Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. LEGISLATIVE FINDINGS AND LEGISLATIVE INTENT. It is the intent of the Legislature to meet the funding needs of schools and also to grant tax relief to the citizens of Idaho by reducing their property tax burdens. The Legislature finds that property taxes are being driven to a large extent by supplemental levies and bonds for schools and that enhanced funding for education at the state level can mitigate the need for reliance on local property taxpayers for school operations and facility costs and thereby also reduce the number of dates needed for holding school levy and bond elections.
SECTION 2. That Chapter 9, Title 33, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 33-911, Idaho Code, and to read as follows:

33-911. SCHOOL DISTRICT FACILITIES FUND. (1) There is hereby created in the state treasury the school district facilities fund. The fund shall consist of moneys provided pursuant to sections 57-811 and 63-3638, Idaho Code, and any other legislative transfers or appropriations. Interest earned from the investment of moneys in the fund shall be returned to the fund.

(2) The moneys in the fund shall be distributed by the state controller to the state department of education by August 1 each year for the purpose of construction or renovation of school facilities. The moneys shall be distributed by the state department of education to each school district, as defined in section 33-1001(21), Idaho Code, on a per-pupil basis, using the average daily attendance calculation provided in section 33-1003A, Idaho Code, except that a student attending less than half-time through a virtual learning program shall not be counted toward that school district's average daily attendance calculation. The state department of education shall transfer the moneys by no later than August 31 each year to each school district. Such moneys shall be used in place of property tax levy moneys and shall be expended by a school district for one (1) or more of the purposes set forth in paragraphs (a) through (d) of this subsection. Moneys in the fund must be used by a school district in the following order of priority:

(a) Payment of existing school bonds authorized pursuant to chapter 11, title 33, Idaho Code;
(b) Payment of supplemental school levies authorized pursuant to section 33-802, Idaho Code, excluding indefinite term supplemental levies described in section 33-802(5), Idaho Code;
(c) Saved in a reserve account by the school district for future school facility construction or renovation needs; and
(d) For use in securing and making payments on a new school facilities bond.

(3) The amount of moneys received by a school district pursuant to this section must be deducted from a school levy that would otherwise have been paid by property taxpayers. Such moneys may not be duplicated by the collection of property tax, and no property taxes may be collected in order to make extra payments on expenses described in subsection (2) of this section in excess of required amounts.

(4) Each school district shall identify the amount received in the current year pursuant to this section in the certification of its budget in accordance with section 63-803, Idaho Code. Said amount must be subtracted from the amount to be levied. The amount of moneys thereby saved from being collected by a property tax levy shall be reported on each property tax notice pursuant to section 63-902, Idaho Code.

(5) Each school district shall report annually to the state department of education, in a manner prescribed by it, on the expenditure of moneys it has received pursuant to this section. The state department of education shall present the reports to the legislature each January.

ballot shall be submitted to the county clerk at least sixty (60) days before
an election held in May or November of even-numbered years and at least fifty
(50) days before all other elections.

63-724. HOMEOWNER PROPERTY TAX RELIEF. (1) It is the intent of the legislature to provide property tax relief on owner-occupied properties in Idaho receiving the homestead property tax exemption pursuant to section 63-602G, Idaho Code, as of the second Monday in July each year by providing state moneys as replacement funding as provided in this section. This section does not apply to occupancy taxes levied pursuant to section 63-317, Idaho Code.

(2) For the purpose of this section:

(a) "Eligible property taxes" means all property tax levies on homes receiving the homestead property tax exemption pursuant to section 63-602G, Idaho Code, as of the second Monday in July each year, except for bonds, school district levies, plant facility levies, and any voter-approved temporary levy for a specific duration. When calculating the eligible property taxes for the purpose of this section, the taxable value of each property shall include the value of no more than one (1) acre.

(b) "Homeowner property tax relief homestead" means a property receiving the homestead property tax exemption pursuant to section 63-602G, Idaho Code, as of the second Monday in July each year.

(3) There is hereby created in the state treasury the homeowner property tax relief account. Moneys in this account shall consist of moneys transferred from the general fund and are continuously appropriated for homeowner property tax relief pursuant to the provisions of this section.

