

STATEMENT OF PURPOSE

RS29928C1 / S1001

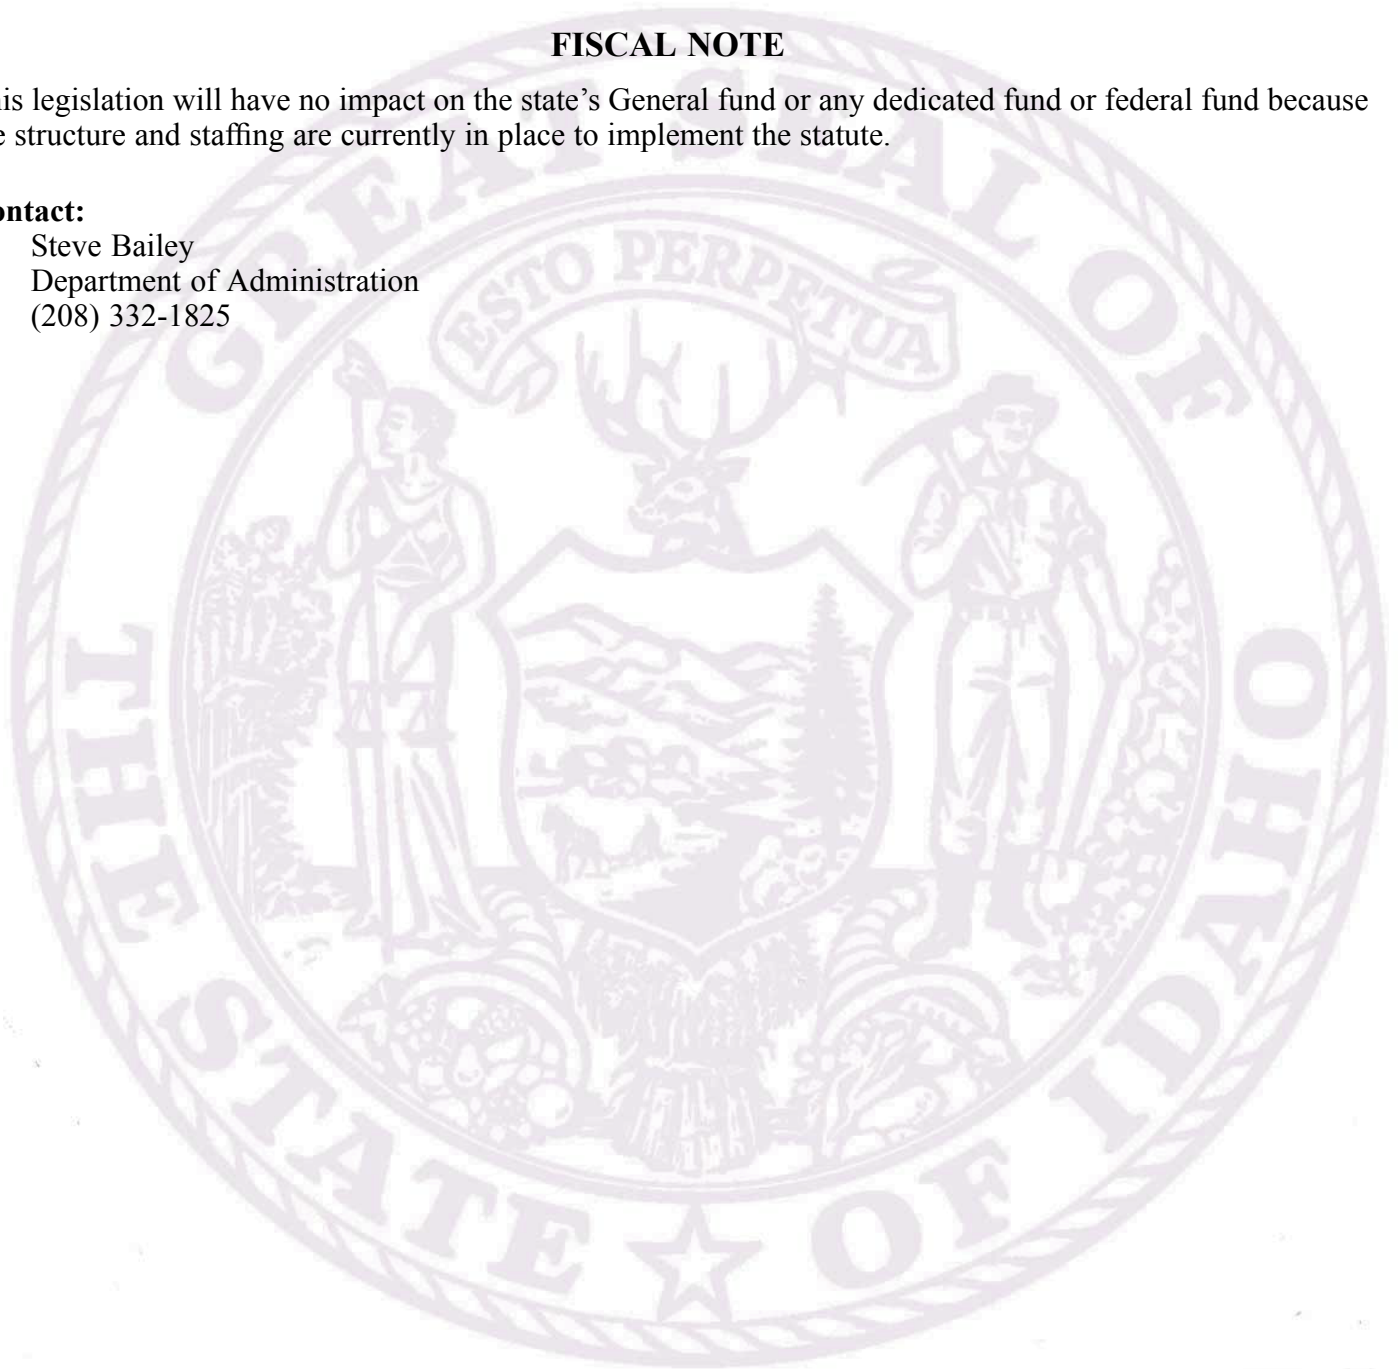

The Idaho Department of Administration proposes legislation related to Red Tape Reduction within Title 22. This legislation repeals the existing code that requires rules for state agencies to manage the acquisition, rental, tax status, and record-keeping for state-owned dwellings. The rules duplicate various statutes.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because the structure and staffing are currently in place to implement the statute.
