REVISED

STATEMENT OF PURPOSE

RS32236 / H0168

The proposed legislation establishes the Cybersecurity and Resiliency Fund, which will be used to address the state's ongoing needs for information technology and cybersecurity infrastructure. The Office of Information Technology Services (OITS) will create a five-year plan for updating and replacing cybersecurity and IT infrastructure, which will be reviewed annually as part of the budget process. The legislation outlines what constitutes "cybersecurity technology" and "information technology infrastructure."

FISCAL NOTE

The total fiscal impact will be a $10,000,000 ongoing transfer from the General Fund to the Cybersecurity and Resiliency Fund.