(4) The county assessor shall prepare a homeowner property tax relief roll, which shall be in addition to all other property rolls. (c) The property's current market value for assessment purposes.
(5) (a) The county auditor shall complete the homeowner property tax relief roll by adding the following information:

(i) The current year's levy for the tax code area in which the property is situated;
(ii) The amount of eligible property taxes levied on each qualifying homestead; and
(iii) The total amount of eligible property taxes levied on all properties within the county that are receiving the homestead property tax exemption as of the second Monday in July of each year.

(b) By no later than the fourth Monday of October each year, the county auditor shall certify the completed homeowner property tax relief roll to the state tax commission in the manner prescribed by rules promulgated by the state tax commission.

(6) The state tax commission shall determine the total number of homeowner property tax relief homesteads to be allowed in each county, the dollar amount of eligible property taxes for each homeowner property tax relief homestead allowed, and the total dollar amount of eligible property taxes for all homeowner property tax relief homesteads within each county. The state tax commission shall divide the moneys in the homeowner property tax relief account as of August 1 each year by the total dollar amount of eligible property taxes levied on all such property tax relief homesteads in all counties, then multiply the result by the total amount of eligible property taxes levied on such homesteads in each county. This amount shall be certified to the county auditor and tax collector by the state tax commission no later than the first Monday in November. By no later than December 20 of each year, the state tax commission shall pay to the county tax collector of each county the first half of the amount due to each county as reimbursement for homeowner property tax relief as provided in this section and shall pay the second half of such amount by no later than June 20 of the following year.

(7) The state tax commission may audit each and every property on the homeowner property tax relief roll. If the state tax commission determines that a homeowner property tax relief homestead credit is erroneous, the state tax commission shall disapprove as much of the credit as necessary in order to conform with statutory standards. The state tax commission shall provide the homeowner written notice of the state tax commission's intent to disapprove all or a portion of the credit. The homeowner shall have twenty-eight (28) days to make written protest to the state tax commission of the intended action. The homeowner may submit additional information and may request an informal hearing with the state tax commission. If the homeowner fails to make written protest within twenty-eight (28) days, the state tax commission shall provide written notice of disapproval to both the homeowner and the county auditor of the county in which the property is situated by December 20. Any homeowner whose claim is disapproved in whole or in part by the state tax commission may appeal such disapproval to the board of tax appeals or to the district court of the county of residence of the taxpayer within thirty (30) days.

(8) Each county treasurer shall apply the moneys received pursuant to subsection (6) of this section to the eligible property taxes levied on the properties listed on the certified homeowner property tax relief roll that
year. The moneys shall be designated as a line item credit against the total of all eligible property taxes on the property tax bill for each property receiving the tax relief provided by this section. Such moneys shall be distributed in the same manner as property tax revenues.

(9) The amount of property tax relief for a homeowner's property taxes shall be applied after the homestead exemption pursuant to section 63-602G, Idaho Code, has been applied. The property tax relief amount cannot exceed the actual amount of current eligible property taxes due on the homeowner's property tax notice. No delinquent property taxes, penalties, interest, or fines may be paid with moneys from this program.

(10) Nothing in this section shall prevent a homeowner from applying for or receiving any other property tax relief provided pursuant to this chapter. The property tax relief provided pursuant to this section shall be credited to the homeowner's property tax bill before any other property tax relief is applied, up to a maximum of the actual property taxes due on the homeowner property tax relief homestead.

(11) Any amount of homeowner property tax relief moneys distributed by the state tax commission to a county that exceeds the total amount of all eligible property taxes due from all homeowner property tax relief homesteads in the county shall revert to the state general fund. The county treasurer shall deposit such moneys with the state treasurer by the fourth Monday in July each year for the preceding property tax year.

(12) Within three (3) years of payment, the state tax commission may recover any erroneous or incorrect payment made to any homeowner receiving relief under this section. The deficiency determination, collection, and enforcement procedures provided in chapter 30, title 63, Idaho Code, shall apply and be available to the state tax commission for enforcement and collection under this section. Whenever liens or any other proceedings are defined as income tax liens or proceedings, they shall, when applied in enforcement or collection under this section, be described as tax relief liens and proceedings. In connection with this section, a deficiency shall consist of any amount erroneously paid on behalf of a homeowner under this section.
