CONVENED: Co-Chair Grow called the meeting of the Joint Finance Appropriations Committee (Committee) to order at 7:59 a.m.

UNANIMOUS CONSENT: Requested by Co-Chair Horman, granted by unanimous consent, the budget setting portion of the meeting agenda was reordered to take up items 6, 7, 8, 12, 13, 14, and 15 during the meeting, February 12, 2004.

LSO STAFF PRESENTATION: COLLEGE OF WESTERN IDAHO (CWI), LBB 1-75; Keith Bybee, Division Manager, Legislative Services Office (LSO), Budget & Policy Analysis

Mr. Bybee provided a Base review for the College of Western Idaho (CWI) including organizational structure and budget detail (see, attachment 1). CWI is a public, comprehensive community college in Southwestern Idaho with its primary campus locations in Boise and Nampa. College of Western Idaho strives to provide quality, innovative, and cost-effective programming for students – leading to economic and social mobility and meeting evolving community needs. He explained that there are four community colleges included in same appropriations bill: College of Eastern Idaho, College of Southern Idaho, College of Western Idaho, and North Idaho College.

He provided a Five-year comparison of appropriations and expenditures for FY 20 – FY 24, showing an increase in FY 21 and FY 22 estimated expenditures due to Legislative appropriation for federal Covid–19 federal appropriations. The appropriation was provided, but does not show up as expended as federal funds were utilized by the college but did not pass through the Idaho State Treasury.

He shared FY 23 Expenditures of $19,295,000, categorized as trustee and benefits payments. He provided the five-year base snapshot for FY 20 – FY 24, showing the CWI budget has grown from $14.1 million in FY 20 to $20.8 million in FY 24. He outlined FY 23 and FY 24 Budget Enhancements. FY 23 budget enhancements totaled $598,100 including: CWI Student Retention enhancement of $342,100 and CWI student success and support enhancement for $256,000. FY 2024 budget enhancements totaled $1,183,600 including: CWI Increased Nursing Capacity enhancement of $297,700, CWI – STEM Student Capacity Increase Enhancement of $443,300, CWI Student Outreach and Recruitment Enhancement of $288,800, and Additional CEC for Institutions Enhancement of $153,800.
DISCUSSION:  

Representative Tanner asked if LSO has the ability to audit once money is transferred to community college boards of trustees. Mr. Bybee stated that community colleges have third party audits and the Committee has access to those audits.

Gordon Jones, College of Western Idaho President stood to answer questions from the Committee. Senator Ward-Engelking asked how many courses at CWI provide free material for students. President Jones referred to Denise Cannata, CWI VP of Academic Affairs. Ms. Cannata stated there are 40 courses. Representative Bundy asked for an overview of how CEC effects CWI. President Jones stated the 3% CEC equals $400,000 or 40% of CWI personnel and stated that with increased growth and cost of living, it is important to prioritize pay increases. Senator Cook asked for detail on the FY 25 Operational Capacity Budget Request. President Jones stated the $275,300 request is for academic advisors that are critical to student success. The advisors make $40,000 per year and the budget request is to bring their salaries up to $45,000 per year. In response to a question from Representative Lambert, President Jones provided detail on the CWI Superbowl advertisement. In response to a question from Senator Herndon, President Jones stated he would get back to Senator Herndon with percentages on the average pay increase for positions, resulting from the Governor’s $441,200 Operational Capacity FY 25 Enhancement request. He also stated that adjunct professors are practitioners who teach CWI courses in addition to their professional work. The pay to adjunct professors is $3,000 per college course. Co-Chair Horman asked for an update on Applied Degrees. President Jones stated there are 22 other states that have created Applied Bachelors Degrees for workforce to help individuals access the job market where a Bachelors Degree is required. CWI will offer a Bachelors Degree in Business Administration with fall, 2024 as the planned start date. In response to a request from Co-Chairman Grow to provide detail for the benefit of the public about the origination of funds CWI receives from the state versus property taxes, President Jones stated community colleges have different sources of funding to allow operations including property taxes, tuition, philanthropy, and state appropriation. CWI has 31,000 students and an $80 million budget, with $12 million coming from property tax funds. Due to the modest mill rate for assess property in the CWI area, there is necessity for funding beyond property taxes. President Jones spoke to the success and expansion of CWI, stating his institution is dedicated to affordable, employable education. He also spoke about moving away from leasing, and establishing CWI’s permanent campus.
LSO STAFF PRESENTATION: COLLEGE OF EASTERN IDAHO (CEI), LBB 1-75; Keith Bybee, Division Manager, Legislative Services Office (LSO), Budget & Policy Analysis

