ter 66, Title 33, Idaho Code, and to read as follows:

CHAPTER 66
PROTECTING THE PRIVACY AND SAFETY OF STUDENTS IN PUBLIC SCHOOLS

33-6601. LEGISLATIVE FINDINGS. The legislature finds that:
(1) There are real and inherent physical differences between men and
women;
(2) Every person has a natural right to privacy and safety in restrooms
and changing facilities where such person might be in a partial or full state
of undress in the presence of others;
(3) This natural right especially applies to students using public
school restrooms and changing facilities where student privacy and safety is
essential to providing a safe learning environment for all students;
(4) Requiring students to share restrooms and changing facilities with
members of the opposite biological sex generates potential embarrassment,
shame, and psychological injury to students, as well as increasing the like-
lihood of sexual assault, molestation, rape, voyeurism, and exhibitionism;
(5) Providing separate public school restrooms and changing facilities
for the different biological sexes is a long-standing and widespread prac-
tice protected by federal law, state law, and case law;
(6) Federal legislative action, federal executive action, and fed-
eral court judgments that prevent public schools from maintaining separate
restrooms and changing facilities for different biological sexes are in-
consistent with the United States constitution and violate the privacy and
safety rights of students; and
(7) A statewide policy ensuring separate school restrooms and chang-
ing facilities on the basis of biological sex is substantially related to the
important governmental interest in protecting the privacy and safety of all
students.
33-6602. DEFINITIONS. For the purposes of this chapter:
   (1) "Changing facility" means a facility in which a person may be in a 
       state of undress in the presence of others, including a locker room, changing 
       room, or shower room.
   (2) "Public school" means any public school teaching K-12 students 
       within an Idaho school district or charter school.
   (3) "Sex" means the immutable biological and physiological character- 
       istics, specifically the chromosomes and internal and external reproductive 
       anatomy, genetically determined at conception and generally recognizable at 
       birth, that define an individual as male or female.

33-6603. SCHOOL RESTROOMS. (1) Every public school restroom or chang- 
   ing facility accessible by multiple persons at the same time must be:
      (a) Designated for use by male persons only or female persons only; and 
      (b) Used only by members of that sex.
   (2) No person shall enter a multi-occupancy restroom or changing facil- 
       ity that is designated for one sex unless such person is a member of that sex. 
       The public school with authority over the building shall ensure that all re- 
       strooms and changing facilities provide its users with privacy from members 
       of the opposite sex.
   (3) In any other public school setting where a person may be in a state 
       of undress in the presence of others, school personnel must provide separate 
       and private areas designated for use by persons based on their sex, and no 
       person may enter these private areas unless such person is a member of the 
       designated sex.
   (4) During any school authorized activity or event where persons share 
       overnight lodging, school personnel must provide separate sleeping quar- 
       ters for members of each sex. No person shall share sleeping quarters, a 
       restroom, or a changing facility with a person of the opposite sex, unless 
       the persons are members of the same family.

33-6604. EXEMPTIONS. This chapter shall not apply:

       designated for use by that person's biological sex;
   (3) To a person of one sex who uses a single-sex facility designated for 
       the opposite sex, if such single-sex facility is the only facility reason- 
       ably available at the time of the person's use of the facility;
   (4) To a person employed to clean, maintain, or inspect a restroom or

(2) A reasonable accommodation does not include access to a restroom, changing facility, or sleeping quarter that is designated for use by members of the opposite sex while persons of the opposite sex are present or could be present.

33-6606. CIVIL CAUSE OF ACTION. (1) Any student who, while accessing a public school restroom, changing facility, or sleeping quarters designated for use by the student's sex, encounters a person of the opposite sex has a private cause of action against the school if:
(a) The school gave that person permission to use facilities of the opposite sex; or
(b) The school failed to take reasonable steps to prohibit that person from using facilities of the opposite sex.
(2) Any civil action arising under this chapter must be commenced within four (4) years after the cause of action has occurred.
(3) Any student who prevails in an action brought under this chapter may recover from the defendant public school five thousand dollars ($5,000) for each instance that the student encountered a person of the opposite sex while accessing a public school restroom, changing facility, or sleeping quarters designated for use by aggrieved student's sex.
