

STATEMENT OF PURPOSE

RS32014 / S1052

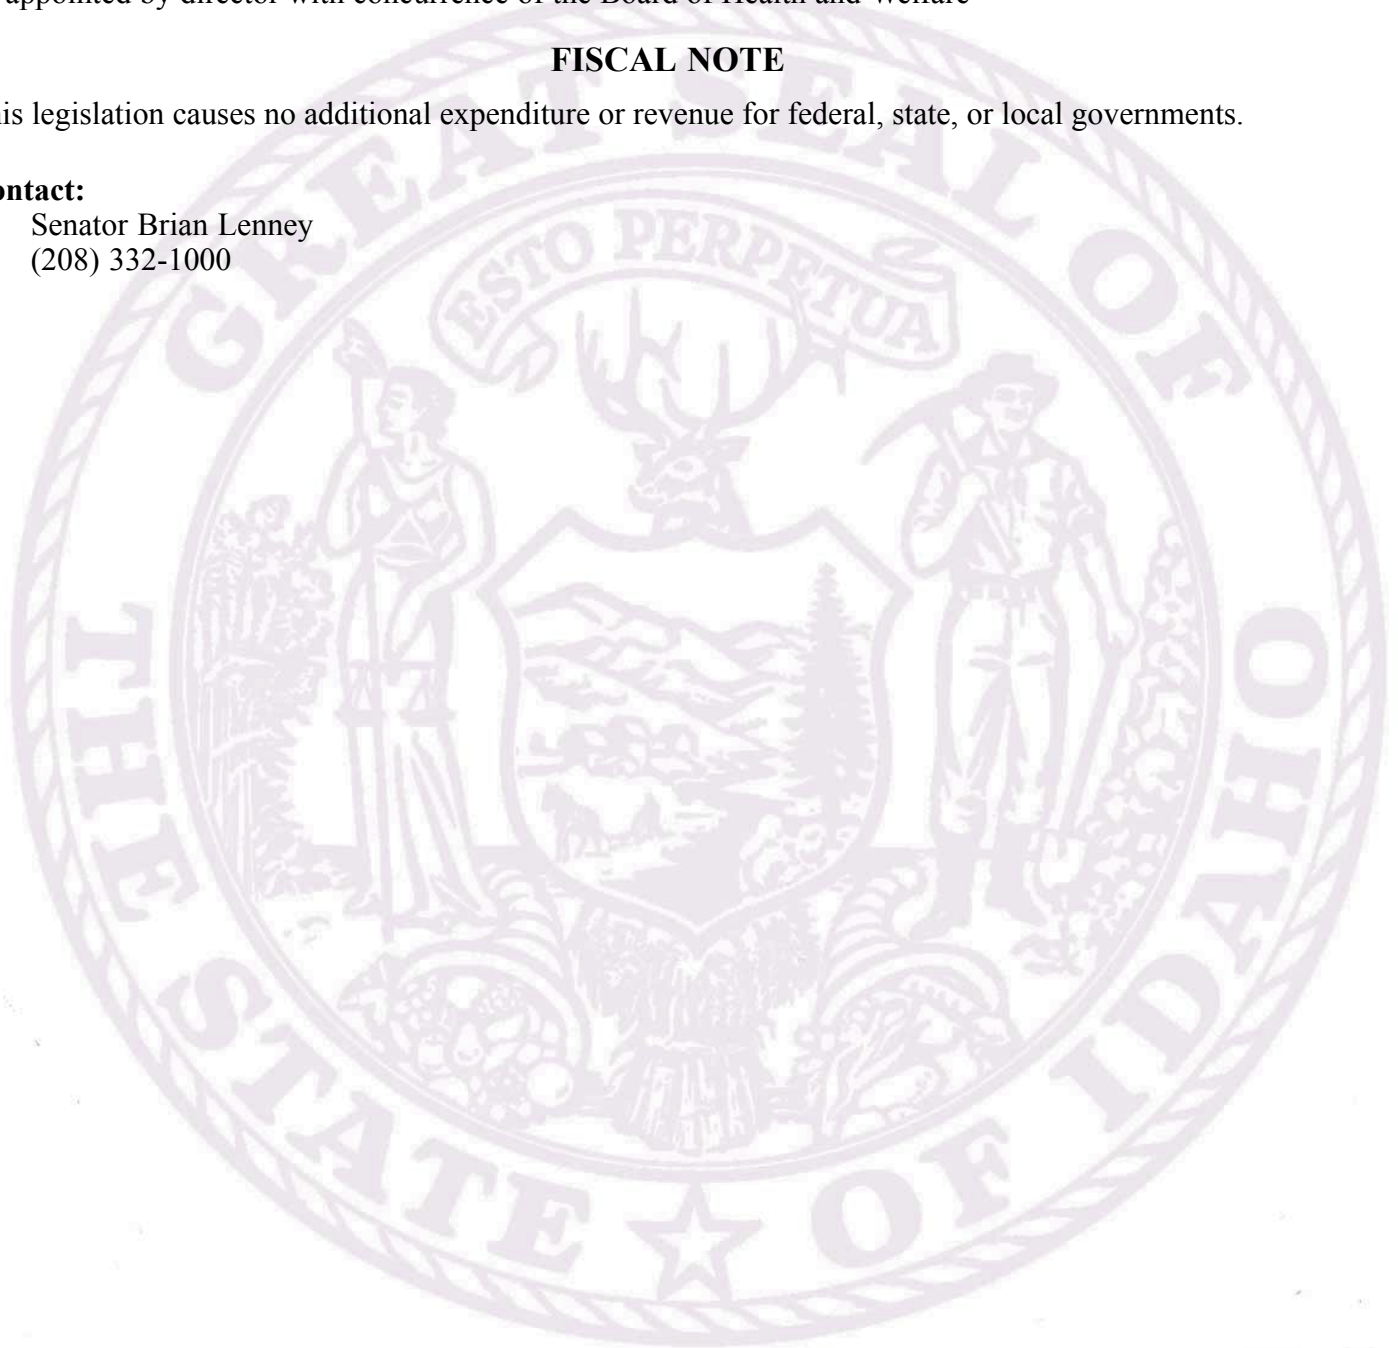

The Department of Health and Welfare is the state's largest agency, with a budget of nearly \$6 billion dollars. With bureaus overseeing programs with hundreds of staff and millions of dollars, it is important to ensure there is accountability for decisions being made with scarce taxpayer dollars. This bill ensures all bureau chiefs must be appointed by director with concurrence of the Board of Health and Welfare

FISCAL NOTE

This legislation causes no additional expenditure or revenue for federal, state, or local governments.
