

## STATEMENT OF PURPOSE

RS31944 / S1006

This bill clarifies that projects being constructed within the State of Idaho are governed by Idaho law and procedures. This important distinction protects Idaho companies from being forced to include irrelevant standards or requirements established by other states in their Idaho work. It also ensures that Idaho companies maintain the right to pursue relief in Idaho should it be necessary to do so.

## FISCAL NOTE

This legislation causes no additional expenditure of funds at the state or local level of government nor does it cause an increase or decrease in revenue for state or local government therefore the legislation has no fiscal impact.
