Idaho Rural Water Association

Idaho Rural Water Association's Drinking Water and Wastewater Registered Apprenticeship Programs

## Start a Career That Makes a Difference in Your Community

### Why Choose Us

With a proven track record of success, Idaho Rural Water Association's Apprenticeship Program prepares the apprentice to succeed in the field of water and wastewater operations. We offer a 1-year Class I or 2-year Class II program to fit your needs.

### → Virtual Classes

Convenient online, live instructor-led classes make it easy to learn from anywhere in Idaho!

### → Books Provided

We provide all the books and learning materials the apprentice will need.

### → Individualized Attention

IRWA is devoted to the success of our apprentices. The apprenticeship team is there to guide the apprentice through the program from start to finish and beyond.

### Did You Know?

More than half of Idaho's water and wastewater operators are within 10 years or less of retirement. Is your community prepared?
