

REVISED

## STATEMENT OF PURPOSE

RS31312 / SCR116

This Concurrent Resolution works to ensure that the Students of Idaho are taught the importance of the history of Western Civilization, the founding principles of our unique form of government, and responsible participation in civic life, within applicable Social Studies, Civics, Government, U.S. History, and Western Civilization courses. Students' lack of understanding in regard to civic concepts threatens the integrity of our Republic. Our nation must acknowledge its history in order to engage with the present.
