

STATEMENT OF PURPOSE

RS30871 / S1240

The legislation amends Section 46-802, Idaho Code, that prohibits members of organizations other than the National Guard, unorganized militia, or selected other groups from associating and parading in public with firearms. The legislation supports the First and Second Amendment Rights afforded to Idahoans under the U.S. Constitution.

FISCAL NOTE

The legislation should have minimal impact on the General Fund. The only costs associated with this legislation would be the printing and dissemination of the change to Idaho Code.
