

STATEMENT OF PURPOSE

RS30973C1 / S1257

This legislation adds a clarifying definition to section 58-1312 in relation to the Lake Protection Act. It defines what the term “modified” means so that the statute can be applied in the way that the legislature originally intended when it amended this section of code in 2006.

FISCAL NOTE

This legislation will have no fiscal impact on any state funding or the costs of any political subdivisions of Idaho because all the legislation does is add a definition.