Mr. Bybee provided a Base review for College of Eastern Idaho (CEI), including organizational structure and budget detail (see, attachment 2). Located in Idaho Falls, CEI is a comprehensive community college that provides access to affordable, quality education that meets the needs of students, regional employers, and the community. The institution, previously known as Eastern Idaho Technical College, received support from Bonneville County voters in 2017 to become Idaho's fourth community college. Funding for the college comes from a variety of sources, including the state General Fund, property taxes from the taxing district (Bonneville County), county tuition, tuition and fees, and state liquor funds. He shared the Five-Year appropriations and expenditures FY 20 – FY 24, showing increased estimated expenditures in FY 21 and FY 22 from Legislative appropriation for federal appropriations anticipated by the agency. FY 23 expenditures were 100% Trustee and Benefits. Appropriation for community colleges includes personnel costs, operating expenditures, and capital outlay; pursuant to Idaho statutes, community college appropriations are transferred to the college’s Board of Trustees as ‘Trustee and Benefits’ and expended as such.

The Five-Year Base snapshot for FY 20 – FY 24 showed a FY 20 $5.2 million Base and a $7 million FY 24 Base appropriation, with Increases driven by CEC benefit costs and line items. The budget enhancements for FY 23 included $77,200 Math faculty and $77,200 Biological Sciences Faculty for total ongoing Base change from enhancements of $154,400. The FY 24 budget enhancements were CEI- Compensation Equalization of $82,200 and Additional CEC for Institutions of $58,700 for total ongoing Base change from enhancements of $140,900. The FY 25 Budget Requests included: Operational Capacity Enhancement of $96,800 and Open Education Initiative Program of $100,000 for a total of $196,800.

DISCUSSION: Rick Aman, President of College of Eastern Idaho stood to answer questions from the Committee. In response to a question from Senator Lent, President Aman stated CEI is working toward rolling out two Applied Bachelor's degrees in January, 2025; one in Cyber Forensics and one in Operations Management. These degrees would be tailored to eastern Idaho working professionals in high tech firms and technicians looking to get into supervisor positions.

In response to a question from Representative Furniss, President Aman stated adequate faculty is the important component to increasing capacity to meet demand, and stated he would like to see expansion of four programs at CEI including: cybersecurity, post training, medical assisting, and energy systems.

In response to a question from Senator Burtenshaw about faculty pay, President Aman stated that CEI faculty is paid a base salary of $50,000–$60,000 and he will get back to the committee on how faculty pay compared with four-year university professors.

In response to a question from Senator Lent about CEI’s involvement in community in workforce training, President Aman stated community college caters to three student groups: students enrolled in lower division planning
transfer to university, dual credit students, and career technical students. In response to a question from Senator Cook regarding cybersecurity, President Aman stated CEI is located within a high tech nuclear part of Idaho and as such it has emphasized cyber security, going from zero cyber security technician graduates to over 80 within the last two years. what doing with cyber security. In response to a question from Co-Chair Herman about faculty salary, President Aman asked his CFO to respond. Byron Miles, CEI CFO stated the average K-12 salary in Idaho is over $60,000 and the average CEI faculty salary is $55,000. President Aman asked for the Committee’s support of the entire Governor’s recommended CEI budget, speaking to the necessity for the 3% CEC in retaining employees and funding for deferred maintenance for 30 year old facilities, as well as funding to address inflation, turnover, mental health of students and student counseling.

LSO STAFF PRESENTATION: GENERAL FUND UPDATE; Keith Bybee, Division Manager, Legislative Services Office (LSO), Budget & Policy Analysis

Mr. Bybee provided the Daily Fund Update to the Committee (see, attachment 3). He discussed legislation impacting revenues or requiring additional appropriation from the Committee including H 521, S 1249, and S 1271 and provided revenue, expenditure, and appropriation detail.

DISCUSSION: Mr. Bybee provided an overview of the budget setting format including omnibus bills and motions to increase omnibus amounts.

In response to a question from Senator Just regarding whether the Committee needs to formally open each budget, Co-Chairman Grow answered no.

LSO STAFF PRESENTATION: BUDGET SETTING -BOARD OF TAX APPEALS; LBB 6-179; Tim Hibbard, Analyst, LSO Budget and Policy Analysis

Mr. Hibbard presented the FY 25 budget for the Board of Tax Appeals before the Committee.

MOTION: Moved by Representative Furniss, for the Board of Tax Appeals, beginning with the FY 2025 JFAC Maintenance Budget, add $4,400 for replacement items and $7,200 for the 2% CEC. For the Board of Tax Appeals for FY 2025, totalling an additional $11,600 from the General Fund; seconded by Senator Herndon.
