

STATEMENT OF PURPOSE

RS31972C1 / H0162

This legislation requires that public school teachers read passages from the Bible to their classroom every day without instruction or comment, consistent with the long standing practice of school-sponsored Bible reading in both Idaho and the United States. Schools would provide reasonable accommodations to teachers and students with conscience objections.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
