

STATEMENT OF PURPOSE

RS32287C1 / H0179

This legislation requires an affirmative action from parents or guardians to opt in to all sexually explicit material. This legislation provides a definition of human sexuality. It provides direction as to the notification of parents at least two weeks before instruction is given. The notification shall provide a brief description of the content of the instruction along with an opportunity to review the material to be taught. This further requires that alternative educational instruction be provided to any child that does not participate. Finally, this provides direction should a child receive instruction without the permission of the parent.

FISCAL NOTE

This legislation causes no increase or decrease in revenue, or additional expenditure of funds at the state or local level of government; therefore, this legislation has no fiscal impact.
