

STATEMENT OF PURPOSE

RS32243 / S1101

This legislation outlines common duties of coroners, and provides definitions and standards to increase consistency in practice and improve public safety.

FISCAL NOTE

This legislation has no fiscal impact on the General Fund, nor does it impact any local governments. It simply creates standards and definitions, and any training listed in those standards are already a part of the Idaho State Association of County Coroner's own funds collected through fees on death certificates
