6 Be It Enacted by the Legislature of the State of Idaho:

7 SECTION 1. That Section 63-208, Idaho Code, be, and the same is hereby
8 amended to read as follows:

9 63-208. RULES PERTAINING TO MARKET VALUE -- DUTY OF ASSESSORS. (1) It
10 shall be the duty of the state tax commission to prepare and distribute to
11 each county assessor and the county commissioners within the state of Idaho,
12 rules prescribing and directing the manner in which market value for assess-
13 ment purposes is to be determined for the purpose of taxation. The rules pro-
14 mulgated by the state tax commission shall require each assessor to find mar-
15 ket value for assessment purposes of all property, except that expressly ex-
16 empt under chapter 6, title 63, Idaho Code, within his county according to
17 recognized appraisal methods and techniques as set forth by the state tax
18 commission; provided, that the actual and functional use shall be a major
19 consideration when determining market value for assessment purposes.

20 (2) To maximize uniformity and equity in assessment of different cat-
21 egories of property, such rules shall, to the extent practical, require the
22 use of reproduction or replacement cost less depreciation as opposed to his-
23 toric cost less depreciation whenever cost is considered as a single or one
24 (1) of several factors in establishing the market value of depreciable prop-
25 erty. The state tax commission shall also prepare and distribute amendments
26 and changes to the rules as shall be necessary in order to carry out the in-
27 tent and purposes of this title. The rules shall be in the form as the commis-
28 sion shall direct, and shall be made available upon request to other public
29 officers and the general public in reasonable quantities without charge. In
30 ascertaining the market value for assessment purposes of any item of prop-
31 erty, the assessor of each county shall, and is required to, abide by, adhere
32 to and conform with rules promulgated by the state tax commission.

33 (3) (a) After determining the current market value for assessment
34 purposes of a parcel of residential, commercial, agricultural, or in-
35 ustrial real property, the county assessor shall determine the five
36 (5) year rolling average value of the property. For the purpose of this
37 subsection, the value shall be the combined value of the land and any
38 improvements. Except as provided in paragraph (b) of this subsection,
39 the current market value for assessment purposes or the rolling average
40 calculated under this paragraph, whichever is less, shall be considered
41 the market value for assessment purposes for the property and shall be
42 entered on the property roll. If the rolling average is used, any dif-

1 ference between it and the current market value for assessment purposes
 2 shall be considered an exemption.

3 (b) In the event the property has changed ownership, the current mar-
 4 ket value for assessment purposes of the property shall be used for the
 5 first year of such a change in ownership and the rolling average shall
 6 be reset without regard for assessments made before the change in prop-
 7 erty ownership. In the event the property has changed in use or cate-
 8 gory or the property boundaries have changed during the previous five
 9 (5) years, the rolling average shall be calculated for as much of the
 10 five (5) years' assessed value that is available for the property un-
 11 der the same conditions and uses. A property that has changed in use or
 12 category or property boundaries shall be assessed at its current mar-
 13 ket value for assessment purposes for the first year of such a change and
 14 the rolling average shall be reset without regard for assessments made
 15 before the change in the property. A property that has been remodeled
 16 such that its usable square footage has increased by ten percent (10%)
 17 or more shall be newly assessed at its current market value for assess-
 18 ment purposes as provided in this paragraph as if a change in use had oc-
 19 curring.

20 (c) The provisions of this subsection do not apply to the assessment or
 21 taxation of forest lands pursuant to chapter 17, title 63, Idaho Code,
 22 or to the assessment and taxation of mines.

23 (d) The state tax commission shall promptly promulgate rules for the
 24 administration of this subsection.
