technical Education (CTE) courses, allowing the full \$4625 to be used towards CTE courses if a student so chooses.

## FISCAL NOTE

\$23,536,420 of General Funds were spent on Advanced Opportunities program in FY 2022. If additional funds are needed beyond what is appropriated, they are withdrawn from the Public Education Stabilization Fund (PESF). If fewer funds are used than what is appropriated, funds are deposited in PESF. This bill proposes to add an additional \$10,000,000 in state funding to pay for anticipated expanded use.
