

## STATEMENT OF PURPOSE

RS31574 / HJM011

The Federal government controls immigration, naturalization and entry to the United States. President Biden's administration has failed to meet its responsibility to enforce our immigration laws and secure our Nation's borders. This Memorial expresses the desire of Idaho citizens to hold President Biden and the Federal government accountable for the invasion at our southern border. Enforcing immigration laws, securing our border and reducing the flow of illegal drugs and sex trafficking must be at the forefront of any policy discussion with the need for labor absolutely secondary.
