

REVISED

STATEMENT OF PURPOSE

RS31276 / S1316

Rural Idaho cemetery districts are currently required to divide into subdistricts. These small cemetery districts, as a result, have struggled to seat board members. This bill would allow small, rural cemetery districts to conduct at-large elections of district board members.

FISCAL NOTE

This legislation only regulates elections on a local level. It does not create additional costs for local governments. It also has no impact on the state general fund.
