weapon while on school property; and

weapons licenses to carry a firearm or other deadly or dangerous weapon
on school property issued pursuant to section 33-527, Idaho Code.

(6) A school employee or member of a governing board who possesses an
enhanced license to carry concealed weapons and desires to carry a concealed
weapon on school property must request and receive authorization from the school's governing board in accordance with the governing board's policy. The list of those authorized to carry a concealed weapon on school property and copies of the applicable enhanced concealed weapons licenses shall be provided to all local law enforcement, including school resource officers, the city police department, the county sheriff's office, and the Idaho state police. The decision to use a firearm or other deadly or dangerous weapon during a life-threatening incident inside of a school or on school property lies solely with the school employee or member of a governing board. The mere possession of a firearm or other deadly or dangerous weapon and an enhanced concealed carry license alone does not mandate a school employee or member of a governing board to take armed action.

(12) Nothing in this section shall prohibit a local governing board from contracting with a private contractor to provide school security.

(13) Penalties. Persons who are found guilty of violating the provisions of this section may be sentenced to a jail term of not more than one (1) year or fined an amount not in excess of one thousand dollars ($1,000) or both. If a violator is a student and under the age of eighteen (18) years,

Upon successful completion of the terms imposed by the court, the court shall discharge the offender from serving the remainder of the sentence. If the violator does not complete, is suspended from, or otherwise withdraws from the program of study imposed by the court, the court, upon receiving such information, shall order the violator to commence serving the sentence provided for in this section.
