# D91 Bond would pay to:

## **BUILD NEW HIGH SCHOOL TO REPLACE OVERCROWDED IDAHO FALLS HIGH SCHOOL**

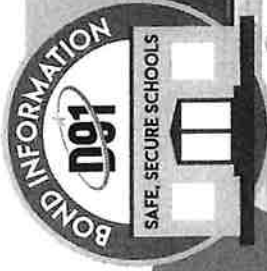

The current IFHS campus would eventually become the permanent home of D91's Career Technical Education Center with community spaces for sports and arts.

## **REPAIR, RENOVATE, IMPROVE AND ADD AN AUDITORIUM TO SKYLINE HIGH SCHOOL**

## **BUILD A NEW ELEMENTARY SCHOOL ON IDAHO FALLS' SOUTH SIDE**

## **BUILD A NEW, BIGGER ELEMENTARY SCHOOL ON IDAHO FALLS' NORTH SIDE**

Replacing temple view elementary

Current facilities in use of IFHS and SHS

## **QUESTIONS ABOUT D91'S BOND PROPOSAL?**

Go to the Idaho Falls School District website at [www.ifschools.org](http://www.ifschools.org).  
Read FAQ, see conceptual plans, determine tax impact, read the Long Term Facilities Plan, and more.

D91 needs to address growth and overcrowding and improve school safety and security.

## Why Now?

- **Need** to address growth & over utilization of schools (4,000 new homes already approved for construction in IF)
- **Need** to update and improve aged facilities
- **Costs** will only increase over time
- D91's Proven Track Record of **Financial Stewardship**
- Past bond projects completed **on time and on budget**
- D91 paid 2012 bonds off early **saving millions** of dollars

## What Will It cost?

- Difference between existing and new bonds? About \$18.34 a month on a median-priced home
