

STATEMENT OF PURPOSE

RS30815 / H0429

Section 59-1363 is silent with regards to the specific time frame when a purchase of member service can be completed. PERSI rule 626 defines that a member may request the cost of a purchase of service within 90 days before a member's effective date of retirement. While the rule has defined the appropriate time frame to complete a purchase of service, it is more appropriate for the time frame to be included in statute.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because it only codifies a current rule into statute.
