

STATEMENT OF PURPOSE

RS32018 / H0043

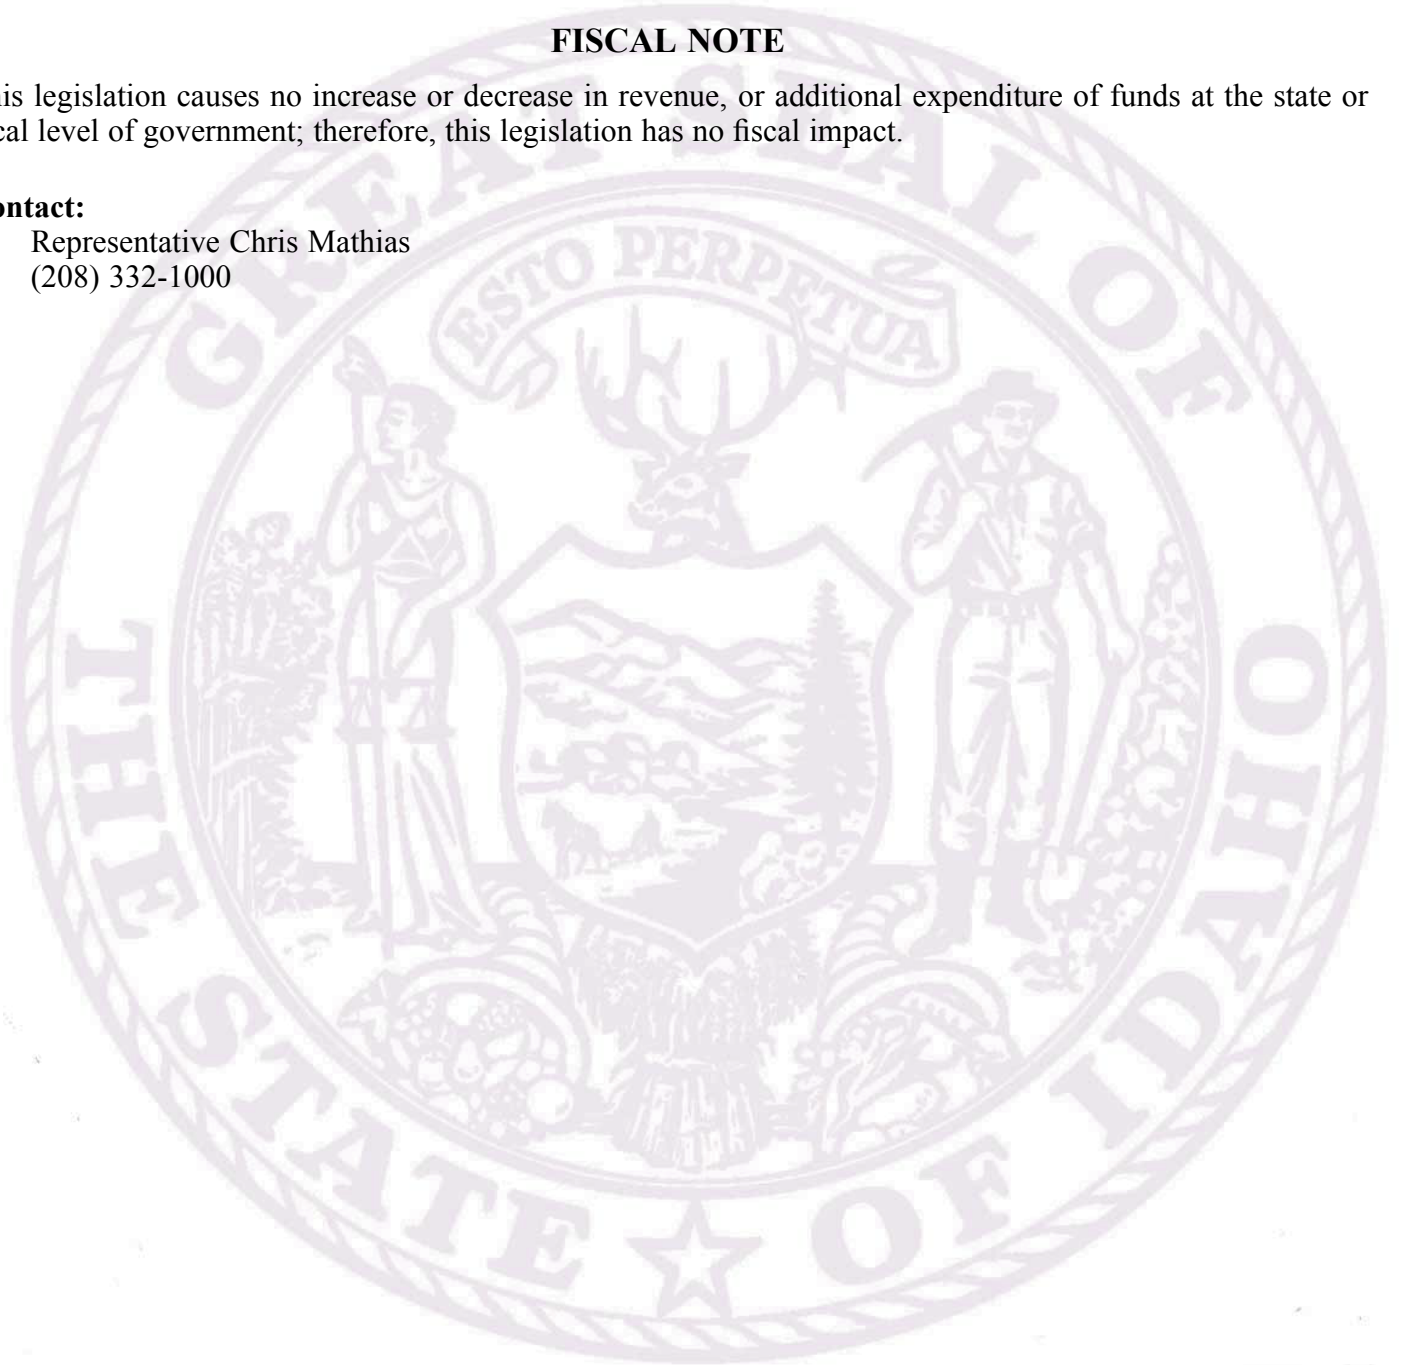

This is a school safety housekeeping bill. The existing language is confusing because it tries to do three things in a single paragraph. This proposed legislation outlines those provisions individually and makes clear that two of the requirements – emergency operations plans and trainings – are exempt from public disclosure.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
