

STATEMENT OF PURPOSE

RS31793 / H0036

Although subpoenas are generally permitted in administrative contested cases, Idaho's Administrative Procedure Act is currently silent on procedures and enforcement. This bill outlines the parameters for the requests, issuance, service, and enforcement of such subpoenas.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund or federal fund because subpoenas are already permitted in administrative contested case proceedings, and this bill only outlines procedures and enforcement related thereto.
