

STATEMENT OF PURPOSE

RS31122 / SCR111

This Concurrent Resolution is to authorize the Idaho State Board of Education to initiate preliminary conversations with the state of Utah and Utah State University to potentially establish an operating agreement for Idaho students to participate in Utah's veterinary program. This would be similar to the existing partnership Idaho has with Washington State University. The State Board of Education will then report back their findings to the legislature.

FISCAL NOTE

There is no fiscal impact to any state or local governments. This resolution expends no funds.
