

Dear Lisa,

I was unable to find a way to submit written testimony only. Please share the following with Senate Education Committee members and enter it into public record.

Thank you,
Dr. Victoria M. Young

Dear Senators,

Do not pass S1358. All three of the things it will be providing with our tax dollars are an expansion of a government "program" NOT in line with the constitutional obligation to first maintain the one system that was established. The worst of the three new fixtures is adding homeschool co-op fees to our tab.

Remember, "Empowering Parents" was a covid-era "program." It should never have become a permanent fixture.

Vote NO on S1358.

Thank you,
Victoria M. Young, DMV
District 11
Caldwell
