Mr. Chairman, members of the Committee,
I see SB1120 on your Agenda for Monday, March 6th. I don't hold a liquor license or have any intent of acquiring one. However, SB1120 is treading on the private sector. Agreed, Idaho controls the sale of liquor by the drink and regulates licenses to see only those over 21 are permitted to be served alcohol in any licensed establishment. However, SB1120 if passed would trample on private businesses and interfere in the conduct of essentially private transactions between private business owners. I oppose SB1120 and urge the members of the Committee to vote No or vote to Hold SB1120 in Committee. In spite of the Chairman presenting the bill. Have courage members of the Committee to keep the camel's nose out of the tent.
Thank you for your attention.
