

STATEMENT OF PURPOSE

RS31549 / S1394

This legislation will prohibit voting systems in Idaho from being able to connect to the internet, it will also make it so that tampering with any voting system will now be considered a felony, included also gives the Secretary of State the authority to grant access to voting systems. This legislation also requires county clerks to conduct voting system accuracy testing that is open to the public prior to all elections. This bill also updates old, outdated legacy voting system language.

FISCAL NOTE

This legislation will have no impact on the general fund, other state funds or local funds since the legislation clarifies the policy being used throughout the state.
