

STATEMENT OF PURPOSE

RS32773 / HJM008

This House Joint Memorial honors the work of Alex J. Adams for the State of Idaho. Mr. Adams has excelled in every role he has served in, from Director of the Idaho Board of Pharmacy and Administrator of the Division of Financial Management to the Director of the Idaho Department of Health & Welfare. His skills and abilities are being recognized at a higher level, as he has now been nominated to serve in a key role in the United States Department of Health and Human Services. Idaho's loss is the nation's gain.

FISCAL NOTE

This joint memorial does not increase or decrease public revenues or expenditures, although the loss of Mr. Adams will undoubtedly present future challenges in cost containment at the Idaho Department of Health & Welfare. It is to be hoped that this will be offset by the salubrious effects of improved management at the United States Department of Health and Human Services.
