

STATEMENT OF PURPOSE

RS32024 / HR002

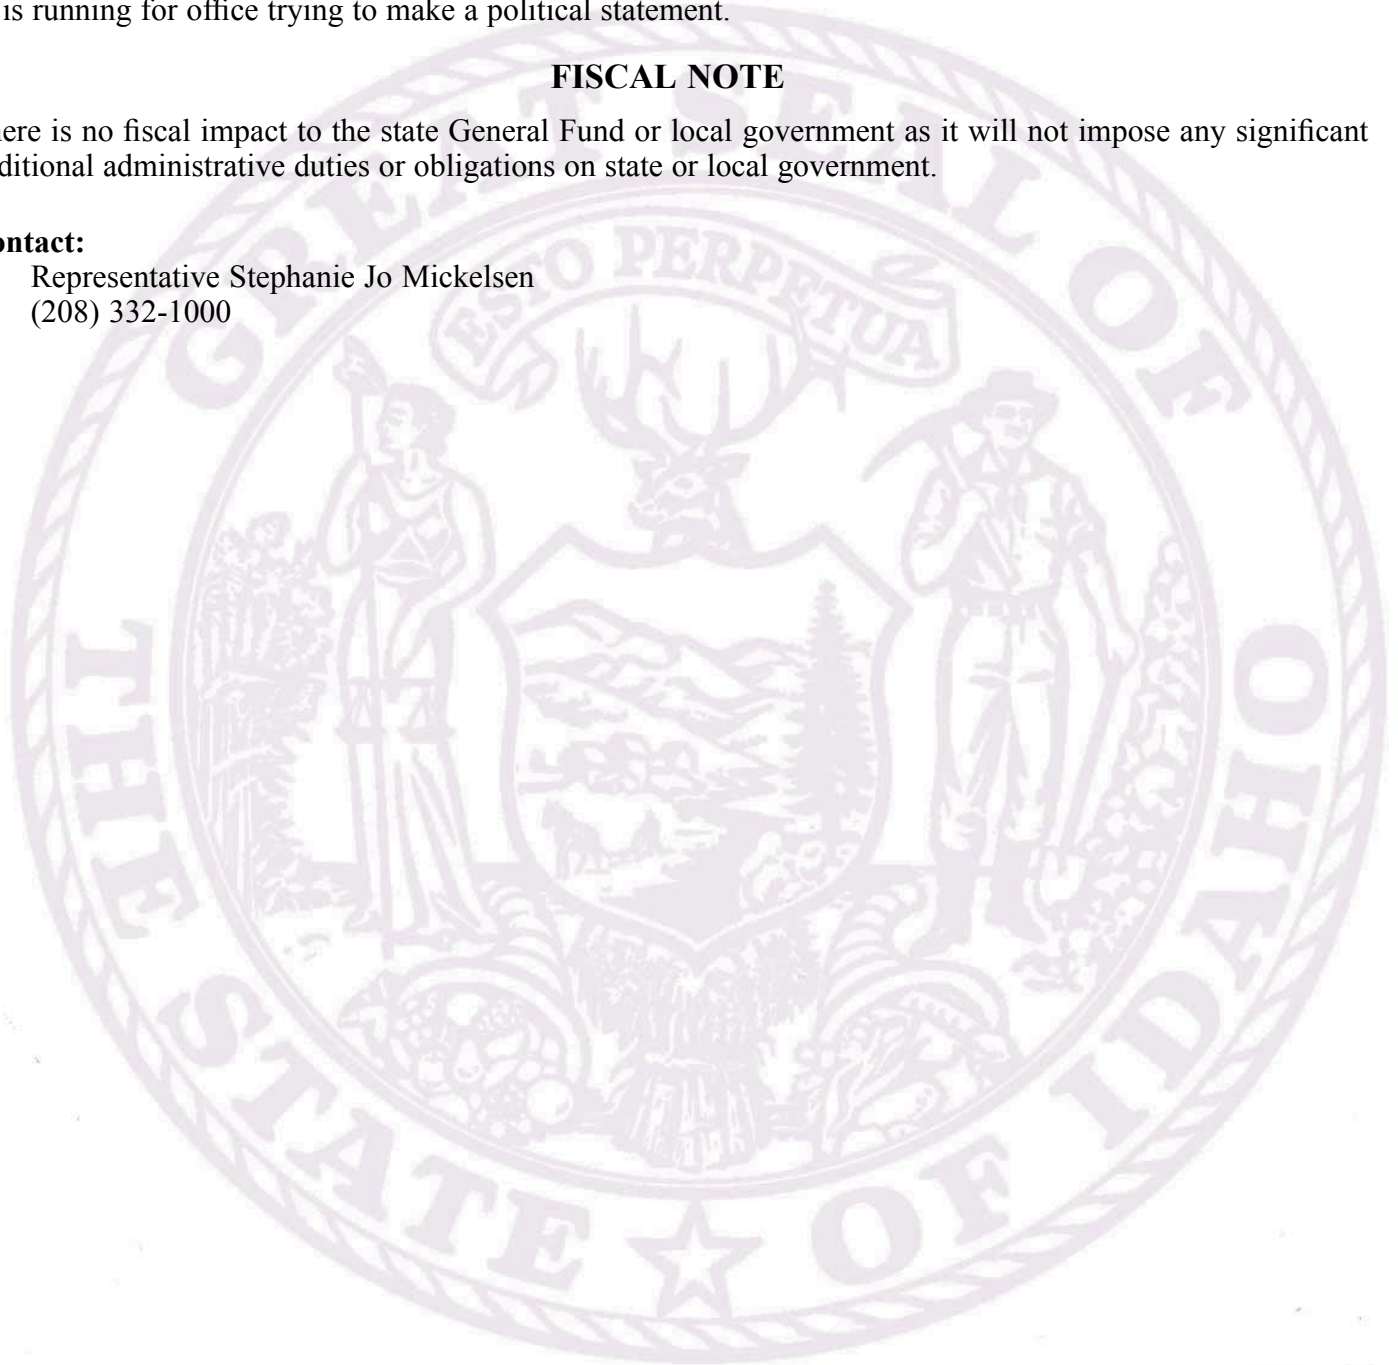

The purpose of this rule change to Rule 70 is to stop allowing any prior house member to be on the floor while the house is transacting business. Rule 70 as currently written allows prior house members to be on the floor at any time without any approval. This rule could be problematic if a prior house member becomes a lobbyist or is running for office trying to make a political statement.

FISCAL NOTE

There is no fiscal impact to the state General Fund or local government as it will not impose any significant additional administrative duties or obligations on state or local government.
