

REVISED

## STATEMENT OF PURPOSE

RS31963 / H0041

The classroom is a place to foster education and to do so, students should be comfortable and free from partisan politics. Personal political beliefs disrupt the classroom and make students uncomfortable, feel unwelcome and open the door to bullying if they are in the minority mindset. Third party flags are an open political statement and do not belong in the classroom.

## FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
