

STATEMENT OF PURPOSE

RS31598 / S1429

This legislation creates a process for licensed professionals to request a variance from their licensing authority for a waiver of a licensing requirement under certain circumstances. It establishes a process where the licensing authority can either approve or deny the petition request.

FISCAL NOTE

This legislation will have no impact on the general fund as licensing authorities are supported by the fees from the licensed professionals whom they regulate. This legislation will not have the impact of increasing licensing fees because the waiver requests are to be handled at regularly scheduled meetings.
